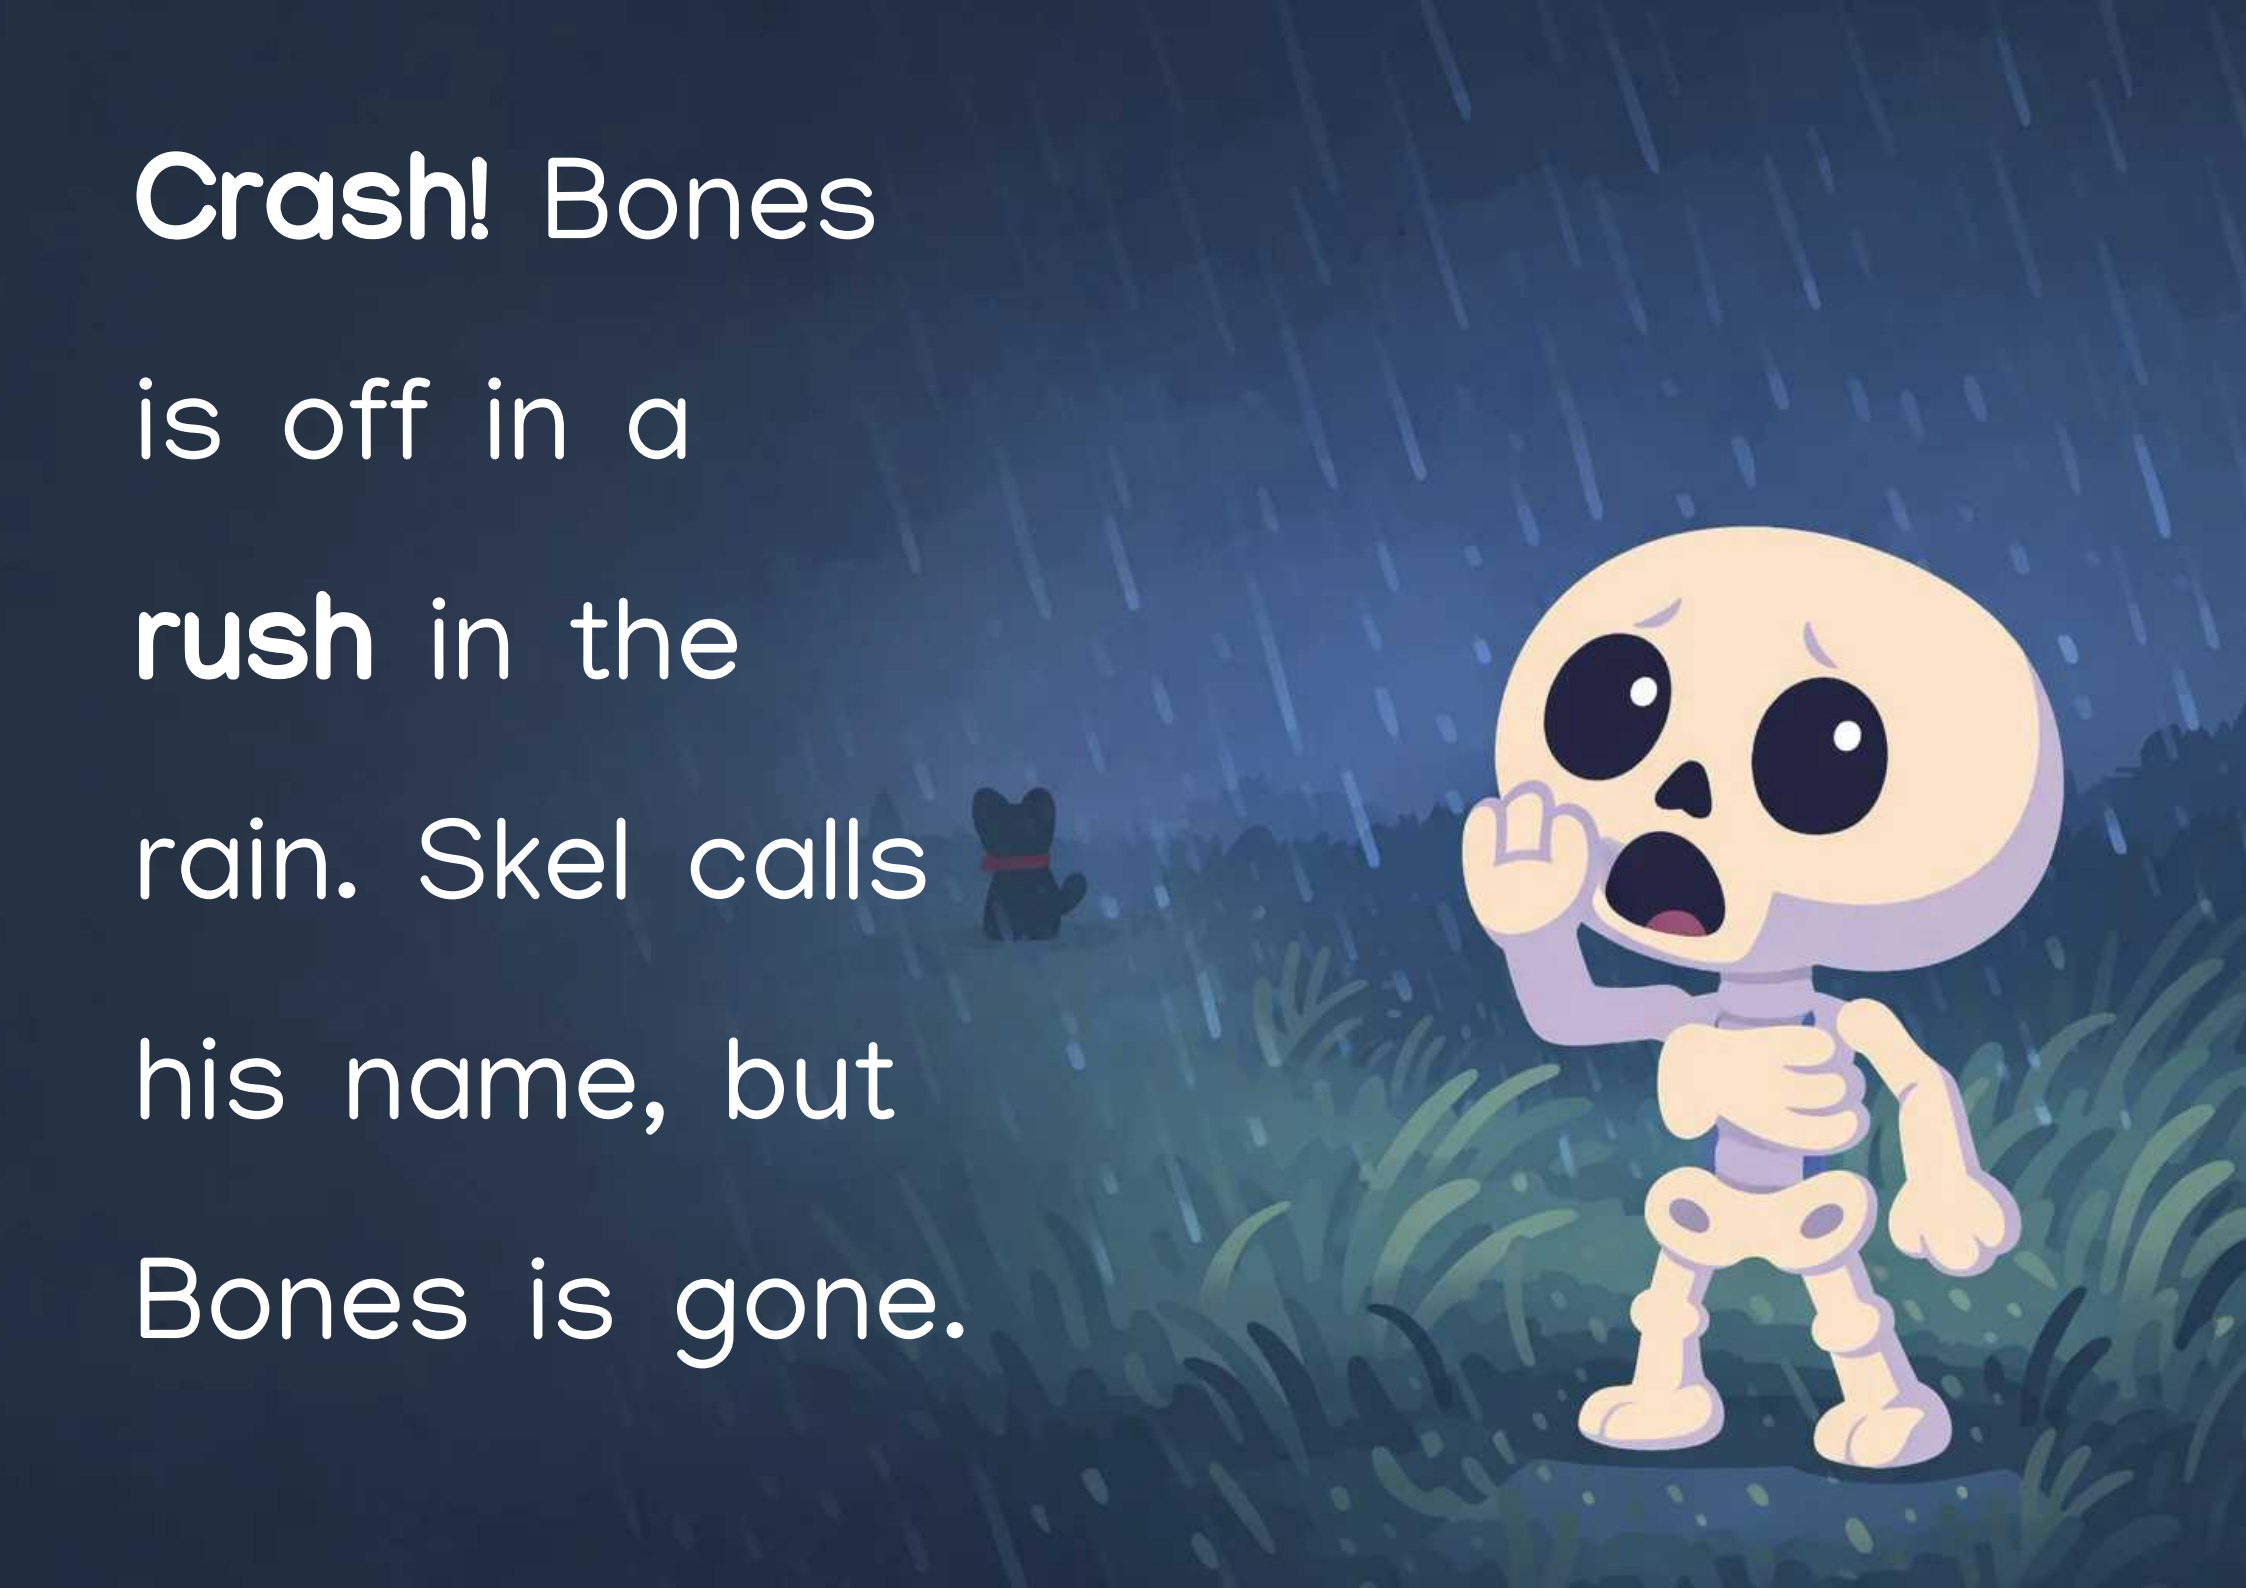
BONES
and
THE PACK
An Unofficial Minecraft Book

