

Chomp and Munch!

Boom, boom,
boom! Skel
sits up in bed.

Such a din in
the dim room!

Llamas stomp
and chomp on
the land. Skel
runs up. He is
not glad.

Skel is mad,
mad, mad. But
the lot just sit
and munch
the crops.

Such a lot! A big
mob packs the
track.

Crunch, crunch,
munch. Skel can
not stop it.

Zom has a job.
He must feed
his pigs. A green
chap snaps at
the pen, but
Zom gets on
with his job.

Skel checks the
crops. Such a
lot is lost!

Crunch, munch.
A pink llama
chomps on.

Zom has a plan.
He clips a cord
on the llamas.
He tugs, and the
lot trot from the
land in a chain.

Skel stands at
the pond. Not a
stomp, not a
crunch on the
land. But he
checks and
checks.

At sunup the
lot are back,
and **such** a big
mob! Llamas
run in and
pack the land.

Skel stomps in,
as mad as can
be. Splotch!

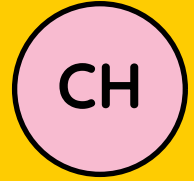

The llamas spit
green goo and
drench him.

Zom checks on
Skel. Such a
stench! Skel
drips green muck
from chin to
chest. Zom just
grins.

Zom dabs at
the muck and
lifts a flask. He
has a llama
plan! Skel grins
at his chum.

Chomp and Munch!

BOOM, BOOM, BOOM! Something is shaking the farm, and it isn't thunder. Llamas have taken over, dancing, stomping, and munching through every crop in sight. Skel wants them gone, but nothing he tries seems to work. Can he find a way to stop the crunch before there's nothing left to eat? Written for Jolly Phonics classrooms (Group 6: ch /ch/), this book practices words like 'chomp', 'crunch', 'munch', 'chest', 'chain'.

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
