

Not a Sock in It!

Socks, socks,
socks! Meg is
glad.

She sits sorting
the socks, and
she hugs the lot.

The best socks
sit in a wee box.

Meg peeks in
and grins. She is
keeping the
socks snug.

The wee box
has a gap. No
socks in it! Meg
is mad, and
she is seeking
the best socks.

Meg longs for
the best socks.

Pink socks, soft
socks. She is
feeling sad.

Meg grabs the hand lens and
hunts. Peeking, peeking, but no
socks!

A wee sock bit
sits on the rug.
Spots on pink! It
is from the best
socks. Meg
gasps, feeling
mad.

Meg creeps up
and peeks in with
the hand lens.
She can see
Mom! Mom hums
a song. Snip, snip!

Meg runs in, mad
at Mom.

But Mom grins.

She is
transforming the
worn socks!

Mom brings Meg a doll.
It is from the best socks!
The doll has a cap and
a big grin.

Meg clings to
Mom in a big
hug.

She is glad, glad,
glad! The doll is
grand.

Meg grabs Mom
and runs. A big
sock hunt is on!
She picks up a
worn sock and
brings it to Mom.

Mom and Meg
sit on the bed,
sorting socks.

A doll for Meg,
and a doll for
Mom!

Not a Sock in It!

Meg loves her socks more than anything, keeping every pair sorted and snug. When her best socks vanish, she starts seeking clues, peeking under everything with her hand lens, feeling mad and sad by turns. What could have happened to her precious best socks? Written for Jolly Phonics classrooms (Group 5: ng /ng/), this book practices words like 'sorting', 'keeping', 'seeking', 'peeking', 'clings'.

Phonics Focus: <ng>

brings, clings, feeling, keeping, longs, peeking, seeking, song, sorting, transforming

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
