

A Fine Wide Home

This is the plains in
Minecraft. The land
is **wide** and flat.

The grass is green
and lush. Chicken
pecks at the ground
under the tree.

A kid stands on
the plains. A pig
sniffs the soil.

Cow rests in the
shade. It is cool
under the tree.

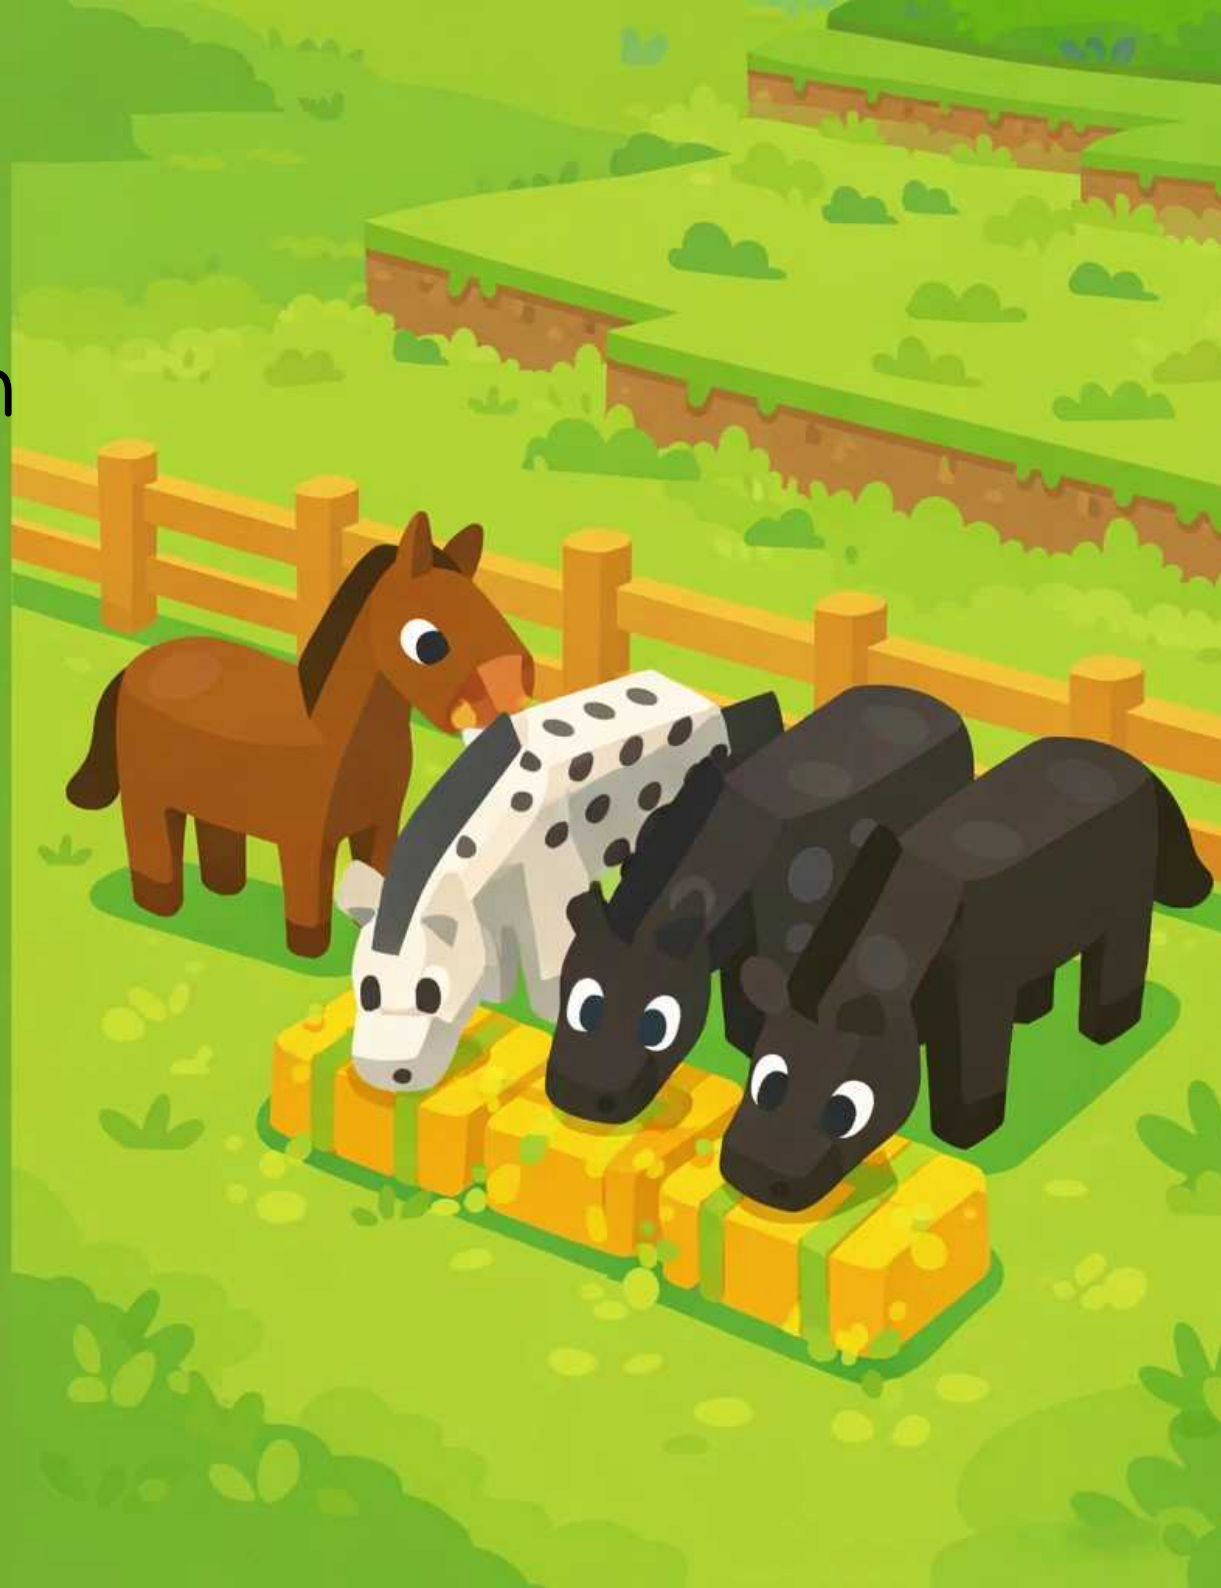

Mobs roam this place. They graze on the lush green grass. Two hens peck at the ground. It is a good spot to get food.

