Crow,
Stop Singing!

Crow had a plan, quick as a **blink.** 'I'll sing for chums!' Crow starts to **think.**

Crow lands by Hank, **Pink,** and Frank. They play in the sun on the **bank.**

Crow sings

his song with

a **clank** and

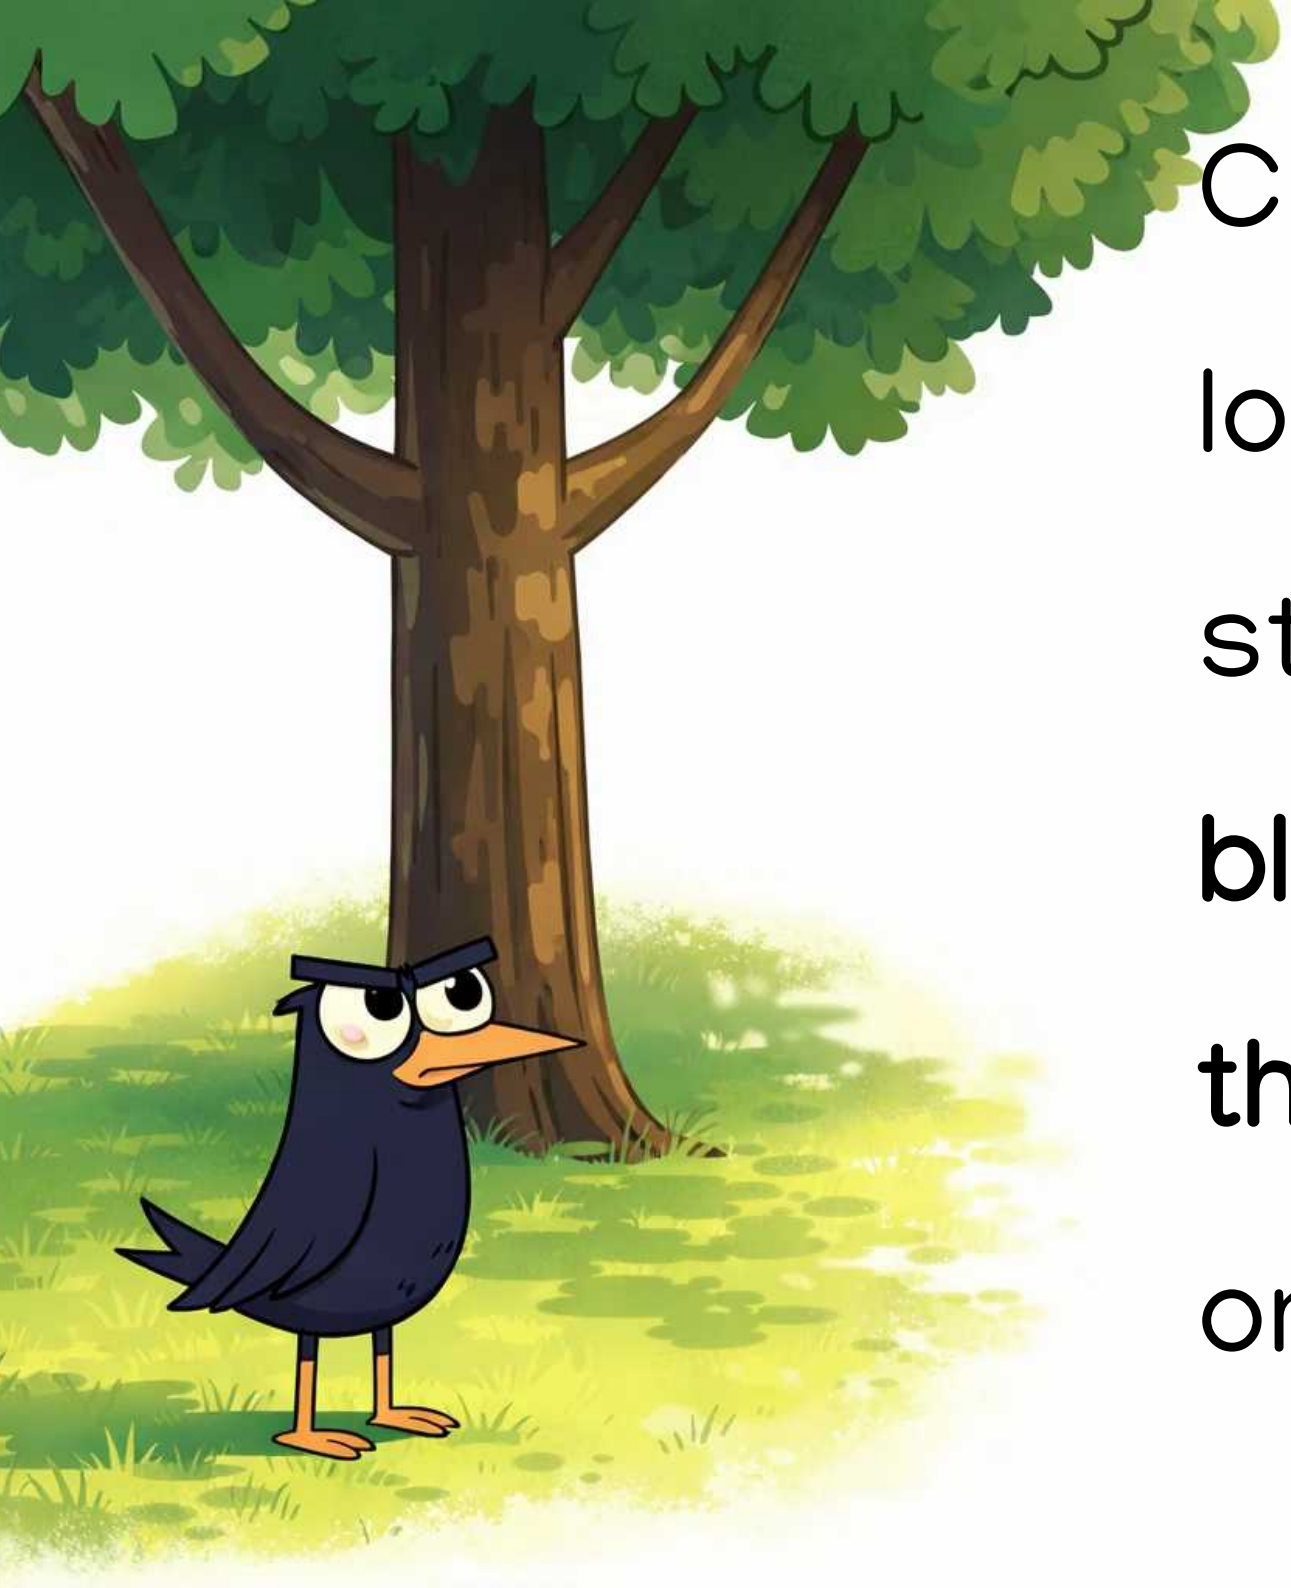
clink. Hank and

Frank and **Pink**

just **blink!**

Crow flings his wings and sings, **honk honk!** His big song lands with a **clunk** and a **bonk!**

