Sit! Sit! Sit!

The Wind Princess is coming at sunrise, and the Rainbow Tower must sparkle from top to bottom! But when Kate reaches for the magical Rainbow Broom, it growls, dodges, and zooms off down the hallway with Kate still holding on. Can she calm this grumpy broom in time? And why is it so cross with her in the first place? This decodable reader practices VC/CVC short vowels through fun words like 'got,' 'ran,' 'sit,' 'sat,' and 'hit.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
