

Anansi Hops for Food

Look at the wee
fairy in the deep
woods.

She has a
spoon, and it
cooks good food.

Anansi looks at
the kids from his
web. Parrot
toots at him. A
spoon can cook
food, and Anansi
is keen to get it.

Mmoatia sings a song and spins the spoon, and soon the pot has good hot food. She feeds the pals, but Anansi peeks from a plant and drools.

Mmoatia sets
the spoon at
the cup and
sips the food.

Anansi looks
and looks, and
he has a plan.

Anansi nabs the
spoon and runs
to the deep
woods!

Mmoatia sits at
the pot, but she
is not upset.

Anansi spins the spoon in a big container
in his room. No food! He taps it and he
hoots, but the container has no food in it.

Anansi droops
at the root in a
bad mood, and
his gut booms.
He sets the
spoon back,
and Mmoatia is
not mad.

Mmoatia
hands him the
spoon back. If
he cooks for a
pal, the spoon
can help.

Anansi spins the spoon in the container, and he plans to feed a pal too. Soon the container has good hot food in it. Ooh, look!

Anansi scoops
the food and
sets a cup for
Mmoatia.

She looks glad,
and he sips
his food too.

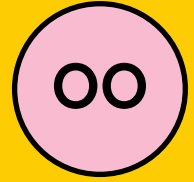

Anansi packs up
food in a bundle
for the kids. He
sets it on the
track and scoots
back to the
moonlit woods.

Anansi and Mmoatia sit at the
root and sip good food. Bugs
zoom and the moon is up. It is
good to cook food for a pal.

Anansi Hops for Food

Deep in the woods, a tiny fairy has a magic spoon that cooks good food for anyone with a giving heart. When hungry Anansi spots her feast from his web, he sneaks off with the spoon himself, but back in his room it won't cook a thing. Will he ever figure out what makes it work? Written for Jolly Phonics classrooms (Group 5: oo as in moon & oo as in book), this book practices words like 'food', 'spoon', 'cook', 'moon', 'zoom'.

Phonics Focus: <oo>

booms, cook, cooks, drools, droops, food, good, hoots, look, looks, mood, moon, moonlit, ooh, room, root, scoops, scoots, soon, spoon, too, toots, woods, zoom

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
