

Clues in the Blue Rain

Gus is sad and
blue.

She sits and
lets the flute
sing a soft,
sad song.

The song
drifts out into
the wind. Blue
notes spin up
into the trees.

The sad song
continues. Green
drops drip from it.
The cloud soaks
up the drops.
Then the cloud
must cry too.

Drip, drop! Rain
lands on Brown
Rabbit and Black
Rabbit. A sad
song is in the
wind. That is a
clue!

Sun is wet and
sad. It is all
due to that sad
song!

Bee must help.
Off she zips!

Bee hums to
Pip in the
mist. The sad
song is a clue!
Pip and Bee
must seek it.

Pip asks
Brown Rabbit
to help with
the rescue.

He nods, and
off he hops!

Brown Rabbit
spots Gus. She
sobs and sobs.

She is sad for
Mum and Dad.
That is the clue!

Black Rabbit and
Brown Rabbit
jump up to hug
Gus.

Pip lands on Gus
too. It is a true
rescue!

The rain stops! Gus
sits with Brown
Rabbit, Black
Rabbit, Pip and
Bee. She will let
the flute sing a
glad song. It is
due!

Clues in the Blue Rain

A girl sits at her window playing her flute, and every sad note she plays drifts out into the sky and turns into rain. Down in the garden, a rabbit, a bird, and a bee notice the strange storm and follow the clue of the music to find out who is crying. Can they find her in time to help? Written for Jolly Phonics classrooms (Group 7: ue /ue/), this book practises words like 'clue', 'blue', 'due', 'rescue', 'true'.

Phonics Focus: <ue>

blue, clue, continues, due, rescue, true

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
