

Red, Sun, and Sky!

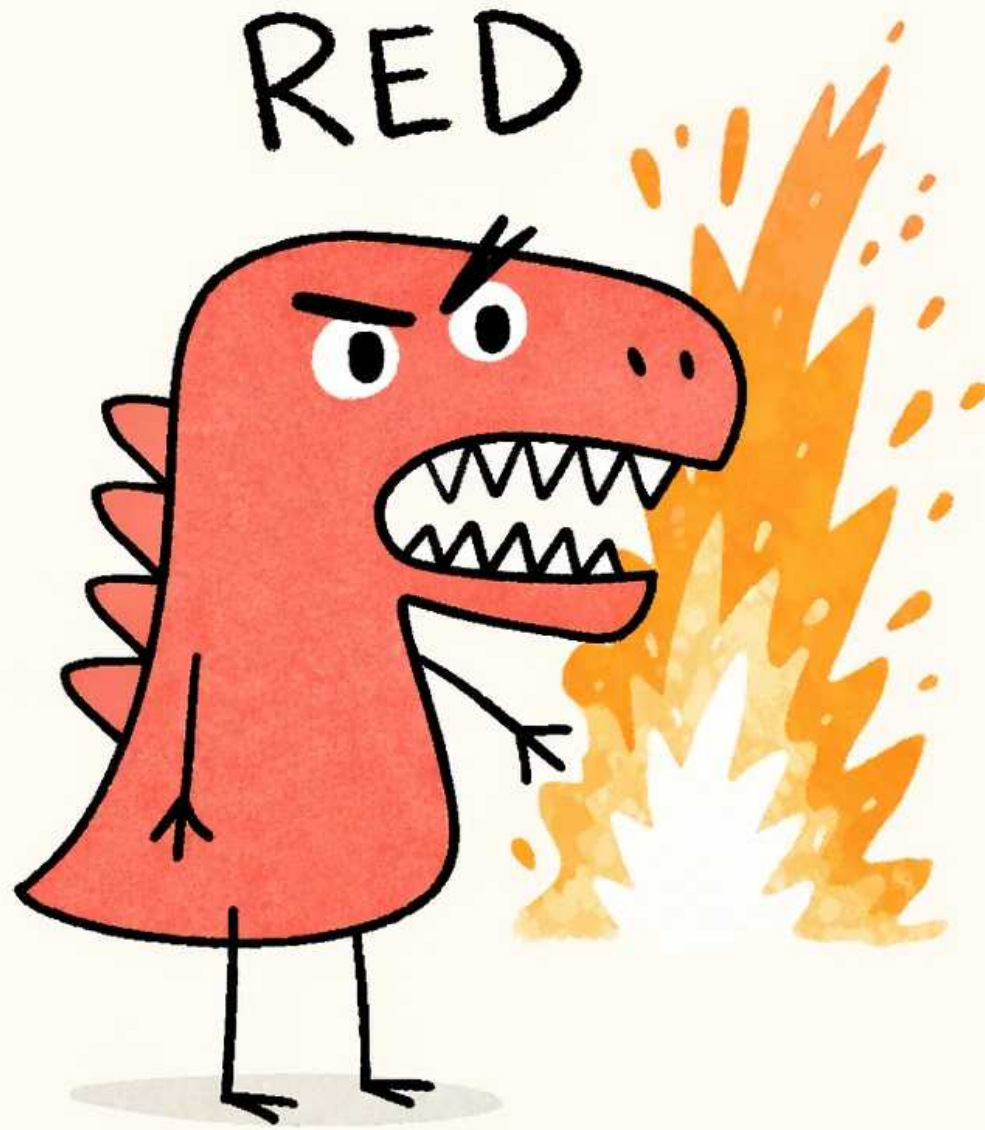

Rex, Sunny, and Zen zip
down from the sky. All
the homes **under** them
are dull.

'We will paint all the
homes!' yells Rex.

'But **remember** the rule,'
calls Zen. 'Don't mix all
three!'

Rex lands first. 'I am red!' yells Rex. 'Red is bold and sharp!' A big hot burst sparks up in back of him. Rex thinks red is the best.

Sunny lands in the sun. Cute bugs perch on the plants all around her. 'I am like the sun,' she says with a big grin. 'I am glad, glad, glad!' 'Can we start?' calls Zen.

