

Best Sock Box

Kim sorts all
her socks on
the rug.

Then she hugs
them hard. She
is glad!

Her best
socks sit in a
wee box. She
tucks the box
far under the
bed.

Kim peeks in the
box, but her best
socks are not in
it!

She grabs her
cap and **starts**
to hunt.

Kim stands and
thinks hard.

Her best socks
are pink with
dark spots.

The hunt **starts!** Kim checks under this and that with her lens, but no socks.

Kim spots a
scrap. It is
pink with dark
dots. Her best
socks! Cut to
bits!

Kim darts up and
peeks in with her
lens.

Mom is in the
room. What is
Mom up to?

Kim runs in. Mom
stitches and
snips.

Mom has a **smart**
plan for the
socks!

Mom hands Kim a doll
with a hat and a frock
with dark dots.

It is a wee Kim!

Kim hugs Mom
hard and grins.

The doll is the
best, the best,
the best!

A big sock hunt
starts! Kim grabs
a worn sock.

She drags Mom
with her and
grins.

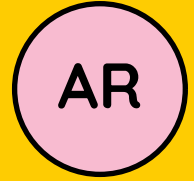

Mom and Kim
sit on the bed
with the dolls.

Kim grins and
hugs Mom.

Mom is a **star!**

Best Sock Box

Kim keeps her best socks in their own special box, safe under the bed. One Monday, she peeks inside and the box is empty! Grabbing her cap and her lens, Kim starts a hunt through the whole house. Could someone have taken her best socks? Written for Jolly Phonics classrooms (Group 7: ar /ar/), this book practices words like 'dark', 'hard', 'starts', 'far', 'smart'.

Phonics Focus: <ar>

dark, darts, far, hard, smart, star, starts

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
