

Kim's Locks Have a Plan

I am Jill. I have big hair,
and clips **click** in it.

It is hot. Big
hair can block
the hot sun.
The Dog sits
next to me
and pants.

Quick, quick! I

run fast on

the track.

The Dog runs

at the back.

Brr! I tuck the
hair up and I
am snug.

The Dog is
not snug.

I cut the hair off.

Yuck, I miss it! The

Dog is sad too.

It is back! I
rest in the
grass. The
Dog naps
next to me.

Look at this trick!

Pink and green clips
stick in the hair. The
Dog looks up at me.

I tuck pens
and wax
sticks in the
hair. The Dog
pops up from
it too!

A flock lands
on top of me!
Peck, peck.
The Dog is
up top too.

A big gust!
The hair flaps
back as a
flag. The Dog
and I grin.

Mom adds bands and pins.

Click, clack! The Dog wants a
band too.

Will I cut it?
No, no! I tuck
plant bits in,
and I have
the best luck.

Kim's Locks Have a Plan

Kim's hair always has a plan, whether it's blocking the summer sun or wrapping her up warm in winter snow. Her dog is always close by, watching every trick her curls can do. But when Kim decides to try something new with her hair, will her dog even recognize her? Created to align with the UFLI Foundations scope and sequence (Lesson 44: ck /k/), this book practices words like 'click', 'quick', 'stick', 'track', 'back'.

Phonics Focus: ck /k/

back, block, clack, click, flock, luck, peck, quick, stick, sticks, track, trick, tuck, yuck

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
