

An Unofficial Minecraft Books

# Dig!

Alex is on  
the grass hill.

Alex has a  
big plan. Dig,  
Alex, dig!

Alex digs  
and digs in  
the hill.

Dust and  
grit spill.

Alex spots a  
cod in the  
dig. Alex  
grabs it and  
sniffs it.

Alex sets  
the cod at  
the hot log.  
Off Alex  
runs to dig.

The pit is  
big and dim.  
Alex must  
not slip. Still,  
Alex digs.

Cat spots the  
cod. Sniff,  
sniff! Cat tips  
the cod off  
the hot log.

Cat gulps the  
cod on the  
grass. Not a  
bit is left.

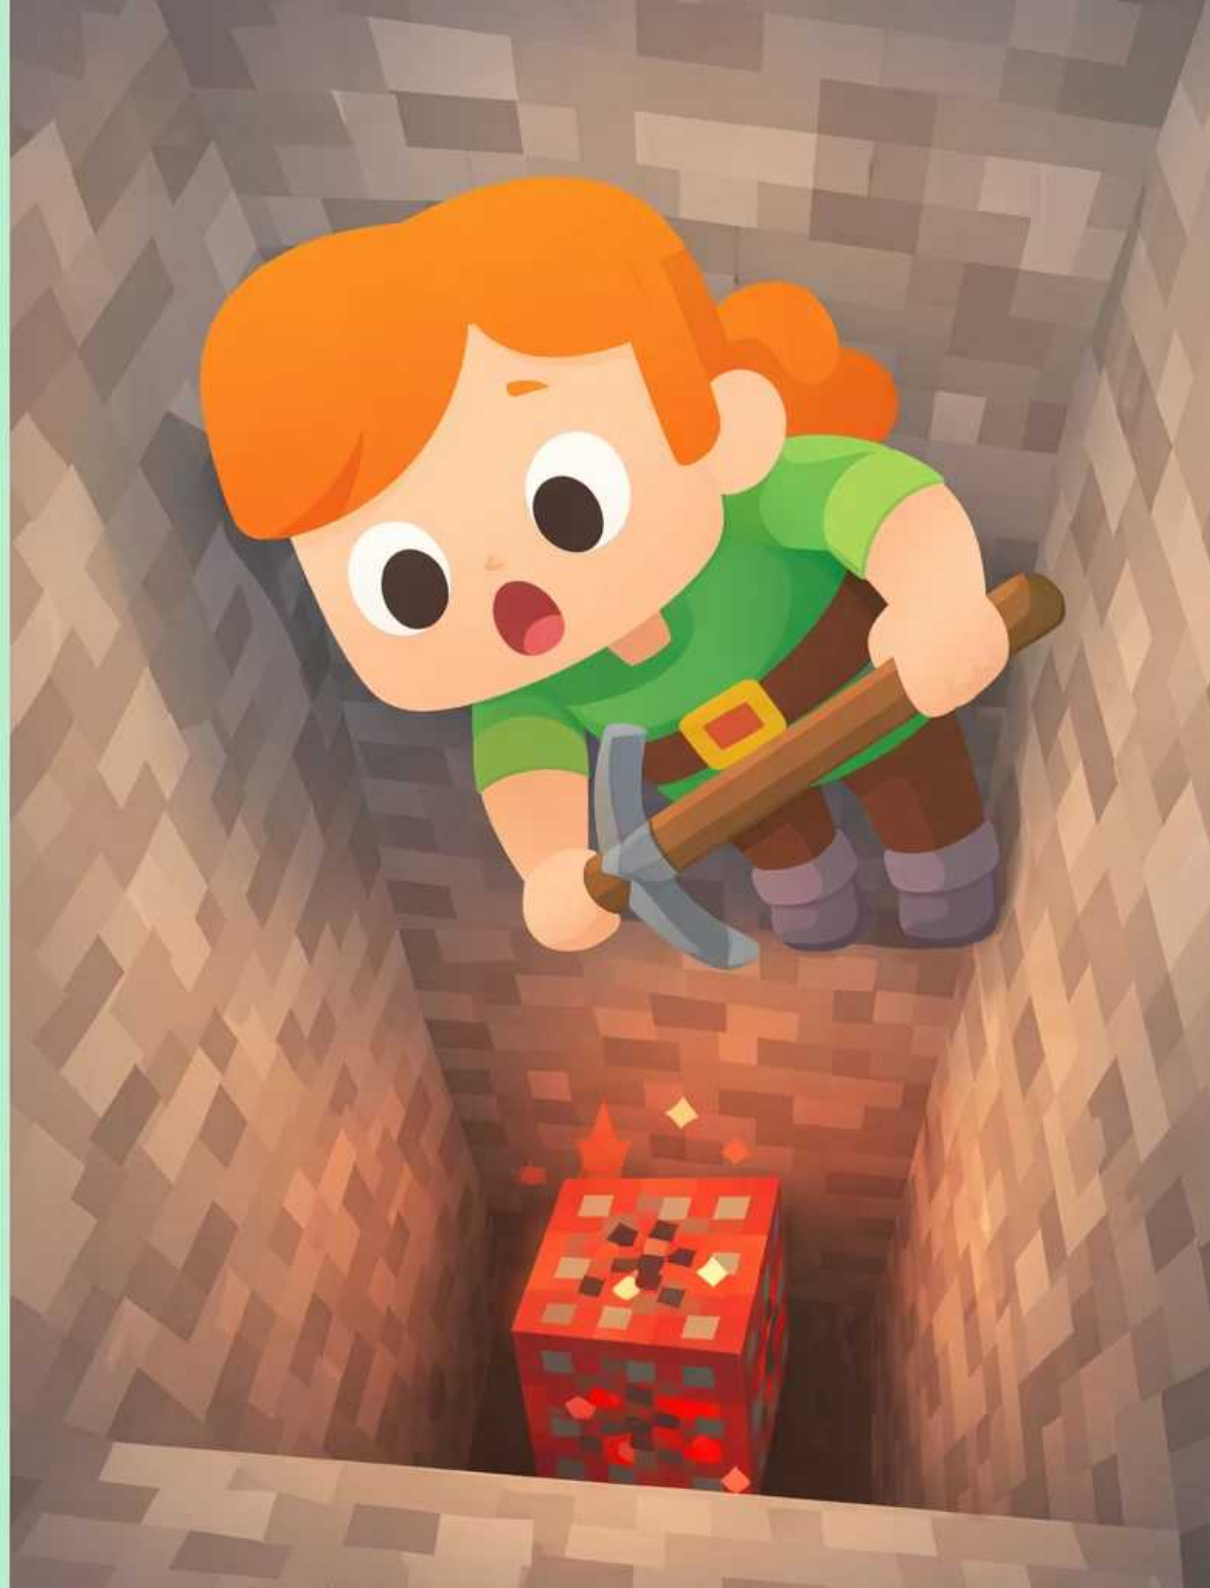

Cat trots  
off, up the  
big hill.  
What a bad  
cat!

Alex is in a  
big, big pit.  
Will Alex fill it  
in? Not yet!

Alex spots  
a red glint  
in the pit. It  
is bad, bad  
stuff!

Alex huffs  
and puffs up,  
up, up. Fast,  
Alex, fast! Do  
not slip!

Blast! What a mess! But look, a mass of hot cod is in the pit. Bliss!

## Dig!

Alex is sure something special is buried in the hill, and she's got her lucky boots on to prove it. Deep underground, she finds a strange surprise, sets it by the fire, and heads back down for more. Will her lunch survive the dig? Created to align with the UFLI Foundations scope and sequence (Lesson 42: FLSZ Spelling Rule (ff, ll, ss, zz)), this book practices words like 'hill', 'sniff', 'off', 'still'.

**Phonics Focus:** FLSZ Spelling Rule (ff/ll/ss/zz)

bliss, fill, grass, hill, huffs, mass, mess, off, puffs, sniff, sniffs, spill, still, stuff, will

### Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at [www.bookbotkids.com](http://www.bookbotkids.com).