They bolt off quick as a **wink!** Crow's song made them run, not **think!**

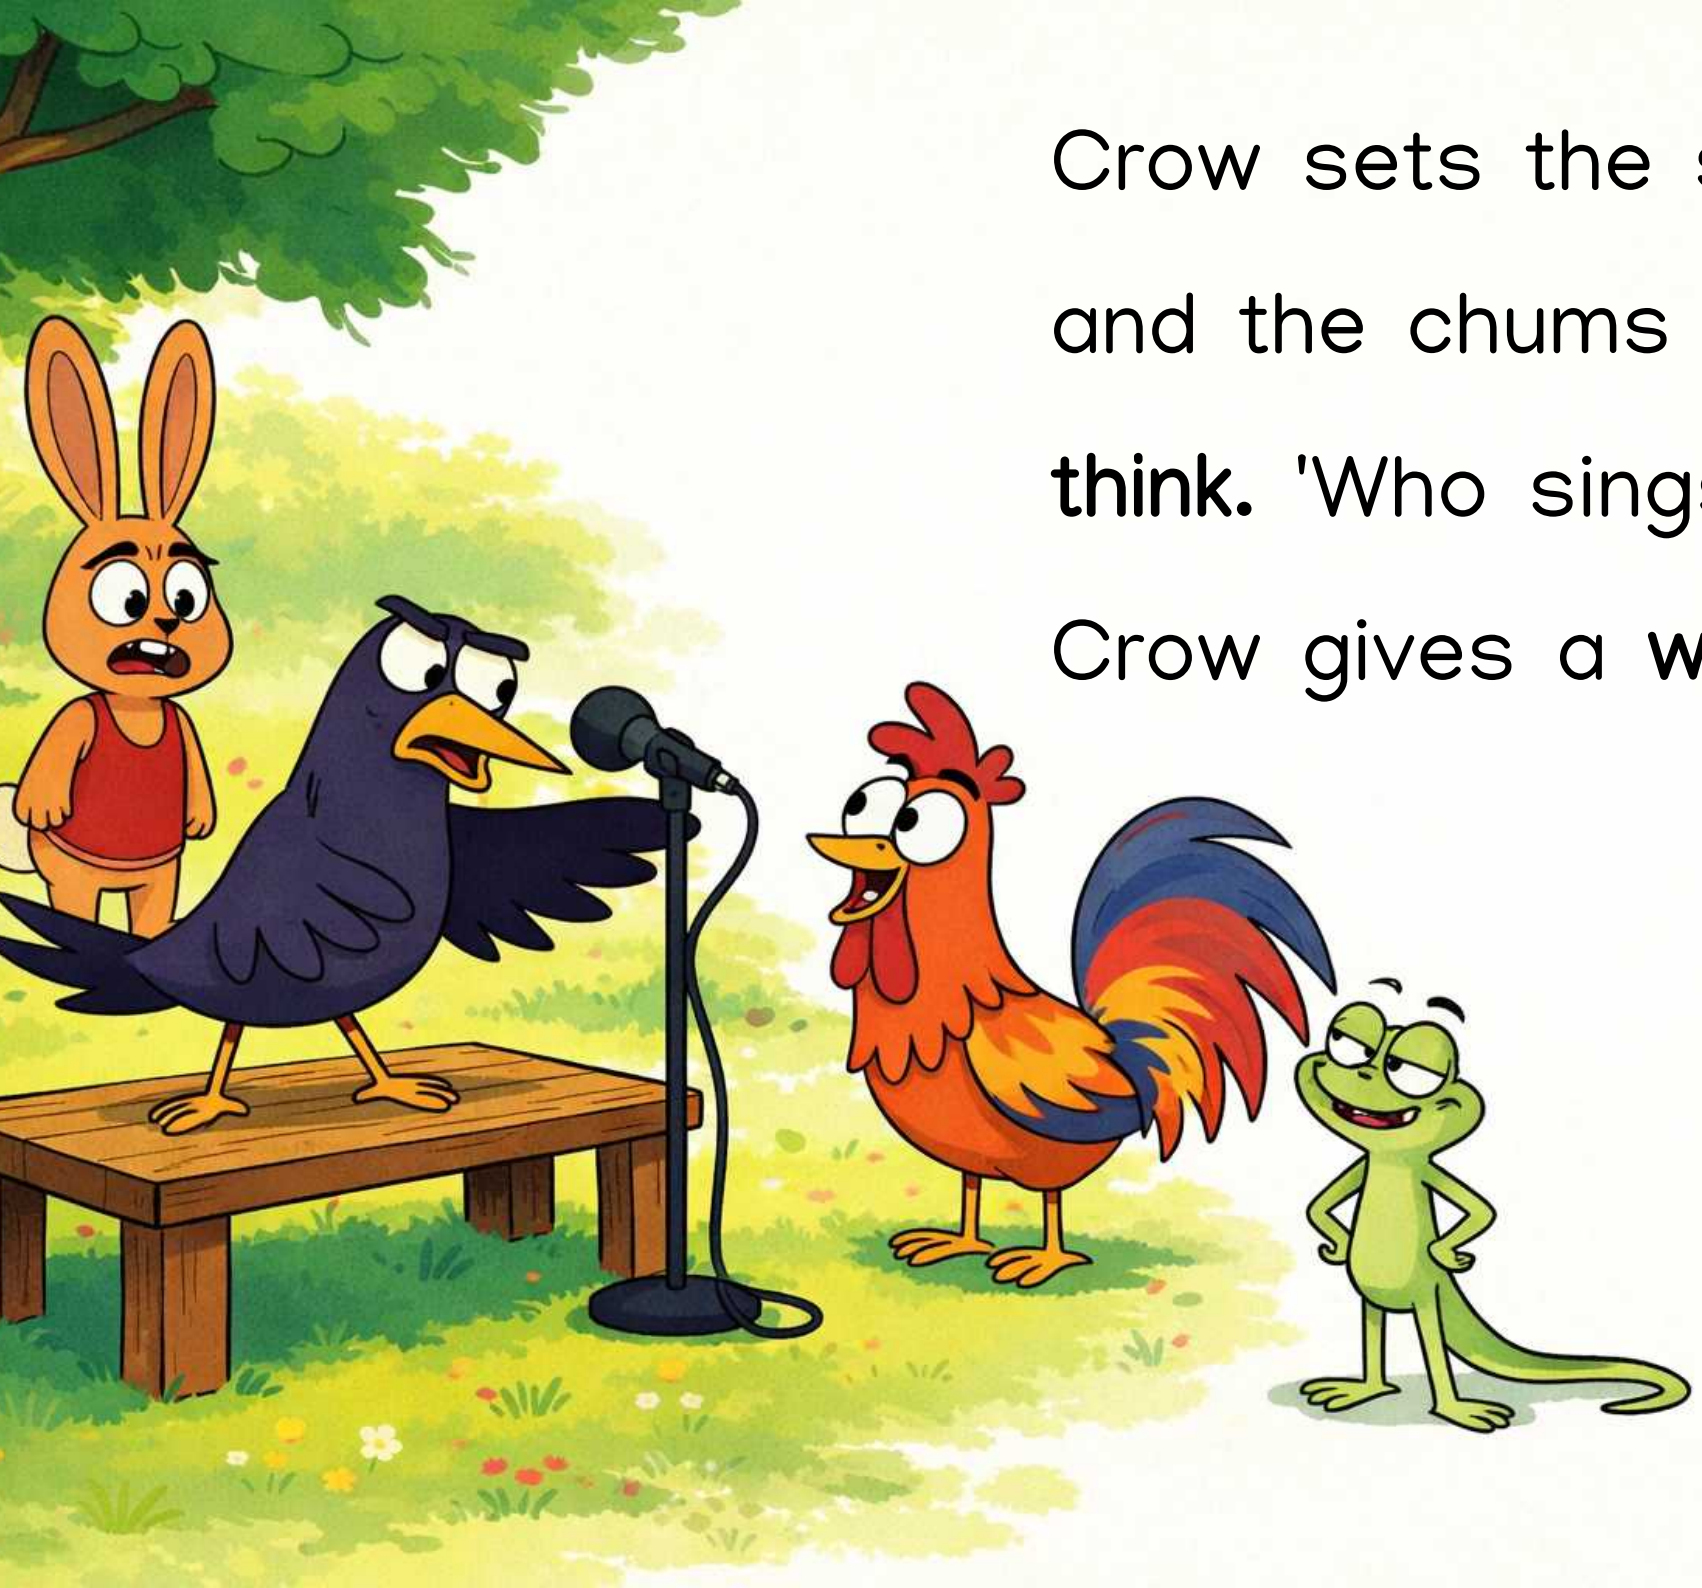


Crow won't **sink** low or just stand **blank.** He **blinks,** then **thinks** up a plan on the **bank!**

This branch is thin. That branch **stinks**! Crow hops to a **trunk** and **thinks.**

Crow sees a post, flat as a **plank.** He stops so fast his legs go **clank!**

'That's a fine stage!' Crow **thinks** with a **wink.** Off he flits to fetch chums in a **blink!**

