

A Big Quest for Kit

Meg sits up
in bed. Kit is
not in the
bed! Meg is
on a quest
to spot Kit.

Meg dashes on
the path. Kit?

Kit?

But Kit creeps
at the back, at
the rails.

Meg stops at
the big pot. Tap,
tap on the lid.
Kit squats at
the back, smug
as a queen.

Meg checks and checks. The cat is not in the pot! Kit creeps at the pot, quick and smug. This quest is bad.

Meg hunts in
the shrub.
Squelch! The
path is wet.
But Kit is not
in the shrub.

A thump! Meg
stops and
squints. Is that
the cat? Kit
creeps up on top.
The quest is not
at an end.

Meg squats to
peek in the gap.
Dust and a sock,
but the cat is not
in the gap. Kit
sits up on top as
a smug queen.

Meg is up on the stool. Dust, a band and a book, but Kit is not on top. Kit squats in the gap. It is all a gag!

Meg scans the bookshelf. Kit is not in that spot at all. She sits, sad and upset. Is this quest at an end?

Meg squats at
the bed to peek
in the gap. She
squints. Kit is
not in that spot
at all.

Meg stands and
is upset. This is
a bad, bad quest!

Then she spots
a lump on the
bed.

Meg lifts the blanket. Kit is in the bed, snug and smug! Kit has the sun specs on. Meg grins and hugs Kit. The quest is at an end!

A Big Quest for Kit

A girl wakes to find her cat, Kit, has vanished from her pillow. She hunts the yard, the porch bush, and every dusty corner of her room, hearing tiny meows that lead nowhere. Will she ever track down her clever, hiding cat? Written for Jolly Phonics classrooms (Group 7: qu /kw/), this book practices words like 'quest', 'squats', 'queen', 'squints', 'quick'.

Phonics Focus: <qu>

queen, quest, quick, squats, squelch, squints

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
