

What Was That Thump?

AN UNOFFICIAL MINECRAFT BOOK

Wham,
wham, wham!
Skel sits up
in bed. What
a din!

A set of
llamas is on
Skel's land.
They whish
and they
stomp.

Skel stands
tall and yells
at them. When
he yells, the
llamas sit still.

Whump,
whump! A big
mob of them
fills the path.

Zom is at his pig pen. Skel asks Zom to help, but Zom will not whisk them off.

The crops are a mess. Skel gets a whiff of llamas on his land.

Zom has a
plan. He gets
straps on the
llamas and
whisks them
off the land.

No whish
and no
whomp. Skel
can rest at
the pond.

The llamas
whizz back!
They rush in
and fill up
all the land.

Skel yells at
them. Whap,
whap, the
llamas spit
at him!

Zom gets a
whiff of him.
What a
mess Skel
is!

Zom gets his
flask and dabs
at Skel. When
Skel is well,
they will fix
this mess.

Skel wakes to a floor-shaking racket outside, and the culprits are three llamas dancing across his farm like they own the place. Shooing them off does nothing, and soon dozens more show up to trample the crops and fill every corner of the yard. Can Skel and Zom find a way to get the llamas off their land for good? Created to align with the UFLI Foundations scope and sequence (Lesson 50: wh /w/, ph /f/), this book practises words like 'wham', 'whap', 'whiff', 'whisk', 'whomp'.
