

**Bang Bang,
Dr. Can Do**

Bang, bang! Dr.
Can Do is nailing
plank on plank.

Jill is not glad,
but he grins and
grins.

At sunset, Jill
brings him a
hot pot.

Stop and rest!
He can end it
in the morning.

Clang! A
groaning! He
peeps at the
mob. It plods
on. He gets in
bed.

Morning. Torn
sails and split
planks! He wails.

Jill picks up a
torn scrap. A
strong wind?

He groans a
long groan. It
can not be wind!
Jill peeps at the
lot. It stands.
Just the sails
are wrecked.

He is nailing the
sails back on. At
dusk the windmill
stands strong.
But he frets.
Was it the wind?
It can not be!

A wailing,
storming wind! He
grabs a coat and
runs. A gust hits
him. The windmill
sails spin and
spin. Stop, stop!

A man is at
the windmill!
The wind stops,
and the sails
hang. He grins.
It is fun to spin!

Bang Bang, Dr. Can Do

Bang, bang! Dr. Can Do is nailing plank after plank, building the greatest windmill the world has ever seen. Jill brings him hot stew and tells him to finish in the morning, but strange sounds creep through the night. Come morning, the sails lie torn and broken, and Dr. Can Do cannot understand what could be strong enough to wreck his masterpiece. Written for Jolly Phonics classrooms (Group 5: ng /ng/), this book practices words like 'bang', 'nailing', 'strong', 'groaning', 'hang'.

Phonics Focus: <ng>

bang, brings, clang, groaning, hang, long, morning, nailing, storming, strong, wailing

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