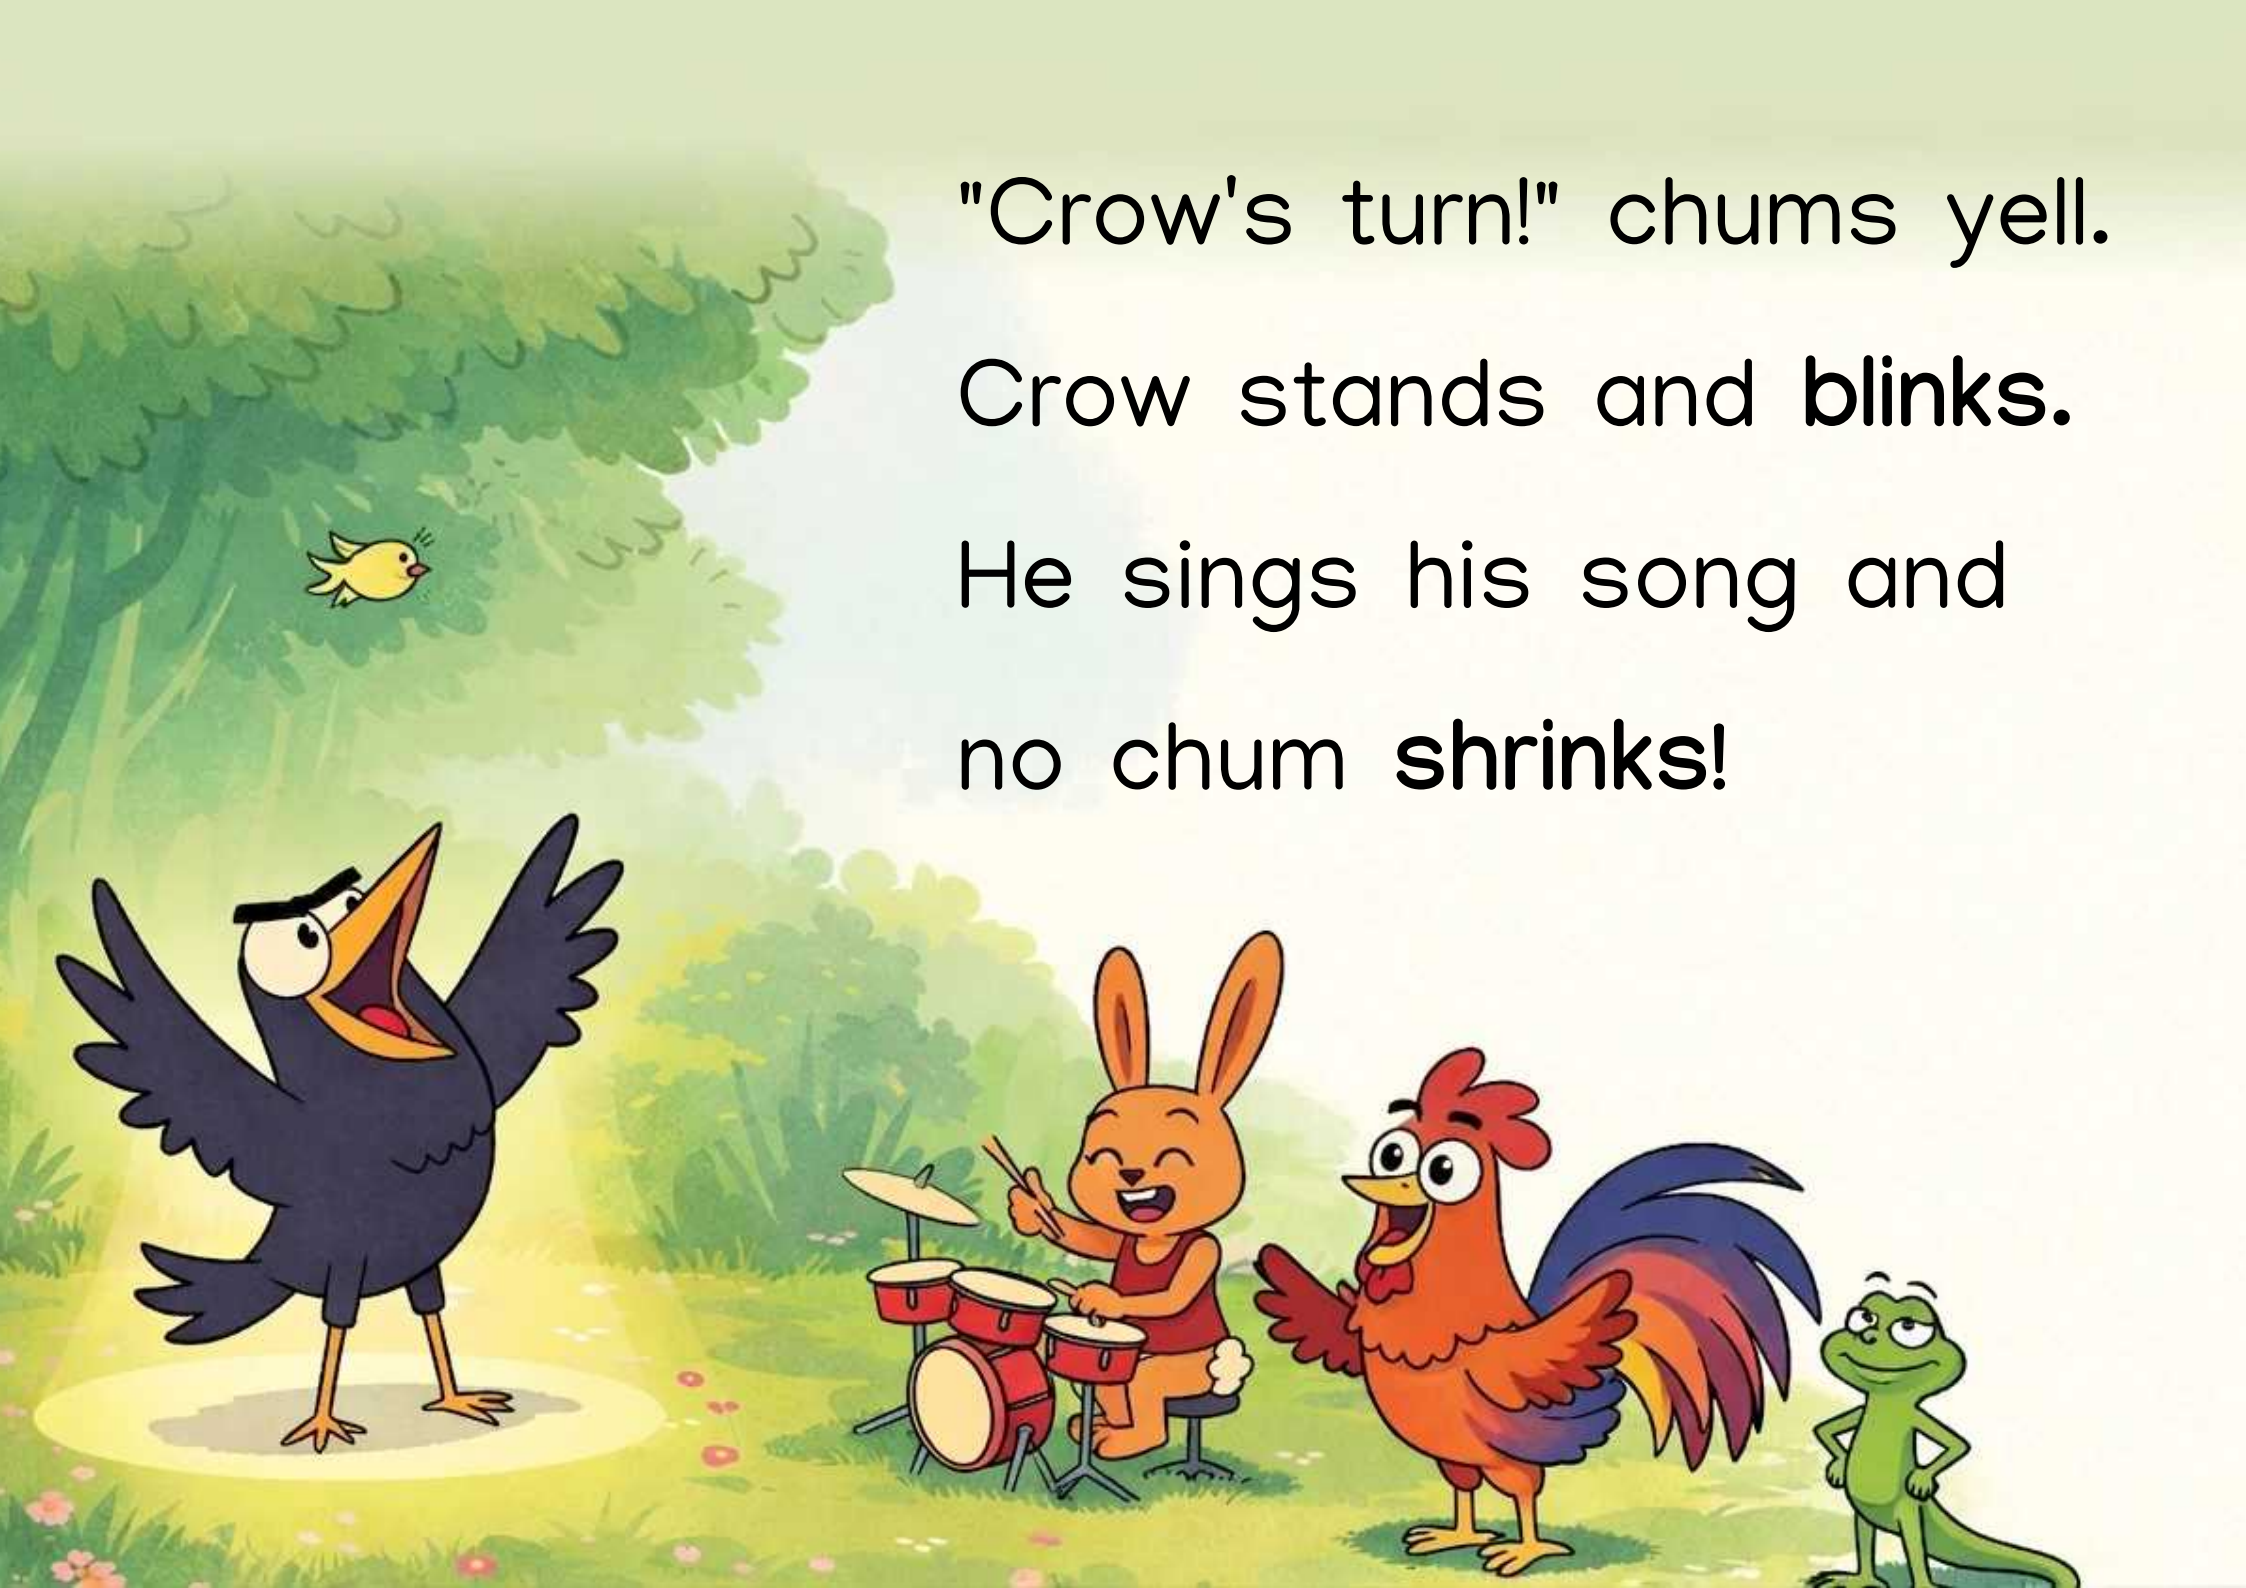


Crow sets the stage and the chums stop to **think.** 'Who sings first?' Crow gives a **wink!**

Frank steps up. He **thinks** he'll **flunk.** Frank sings so well, he is no **punk!**

Pink sings soft, then sings with skill. Hank's legs go **clunk,** he can't sit still!

Hank grabs the drums and makes them **clank.** He drums so fast that Frank yells **"thanks!"**



"Crow's turn!" chums yell.

Crow stands and **blinks.**

He sings his song and

no chum **shrinks**!

Crow's song still **stinks**, but chums don't mind. They play as a band, so glad, so kind!

NK

Crow, Stop Singing!

Crow has a big plan - he's going to WOW the animals with his amazing singing voice! But when he opens his beak, Hank, Pink, and Frank bolt away in a blink. Was his song really that bad? Can Crow find a way to win his chums back, or will he sing alone forever? Hop onto the stage and find out what happens when Crow hands over the microphone! This decodable reader practices the nk sound in words like 'blink,' 'thank,' 'clunk,' and 'trunk.'

Reading Skills: <nk>

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
