

Anansi and the Odd Rock

Anansi
sees an
odd moss
rock. What
can it do?

Anansi calls,
'What an odd
moss rock!' Then
he flops back
and has a nap.
Anansi wakes up
with a big grin.

Anansi has a plan. Why not get all the snacks by the rock? He runs to Elephant.

'Come see this
rock,' Anansi
tells Elephant.
Elephant sits
and naps. Whiz!
Anansi grabs
the snack.

All the pals
come to the
rock. All of
them nap!
Anansi gets
the whole lot.

But Bush Deer hid by a fig tree.
She saw the whole trick. She did
not nap.

Bush Deer tells
the pals about
the trick.
Elephant sits
and thinks:
when will Anansi
be back?

Bush Deer has
a plan. When
Anansi comes
back, she will
say the words
first. The pals
hide and wait.

Anansi comes back with a Deer.

Bush Deer calls, 'What an odd moss rock!' Anansi naps in the moss!

The pals get
the whole lot
back. They
sit and snack
by the rock.
Anansi naps
in the moss.

Anansi wakes
up. Whew! 'We
all got the
words too,' Bush
Deer tells him.
Elephant gives
Anansi a snack.

Now the pals go to the rock in a bunch.

They share the snacks. And when a new pal comes, one calls, 'What an odd moss rock!'

Anansi and the Odd Rock

Anansi finds a strange moss-covered rock deep in the forest, one that hums with something that isn't quite sound and makes anyone who speaks to it fall fast asleep. Can a clever, greedy spider really trick every animal out of their dinner? And what happens when quiet little Bush Deer watches the whole scheme unfold? Young readers will love finding out. This Bookbot level practices the 'wh' sound with words like 'what', 'when', 'whole', 'whiz', and 'whew'.

what, when, whew, whiz, whole, why

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
