Dr. Can Do Thinks Big Things

Dr. Can Do never runs out of problems to fix, and now he's spotted a flock of shaggy sheep with wool thick enough to warm every home in the village. But shearing, building, and running a whole wool shop is a lot for one busy inventor to handle alone. Can he find the right helpers to get it done? Written for Jolly Phonics classrooms (Group 6: th as in this & th as in thin), this book practices words like 'thick', 'thinks', 'thanks', 'thud', 'that'.
