

Not My Best Socks!

Pam has lots
and lots of
socks. She
hugs the socks.
What a plush
stash of socks!

Pam has a small
box of the best
socks. She lifts
the lid. Gosh,
the best socks
are so posh!

The best
socks are
lost! Pam is in
shock. She
must hunt for
the socks.

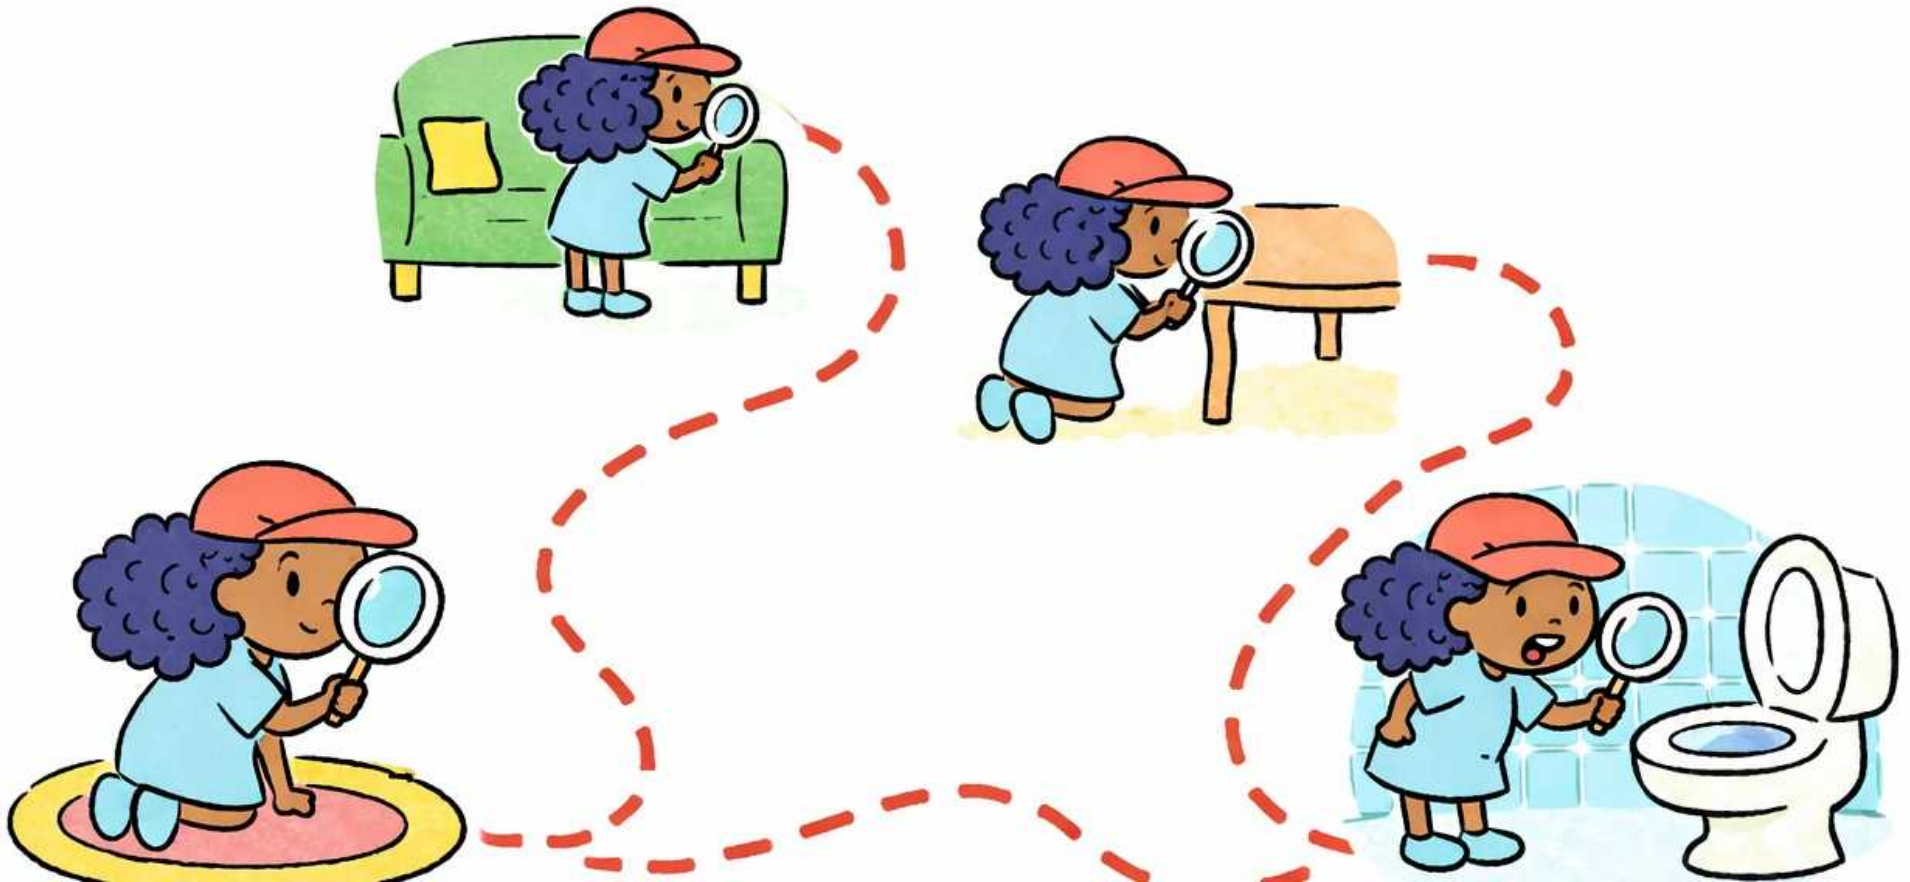

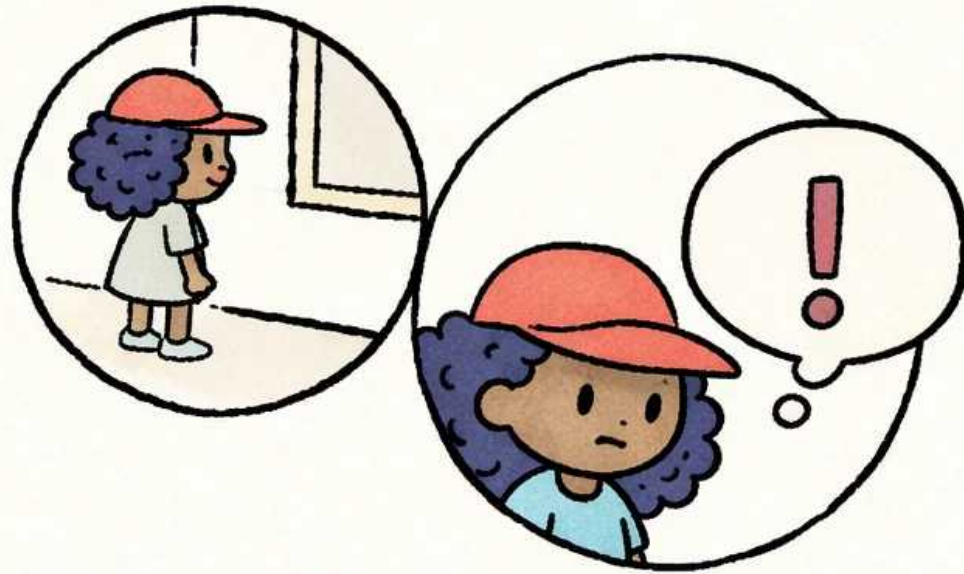

Pam has a
wish. She
wants the
best socks
back.

Pam grabs the glass in a flash.

She hunts and hunts. No socks.

A scrap! It
is a bit of
the best
socks. What
a shock!

Hush! Pam
looks in with
the glass.
What is Mum
up to?

Pam runs in in a rush. "Mum! The best socks!" But Mum just grins. Mum has a big plan!

Gosh, it is a doll!
A plush doll from
the best socks!

Pam hugs Mum.

The doll is the

best! Pam has

a fresh wish:

lots of dolls!

Pam grabs a
sock and drags
Mum. "Dash,
dash!" Pam
yells. "Hunt for
socks!"

Pam and Mum
sit on the bed.
What a big
stash of dolls!
Pam is so
glad.

Not My Best Socks!

Alana treasures her socks more than anything, keeping her very best pair tucked safely in a small box. So when she opens the box one Monday and finds it empty, she grabs her looking glass and marches off to investigate. Who could have taken her precious best socks? Created to align with the UFLI Foundations scope and sequence (Lesson 45: sh /sh/), this book practises words like 'gosh', 'shock', 'wish', 'hush', 'rush'.

Phonics Focus: sh /sh/

dash, flash, fresh, gosh, hush, plush, posh, rush, shock, stash, wish

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
