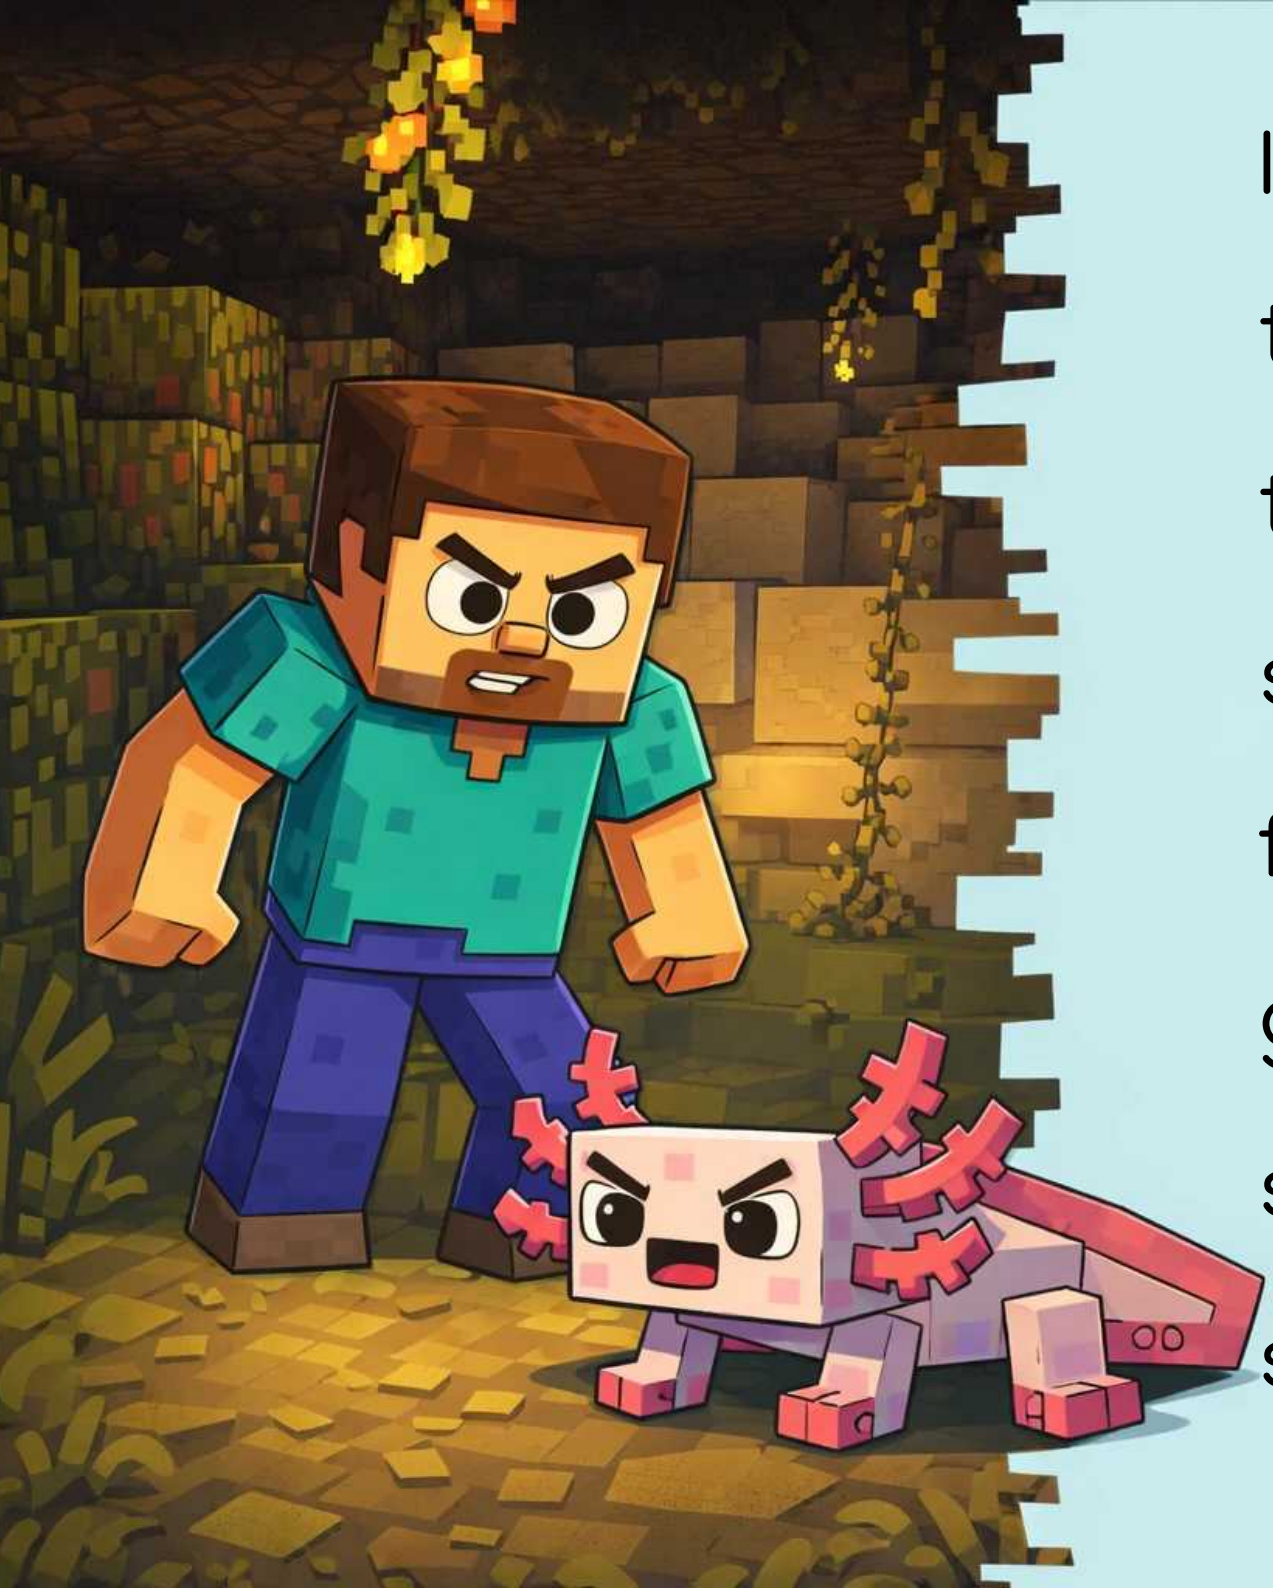
I Found It
in the Cave!
An Unofficial Minecraft Book

