Dot Hid

Dot loves her mom's pretty hair so much she wants some just like it - so she grabs the scissors and goes snip, snip, snip! But what happens when Dot peeks in the mirror? Can noodles, beans, or spinach save the day, or will poor sad Dot hide behind the couch forever? A giggly tale about big ideas, little mistakes, and the family who loves you anyway. This decodable reader practices VC/CVC short vowels in words like 'can,' 'hid,' 'set,' 'sad,' and 'ran.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
