

I Am the Best!

Roar! A trex
stomps up.

The dinosaurs
peek and look
and look.

Look! Wee ones, big
ones, and a wee
man at the end.

Zoom! A swift pack zips
past on the sand. The
pack can hunt as a gang.

The trex has
big, big fangs.
It stomps in
the hot dust
and looks
mad.

Long necks step
past in the hot sun.
The mood is good.

Ooh, look!

See its skin
and its big,
big grin.

A big mum
looks at the
wee ones in
the plants.
Ooh, a good,
good mum!

A wee kid
trots past on
the sand. Look
at its wee
footprints!

Look! It
stands up on
strong legs.
Its hands can
grab food.

The trex has
wee hands, but
look! The
hands can grip.
Wee hands
can be strong!

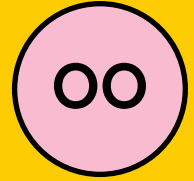

Long necks
stand up on
the rocks.

Look at the
big grins!

The trex
stands in the
sun and roars.
Roar, roar,
dinosaurs!
Good fun!

I Am the Best!

A tremendous, terrifying T-rex crashes out of the jungle, announcing itself as the greatest dinosaur who ever lived. But the other dinosaurs just look on, unimpressed, one after another showing off something the T-rex cannot match. Can the T-rex find something that makes it the best after all? Written for Jolly Phonics classrooms (Group 5: oo as in moon & oo as in book), this book practises words like 'look', 'good', 'food', 'footprints', 'zoom'.

Phonics Focus: <oo>

food, footprints, good, look, looks, mood, ooh, zoom

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