Down in a cave, I found a **glow.** Green plants and moss **grow low.**

I crept close to a small pool. An axolotl swam there, **slow** and cool!



I scoop it up, into the light. Out from the pool, what a sight! It sits at my feet, here on the ground. It does not swim, it makes no sound.

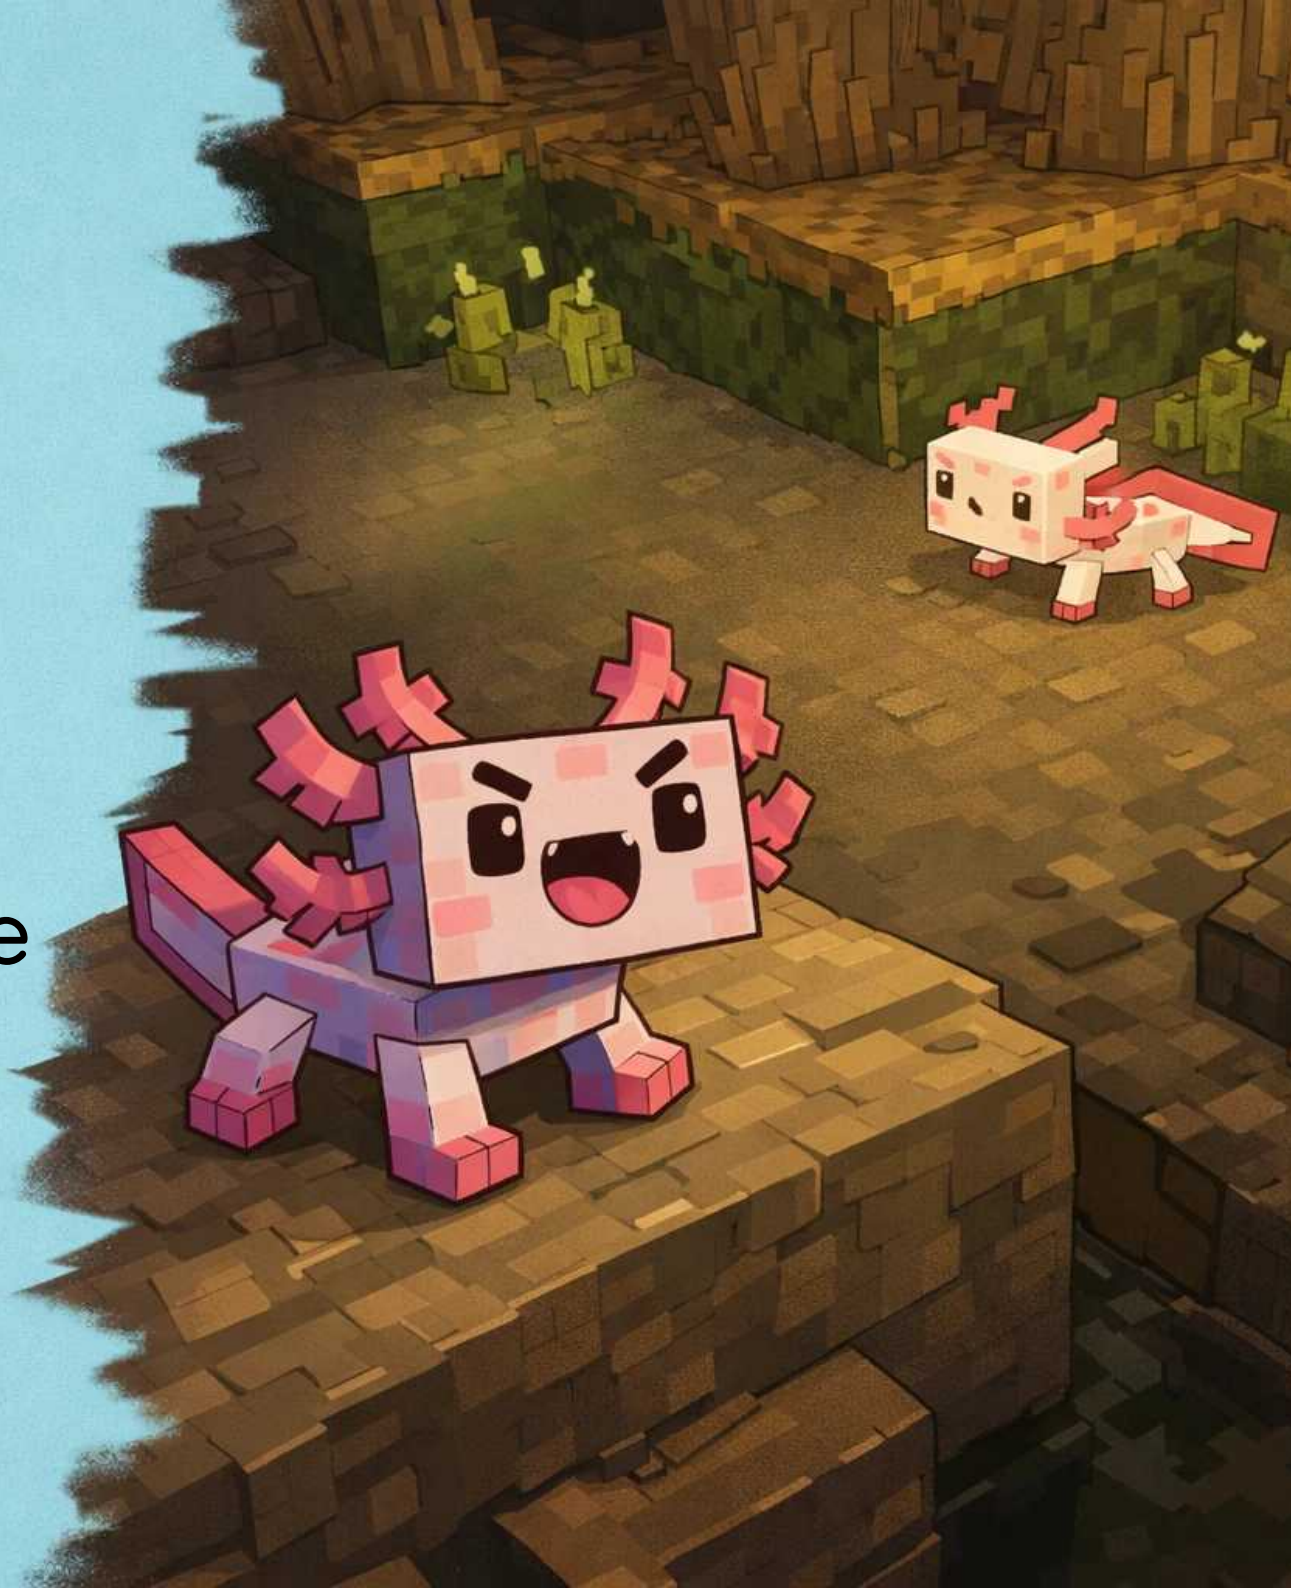
Back home at last! I crouch **down low.** My **own** small pond. A home to **show!**

I hold it close. It looks around. The best new home it could have found!

The pond looks dull, so I toss moss **down low.** On the rock and the dirt, I watch it **grow.**

The axolotl swims in the soft, cool **flow. Now** this is the best spot I **know!**

We go back **down** to the cave **now.** A white axolotl is here, **wow!** My axolotl grins at the sight. A new pal, fresh and white!



I take my new pal home, nice and **slow.** Both swim in the pool. What a **show!**

Now I can breed them and watch them **grow.** Warm in the sun, they **glow!**

I grab a bucket with a fish to **show.** My friends will gasp, I **know!**

The axolotl peeks from the pool. It grins at me. **How** cool!

They drift and **flow**

in the pool **down low.**

They splash and

play, fast and **slow.**

I could sit and watch

them each day. The

best **show** in **town,** I

must say!

ow

I Found It in the Cave!

Deep in a hidden cave, Steve spots something he's never seen before - a soft green glow and two grinning little creatures peeking from a pool! Could these be the strangest friends he's ever made? He scoops one up, carries it home, and builds it the coziest pond ever. But what happens when his new pal wants a friend too? This decodable reader practices the 'ow' sound in words like 'down,' 'glow,' 'show,' and 'now.'

Reading Skills: <ow>

down, flow, glow, grow, how, know, low, now, own, show, slow, town, wow

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
