

**Did The Wind
Do This?**

Dr. Can Do
lifts a plank.
Bang, bang! Jill
thinks the
windmill is just
junk.

Jill has a hot
dish and a
drink. "Stop and
rest!" Jill yells.
"Yes, yes," says
Dr. Can Do.

Clunk, clunk! A
big thing walks
in the grass
at dusk. Dr.
Can Do thinks
all is well.

Crash! The windmill is wrecked, and planks are all on the grass. Jill picks up a chunk of cloth.

Jill thinks and
thinks. The hut
is not a mess.
Just the
windmill is a
big mess.

They fix the
planks. At dusk
the windmill
stands tall. But
Dr. Can Do
thinks, what
wrecked it?

What a big
gust! It hits
Dr. Can Do,
and the top
spins fast.
Clank, clank!

A man is at the
windmill. He
winks. "It is fun
to spin!" he says.
Dr. Can Do is
mad, mad, mad!

Did The Wind Do This?

Dr. Can Do just built the greatest windmill this world has ever seen, plank by plank. So when it's smashed to bits overnight, on a day with no wind at all, he's baffled. Jill isn't so sure it was really an accident. What could have wrecked it, if the storm never came? Created to align with the UFLI Foundations scope and sequence (Lesson 52: nk /ŋk/), this book practices words like 'clank', 'clunk', 'planks', 'chunk', 'drink'.

Phonics Focus: nk /ŋk/

chunk, clank, clunk, drink, junk, plank, planks, thinks, winks

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
