

Jim Shouts Out

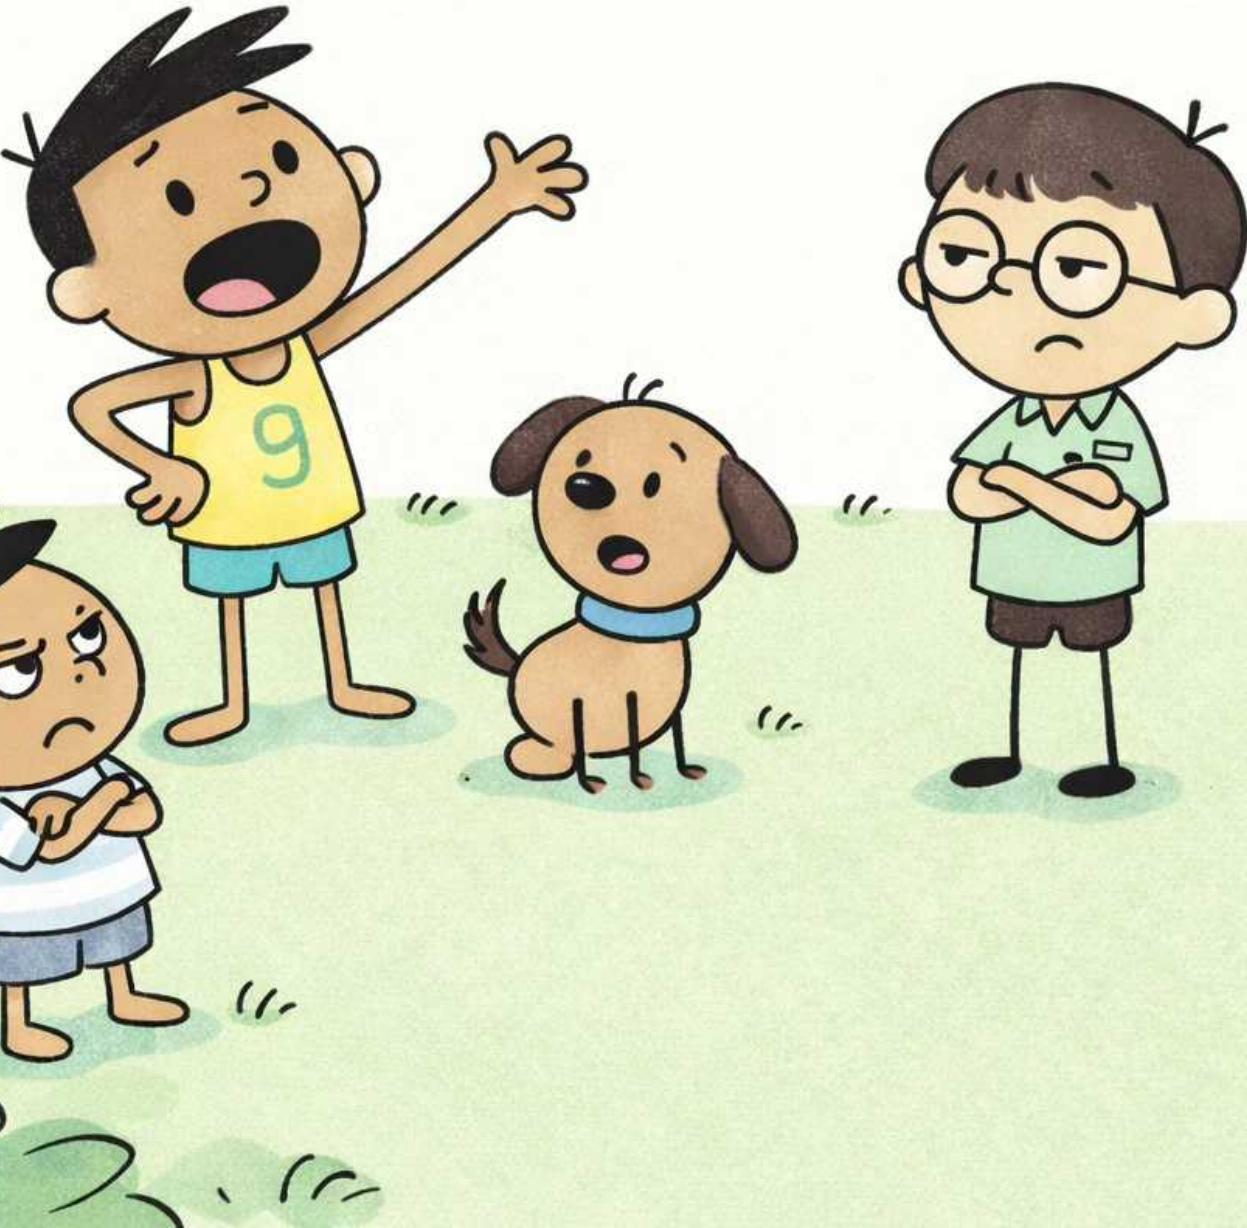

Jim runs on the
path and Pip
bounds past
him.

Len and a pal
shout out to Jim.

Len lifts up a
red sailboat,
proud as can be.

Jim's mouth
drops open as
he looks up at it.

