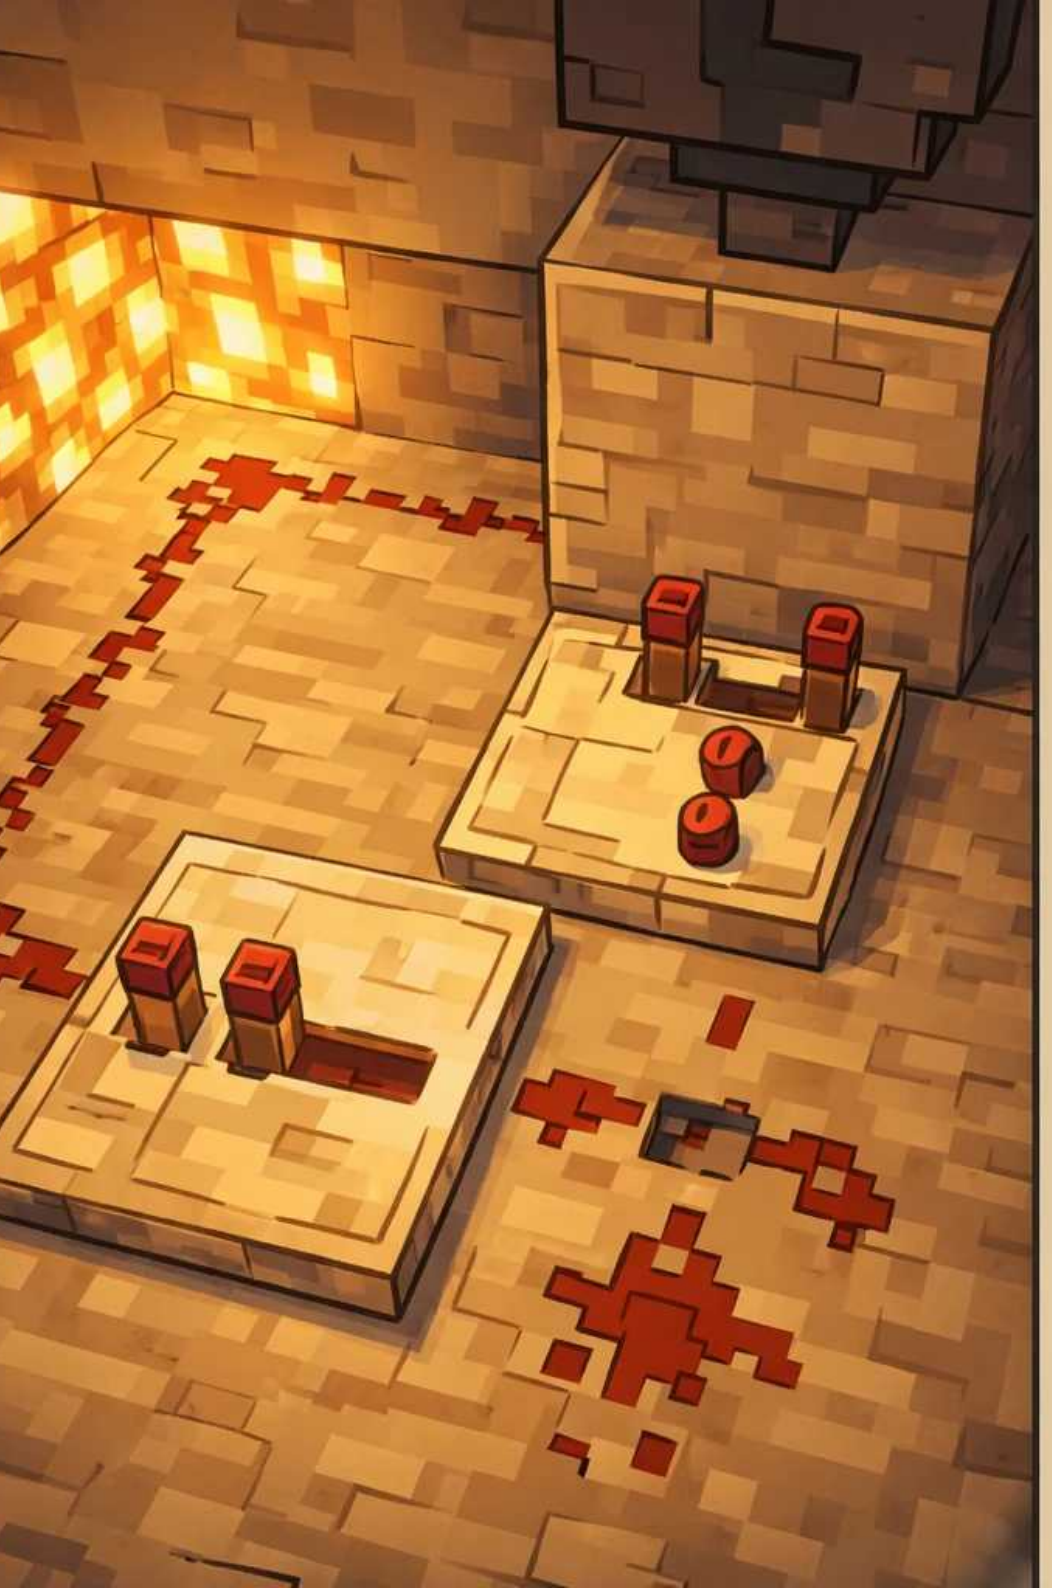
AN UNOFFICIAL MINECRAFT SERIES
DR. CAN DO
I CAN DO IT!

Jill digs up rock the whole long **day.** Now tall grey piles are in her **way.**

Dr Can Do made a bin for the town. Jill **waits** in a long line with a frown.

Jill will make her own bin one **day.** Dr Can Do helps and shows her the **way.**

She has **laid** it all out on the ground. But the bin will not make a sound.



A gap sits in the red stone **trail.** That is why the bin will **fail.**

Jill fills the gap the right **way.** Now she can dump her stone all **day!**

AI AY

I Can Do It!

Jill has a HUGE problem - stacks and stacks of cobblestone taking over her whole yard! The line at Dr Can Do's stone-disposal bin is much too long, so Jill decides to build her very own. But can she really follow the tricky pattern all by herself? And what happens when her shiny new bin just sits there, silent as a stone? This decodable reader practises the 'ai/ay' phonogram with words like 'day,' 'trail,' 'waits,' and 'fail.'

Reading Skills: <ai> <ay>

day, fail, laid, trail, waits, way

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
