

A Pet Picks Steve

Steve is in a
cave. He can see
a lush green pool.

A wee pet
splashes in the
pool.

The wee pet
sits at Steve's
feet. It is wet,
but it grins.

Gosh! It picks
him.

Steve grabs the
pet and rushes
to his pond.

But the pet
looks at it. It is
not posh yet.

Steve packs fresh
moss on the rocks.

Splash! The pet dips
in the pool.

It swishes its fin and
grins.

The pet is
back in the
cave. It spots
a pal with a
sheen! It grins
a big grin.

The pet and its
pal swim in the
pool in the sun.
Splash! The
pets bob and
grin. It is fun.

Steve gets
a fish in his
pail. The pet
peeks up at
him. It grins!

The pets
splash and spin
in the pool.

Steve grins. It
is fun to see
the pets swish!

A Pet Picks Steve

Steve thought he'd seen every wonder the world could offer, until he found a hidden pool glowing deep in a cave. There, a small creature with a lush grin climbed right out and sat at his feet like it already belonged to him. Could Steve really give this odd little pet the fresh, posh home it deserves? Written for Jolly Phonics classrooms (Group 6: sh /sh/), this book practices words like 'splash', 'fish', 'gosh', 'swish', 'rushes'.

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