Bones trots next to Skel in the **fresh** grass. Bones is the best dog on this path, and he can tell!

Crash! Flash! Bones **shakes** next to the log. Skel is close to him.

Crash! Bones is off in a **rush** in the rain. Skel calls his name, but Bones is gone.



Skel went up the wet hills. He calls and calls, but no Bones. Skel **shook**, but he had to **push** on.

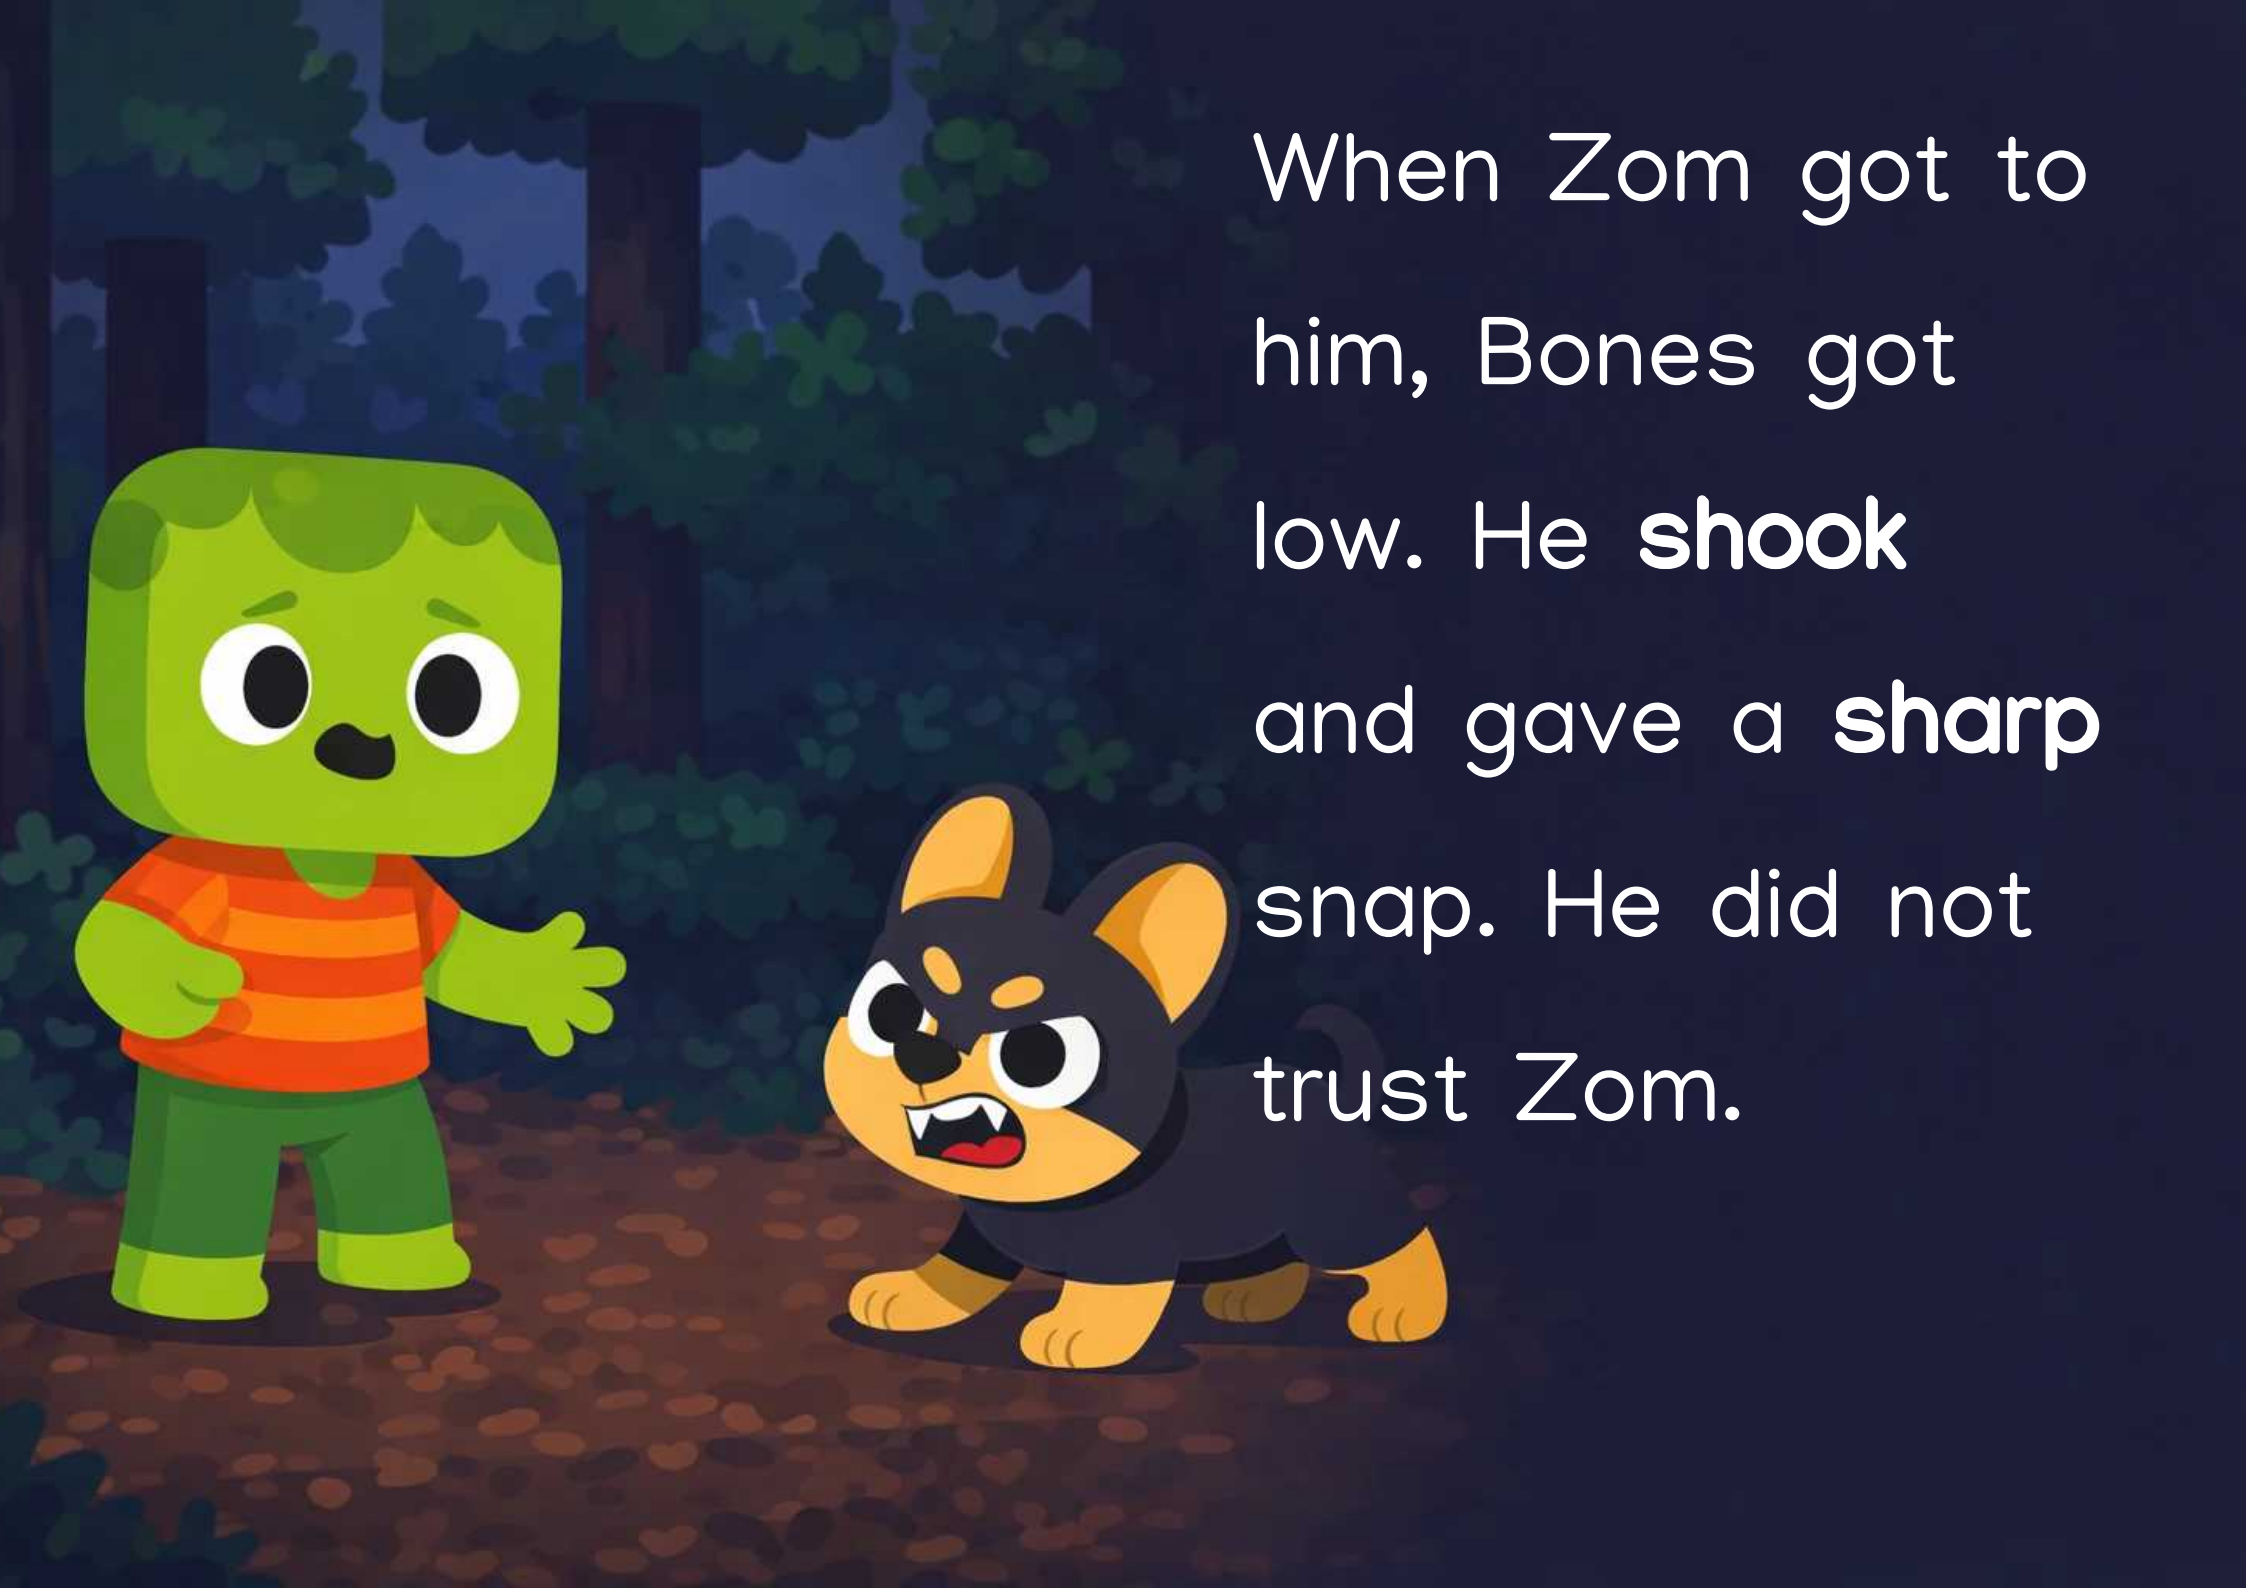
Skel went back home. His pal Zom made him a **fresh dish,** but it did not help. Skel was a mess.