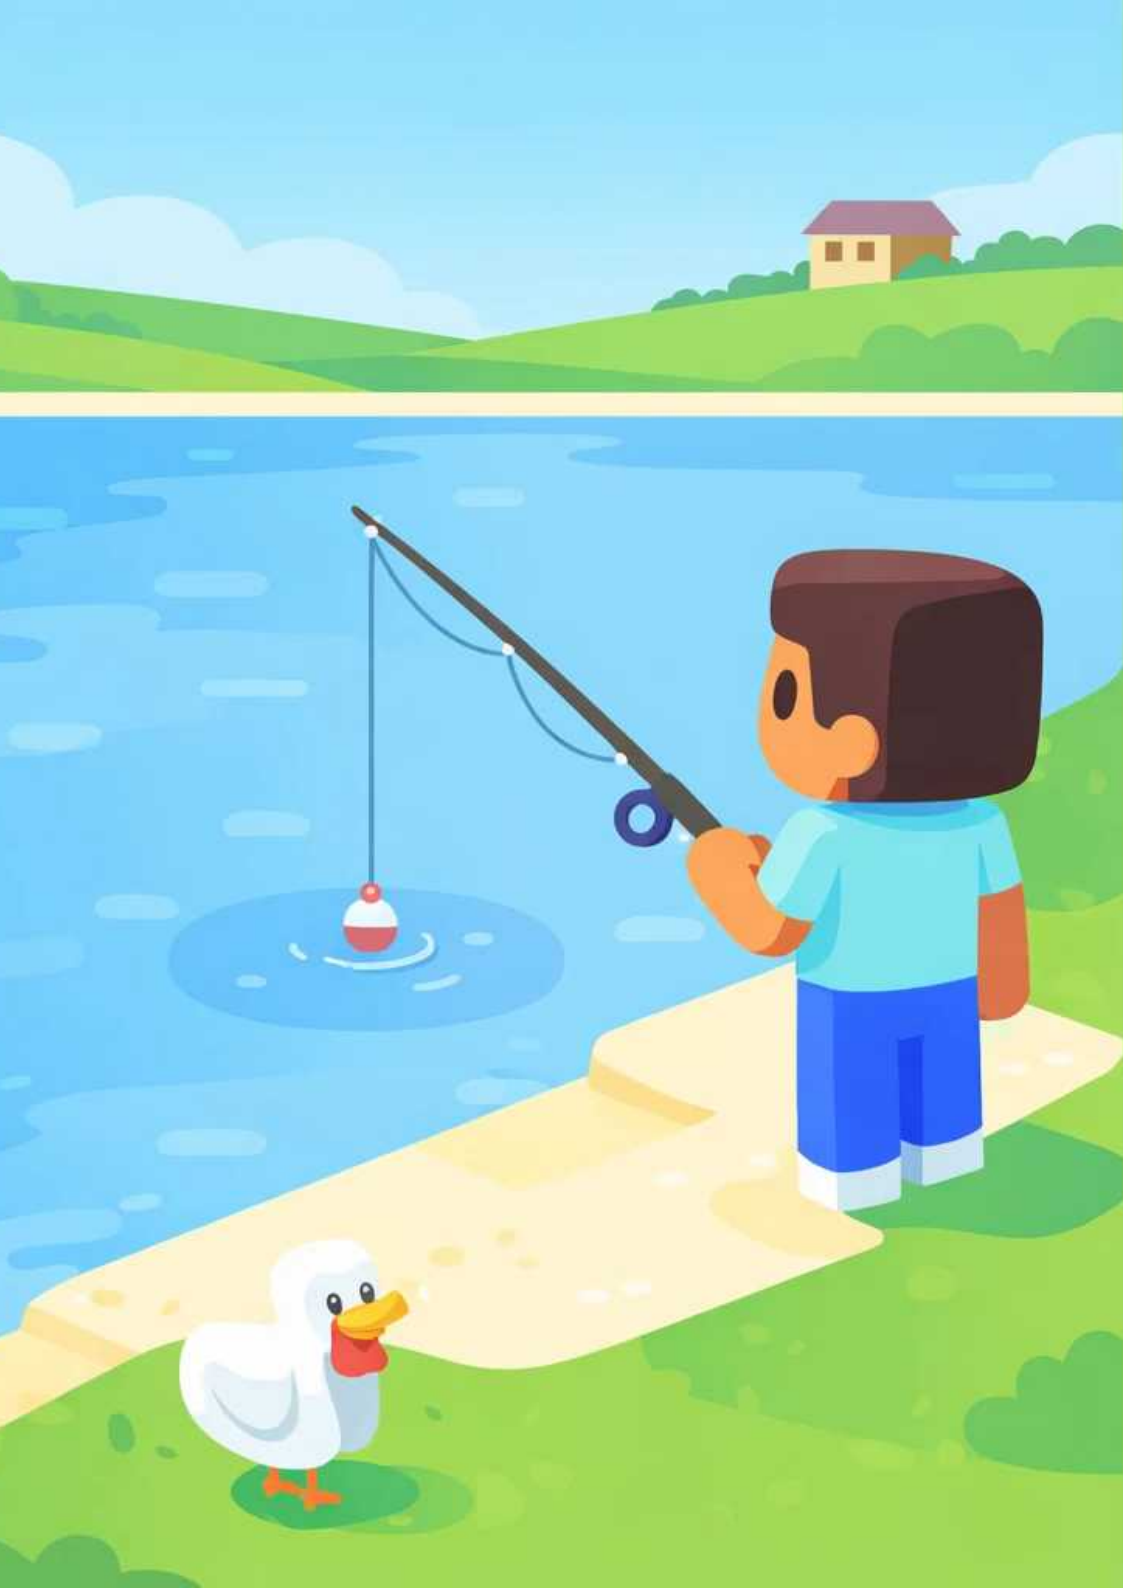

Big mobs stand at
the pen. They munch
feed at the gate.

Chicken takes a
peek at them.

Chicken likes this
spot.

