

Boy Grips, Brother Tugs!

Ben grabs the
animal, but Sam
grips it and tugs.
Ben tugs it back.
He is mad, and
Sam is mad too.

Bang! It drops
and it snaps.

Mum is mad.

Oops, it is bad.

Sam is sad, and
Ben is sad too.

Sam sits and feels sad. He is in a bad mood. He needs a spot just for him.

Look, a big
elephant! Sam
runs up to it. He
gets up on its
back and grips.
Zoom, zoom!

Sam is glad as
he zooms on
the big plain.

But look! Ben
sits at a big
tree.

A mad
elephant runs
at Ben. Boom,
boom, boom!

Run, Ben, run!

He sprints fast.

Ben gets up in
the tree. He
grips it and
hangs on. He
looks upset. Can
he keep his grip?

Zoom! Sam
speeds to the
tree to help Ben.

Hold on, Ben!

Sam can get to
him fast.

The mad
elephant tugs at
the tree. Crack!

Ben grips the
wood. Can he
hold on?

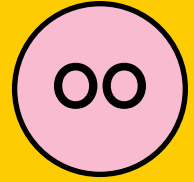

Sam gets up in
the tree too. He
grabs at Ben.
Grab on, Ben!
But Sam can not
get a good grip.

Swoop! The
trunk grips Sam.
It lifts Sam up!
He kicks and
kicks. Help, help!
Sam is in a
trap.

Blink! Sam sits up
in bed. It is just
a bad nap. Mum
pats Sam. Ben
grins, and Sam
holds on to Ben.
It feels good.

Boy Grips, Brother Tugs!

A boy finally has one thing his little brother hasn't grabbed: a small toy tractor. Then a real elephant appears in the yard, and he climbs on for a wild ride away from all the sharing and squabbling. But when he spots his brother alone under a tree, will their adventure turn into something far more dangerous? Written for Jolly Phonics classrooms (Group 5: oo as in moon & oo as in book), this book practises words like 'zoom', 'look', 'good', 'wood', 'swoop'.

Phonics Focus:

<oo>

boom, good, look, looks, mood, oops, swoop, too, wood, zoom, zooms

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