Zom made a **dash** into the dark to find Bones. Skel sat back and had a **short** rest at last.

Bones got lost in the dark woods. A pack hid by a big **bush.** Bones **shook,** but he did not run.

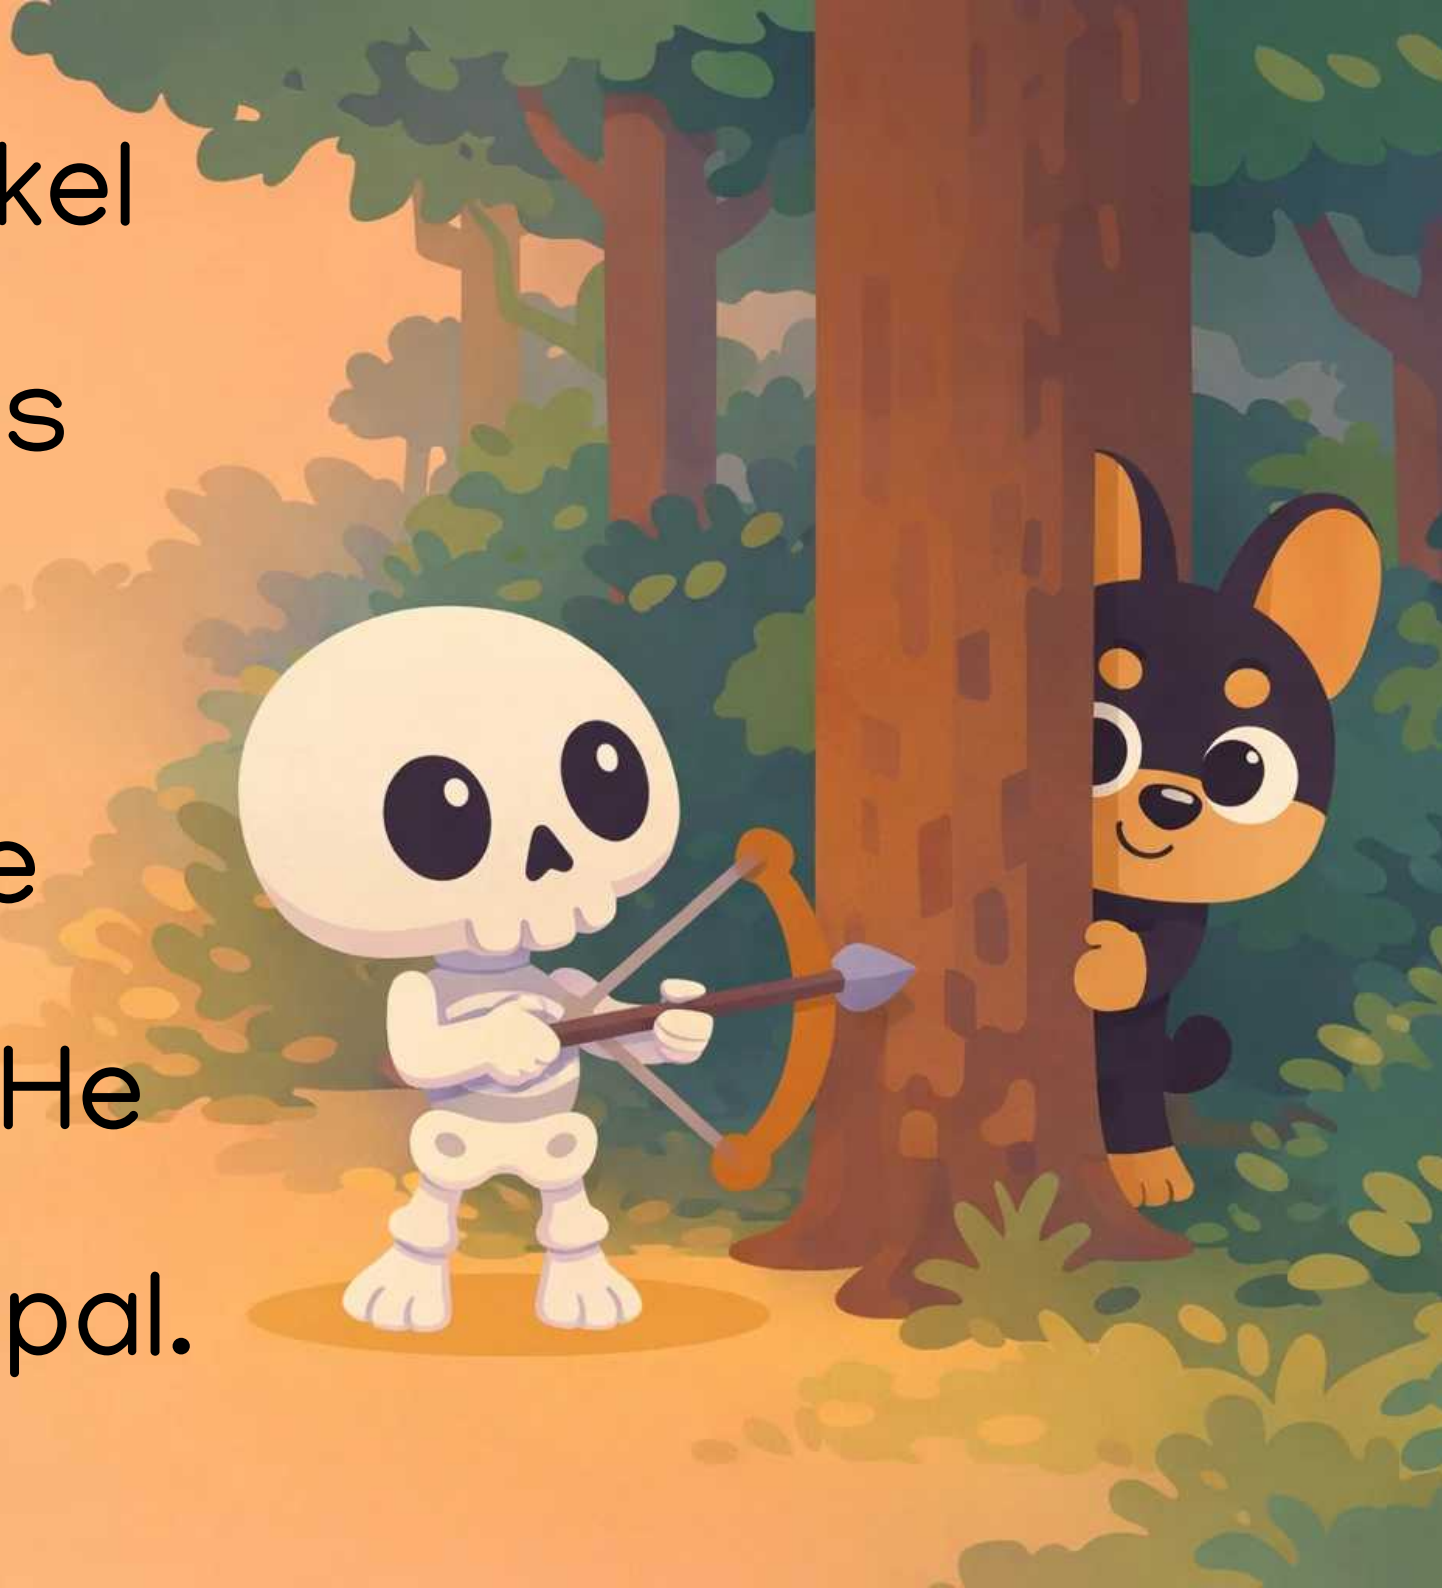
Bones ran with the pack in the **fresh brush.** He had to **dash** and **rush.** He did not act like a pet dog now.

His red bandana got stuck on a **shrub.** Bones did not stop. He left it and ran on with his pack.



When Zom got to him, Bones got low. He **shook** and gave a **sharp** snap. He did not trust Zom.

But when Skel came, Bones felt a **rush.** Bones came up to Skel. He missed his pal.



Skel and Bones went home, and Zom had a **fresh** snack for Bones. Bones was his old self. When the next storm came, he did not run.

SH

Bones and the Pack

Bones is the bravest dog in the valley - until a terrible storm sends him bolting into the dark woods. Lost and hungry, he meets a wolf pack with pale, watching eyes, and soon he's running wild beside them, leaving his red bandana behind. But what happens when Zom finds him in the forest clearing? Can Skel bring his best friend home again? This decodable reader practices the sh phonogram through words like 'crash,' 'dash,' 'fresh,' 'rush,' and 'shook.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