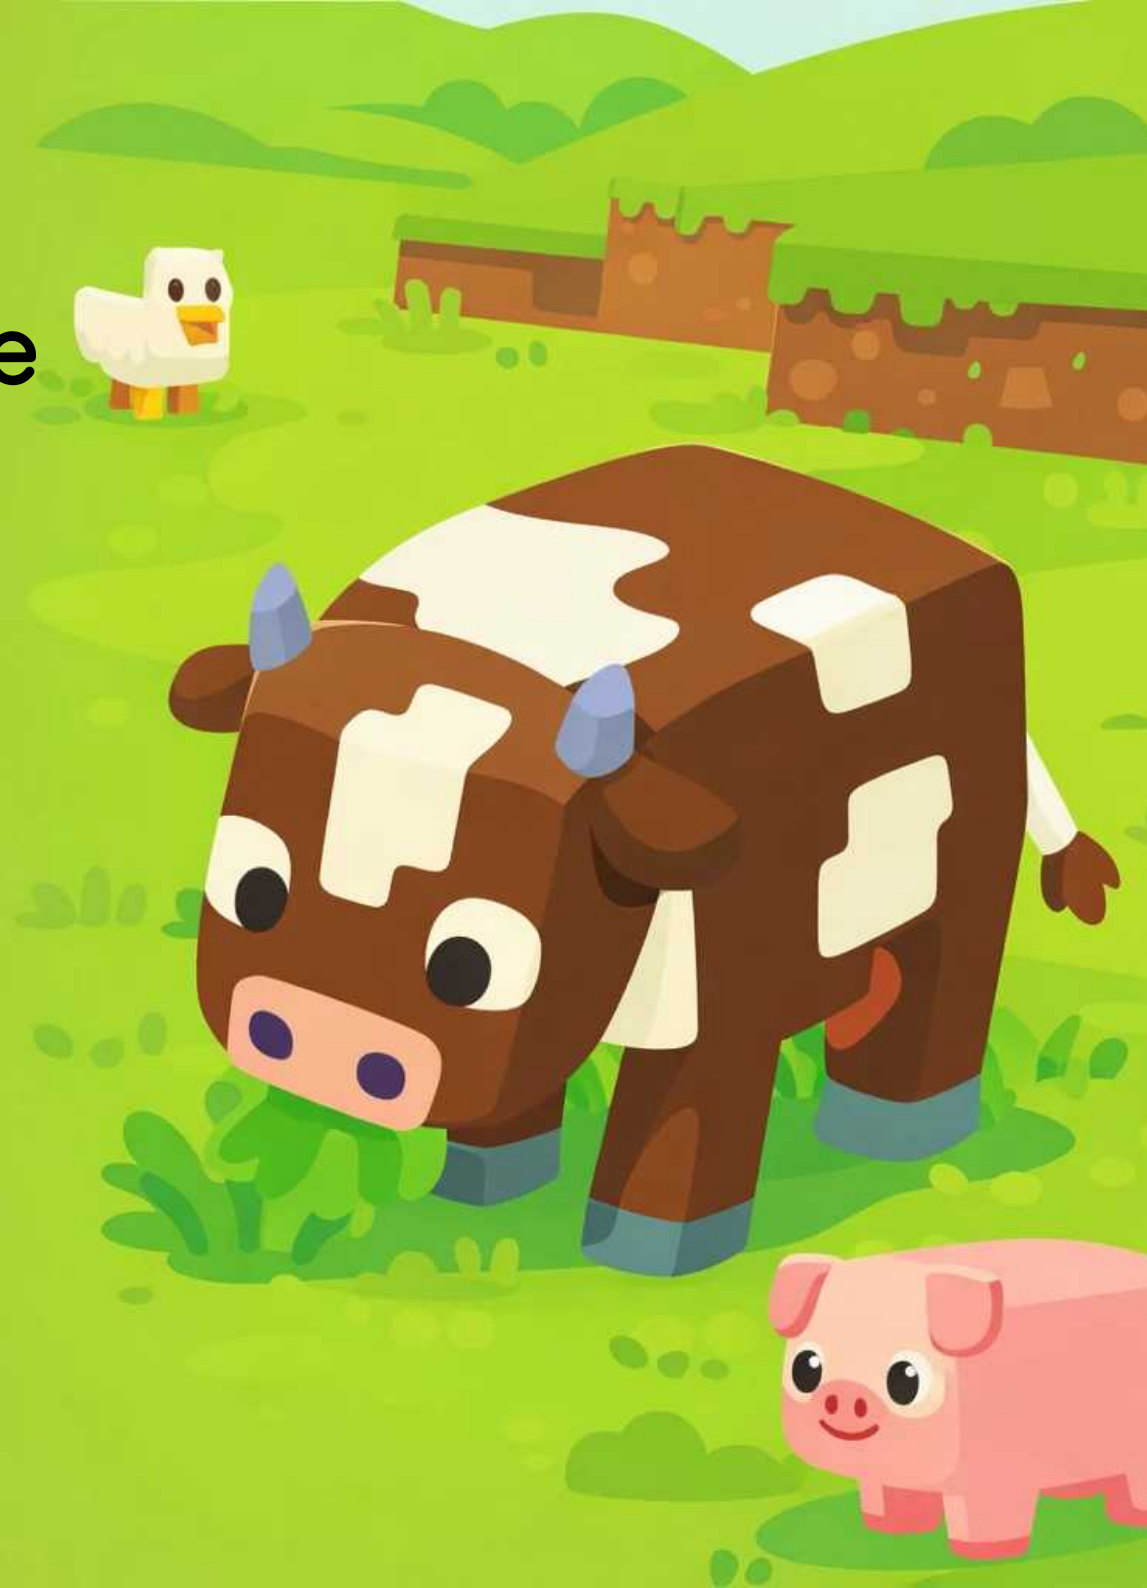

A kid casts a
line into the lake.
He waits for a
fish to bite.

Chicken waits at
his side.

Cow grazes on the
grass. This is a safe
place to be.

No mob will chase
Cow here. Chicken
and the pig roam
close.

The plains are
rich with blooms.
The blooms face
the sun and
shine.

Chicken stands in
the sunshine.

Mobs pack into the same place. They munch all the grass. The soil is hard, and no grass is left. This is a big mistake.

Big mobs stamp
on the grass. They
make wide mud
trails in the soil.

Hens do less
harm. Hens are
safe for the land.

A wise kid keeps
his herd in a pen.
He has feed for
them.

The land is safe
here. The grass
can thrive, and the
mobs can graze.

A Fine Wide Home

A kid loves the wide, flat Minecraft plains, where cows, pigs, and chickens graze in the lush grass. Fishing in the lake, exploring the sunny fields, and watching the herd by the gate fill each day. But when too many big mobs pack into the same place, the grass starts to disappear. Can the kid find a way to keep this fine, wide home safe for every mob? Written for Jolly Phonics classrooms (Step 2, Unit 5: magic e (a_e i_e o_e)), this book practices words like 'safe', 'graze', 'wide', 'gate', 'lake'.

Phonics Focus: <magic> <e> <(a_e i_e o_e)>

bite, chase, close, face, gate, graze, grazes, lake, likes, line, make, mistake, place, safe, same, shade, shine, side, sunshine, takes, thrive, wide, wise

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
