

My Mane Has Style

Look at **my** hair! It is big and wild,
and it is full of clips. I grin and grin.

It is hot. My hair
is up, up in the
sky, and I sip my
drink in the
shade.

The Dog sits by
me in the sun.

We run fast on the
path. My hair is
flying behind me,
full of plant bits.

The Dog runs fast
too, but he can
not win.

It is cold, and
flakes fall from
the sky. I tuck my
face into my hair,
and I am snug.
The Dog is cold,
but he is spry.

Then I snip my hair. I
cut it all off. The Dog
looks at me as if to
ask, 'Why, Jade, why?'

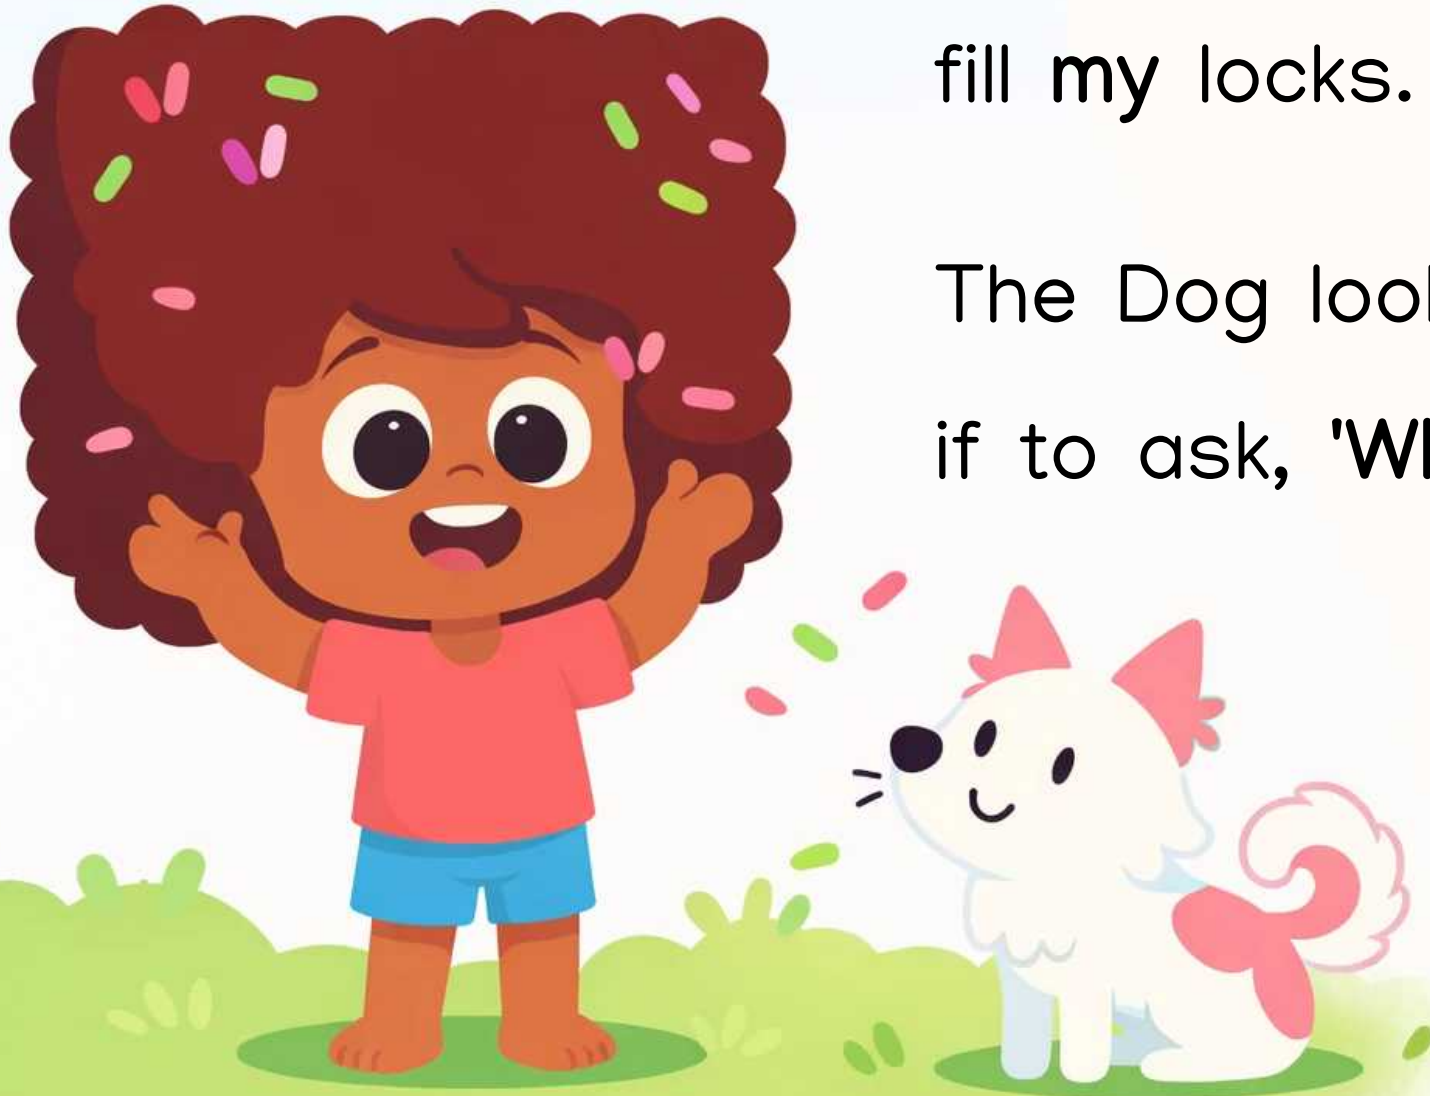

My hair is back at
last! I rest in the
grass, and small
bugs walk on me.

The Dog naps by
my side.

This time I try a big box
shape! Pink and green clips
fill my locks.

The Dog looks up at me as
if to ask, 'Why, Jade?'

When I sketch, I
tuck my pens into
my locks. Pink pen?
Grab it!

Then The Dog
pokes his face from
inside my hair. He is
spying in there!

Mum says my hair is
like a nest. Winged
things fly in and
make a home on top.

The Dog sits up
there too, and he is
not shy.

The wind gusts,
and my hair is
flying up like a big
flag.

The Dog is by my
side, and we grin
at the sky.

Mum brushes my hair and adds bands,
pins and clips. The Dog pokes his face in
by my locks, and Mum clips one on him
too.

Will I snip my hair
off? No, no, no!

My long locks
satisfy me. Plant
bits fill them, and
I grin and grin.

My Mane Has Style

A girl's hair has a mind of its own, blocking the sun like an umbrella, flying behind her like a wave of leaves, and even keeping her warm in the snow while her dog watches in wonder. But when she cuts it all off one day, will she ever let it grow long again? Created to align with the UFLI Foundations scope and sequence (Lesson 73: y /i/), this book practises words like 'my', 'sky', 'fly', 'try', 'shy'.

Phonics Focus: y /i/

by, fly, flying, my, satisfy, shy, sky, spry, spying, try, why

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