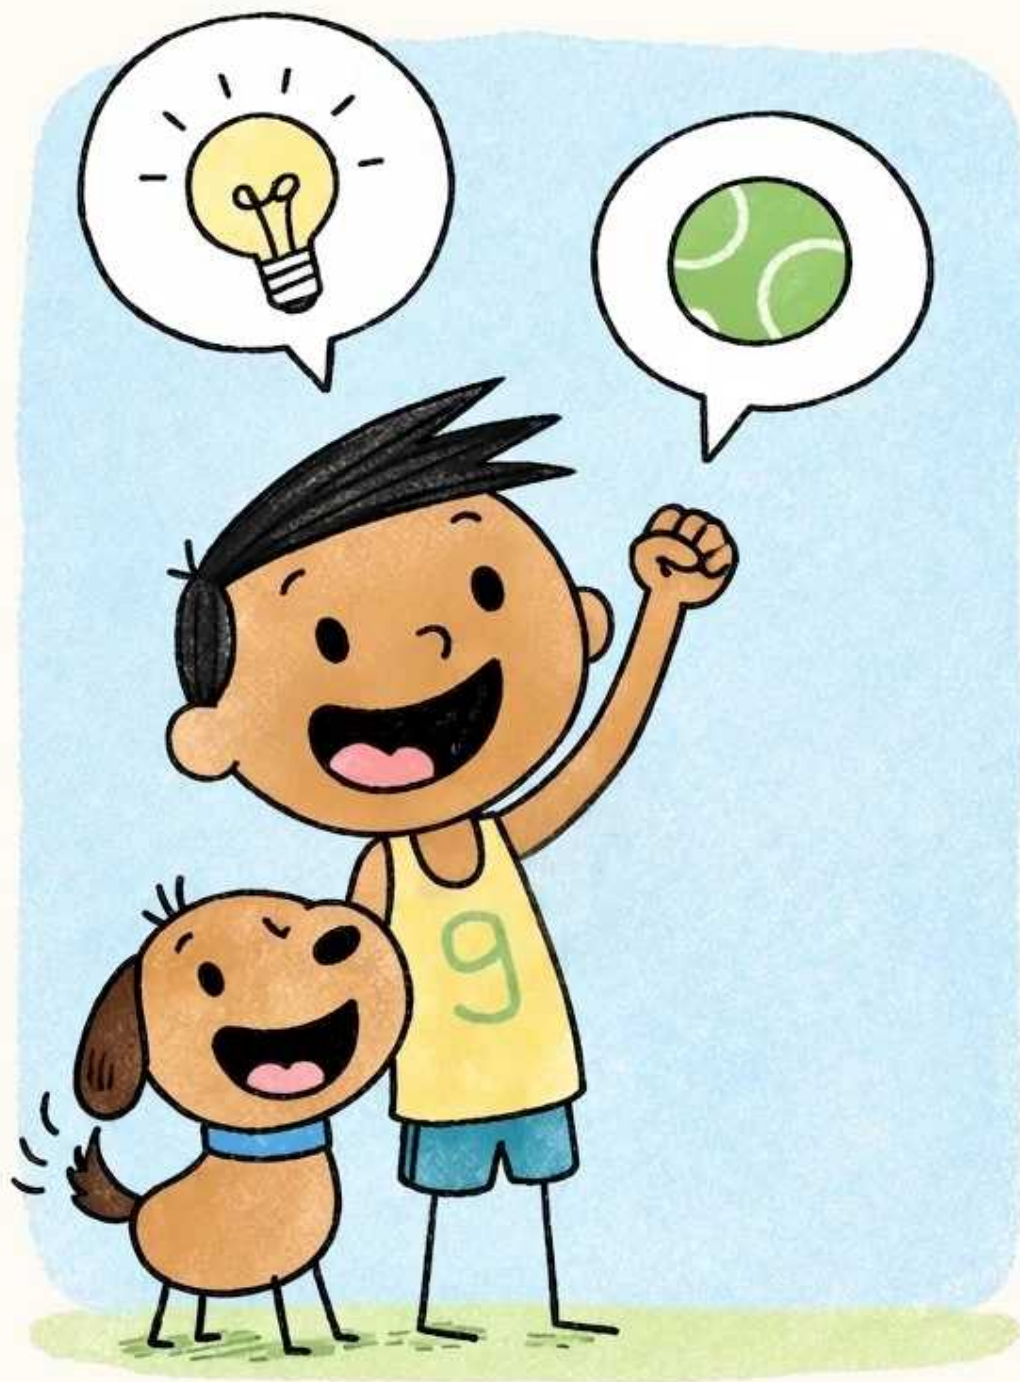

Jim brags
aloud about
the best kit in
his room. But
Len and the pal
squint at him.

Back in his
room, Jim
checks his
box. Just a
frog and not
much to count.

Then Jim thinks
up a plan and
shouts out loud.
Pip wags his tail
and bounds
about.

Jim grabs a big
plant in a pot.

He runs out with
Pip bounding at
his heels.

Next Jim scoops
up a dish with
wool and cord.

Pip crouches
and pats at the
wool.

Jim spots
Dad's box on
the shelf and
grabs it. He
grips it and
dashes out.

Jim lifts a big
stack with a fox
book on top. A
box is stuck on
Pip, snout and
all.

Jim dons a big
hat and grins
at himself. Pip
sits in a cloth
and looks
proud.

Len and the
pal round up all
the kit.

It is not Jim's,
and his cheeks
get hot.

Mum lets out a
loud shout.

Mum's bottle is
not at its spot,
and the pals
stand without a
sound.

The pals hunt
about the room,
but the bottle is
not found. Pip
crouches with
his snout to the
ground.

Pip hunts out the
bottle on the
ground! Jim
scoops him up
with a proud
grin, and the pals
clap and shout.

Jim Shouts Out

Jim races off with his pup, boasting to Len and a pal that he has the best stuff in the world back in his room, way better than any old toy boat. But when he checks his toy box, all he finds is a rubber frog and not much else worth showing off. Can Jim scrape together enough treasures from around the house to save face before tomorrow comes? Written for Jolly Phonics classrooms (Group 7: ou /ou/), this book practises words like 'shout', 'proud', 'ground', 'found', 'about'.

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