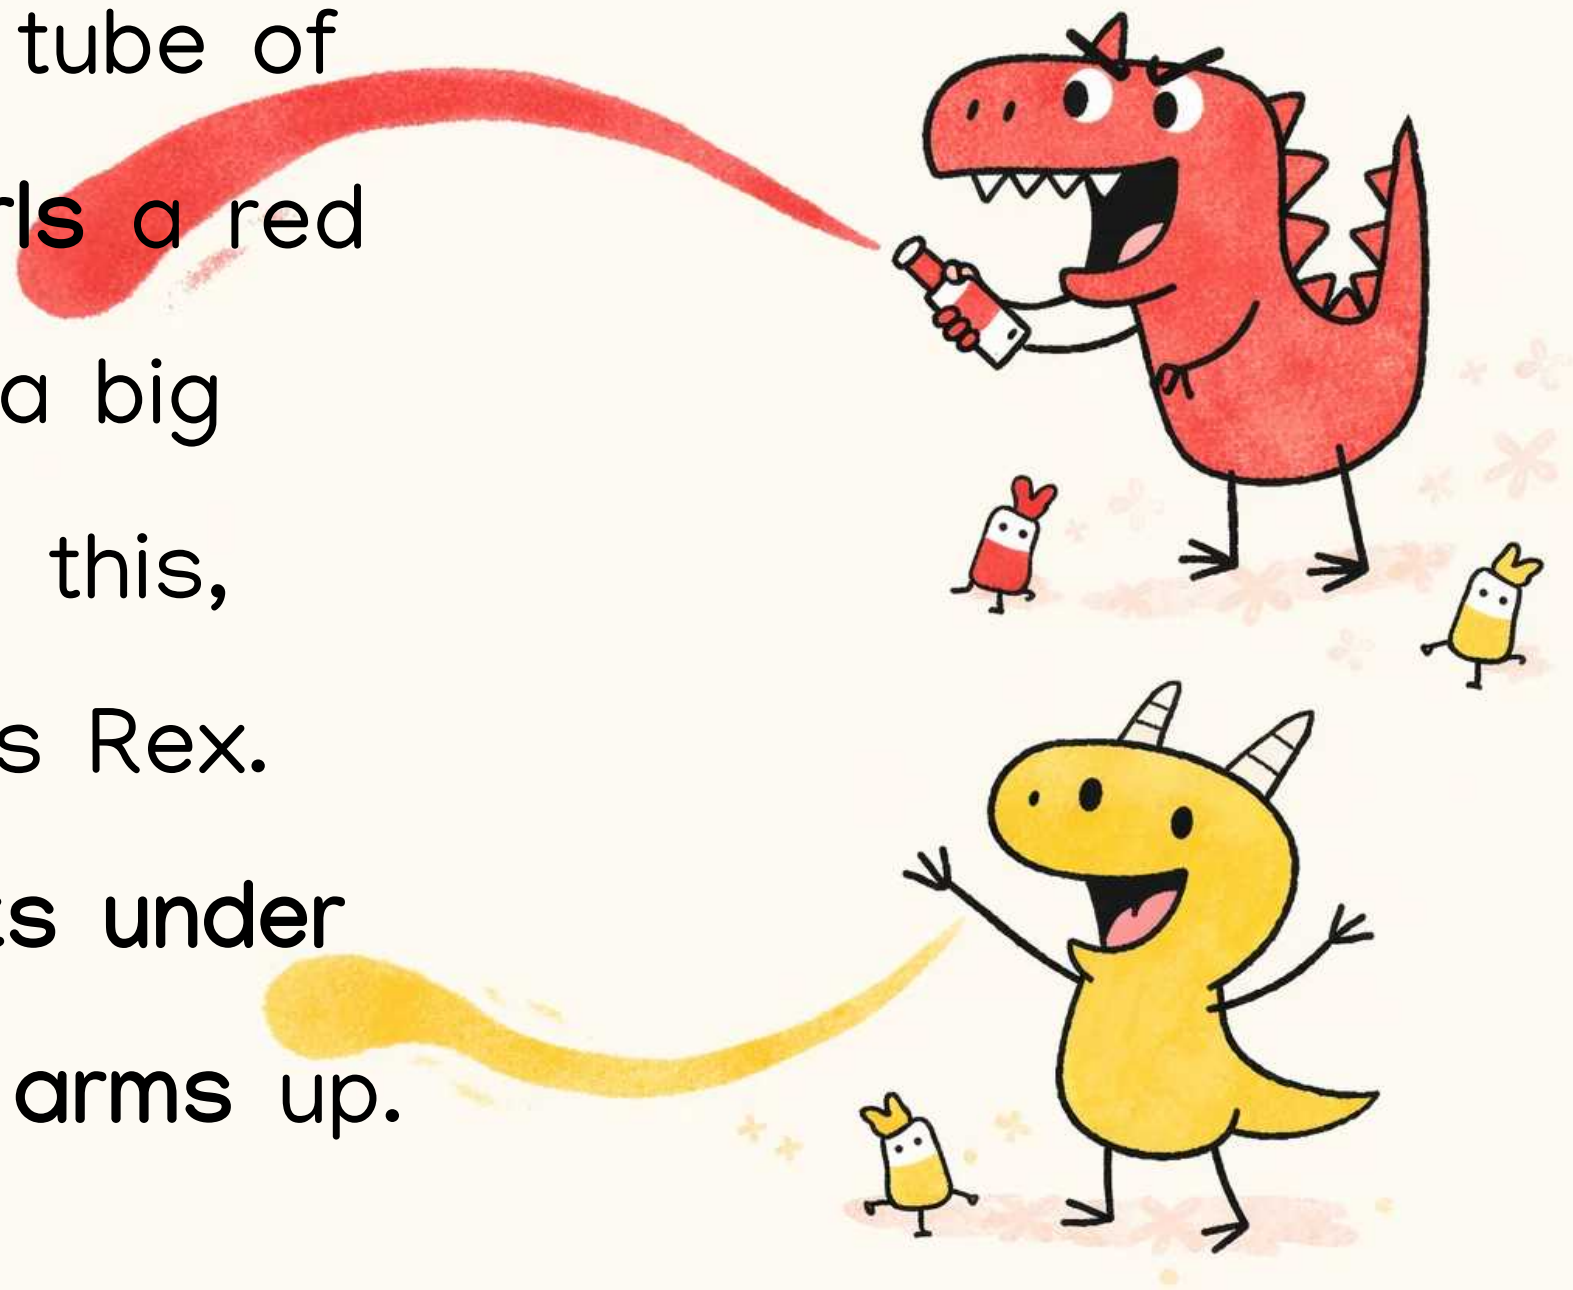

BLUE

Zen steps into the water. It is calm and still.

'I am calm,' says Zen. 'And I remember the number one rule. Don't mix all three!'

Rex has a tube of red. He hurls a red blob up in a big arc. 'Catch this, Sunny!' yells Rex. Sunny darts under it with her arms up. it with her arms up.

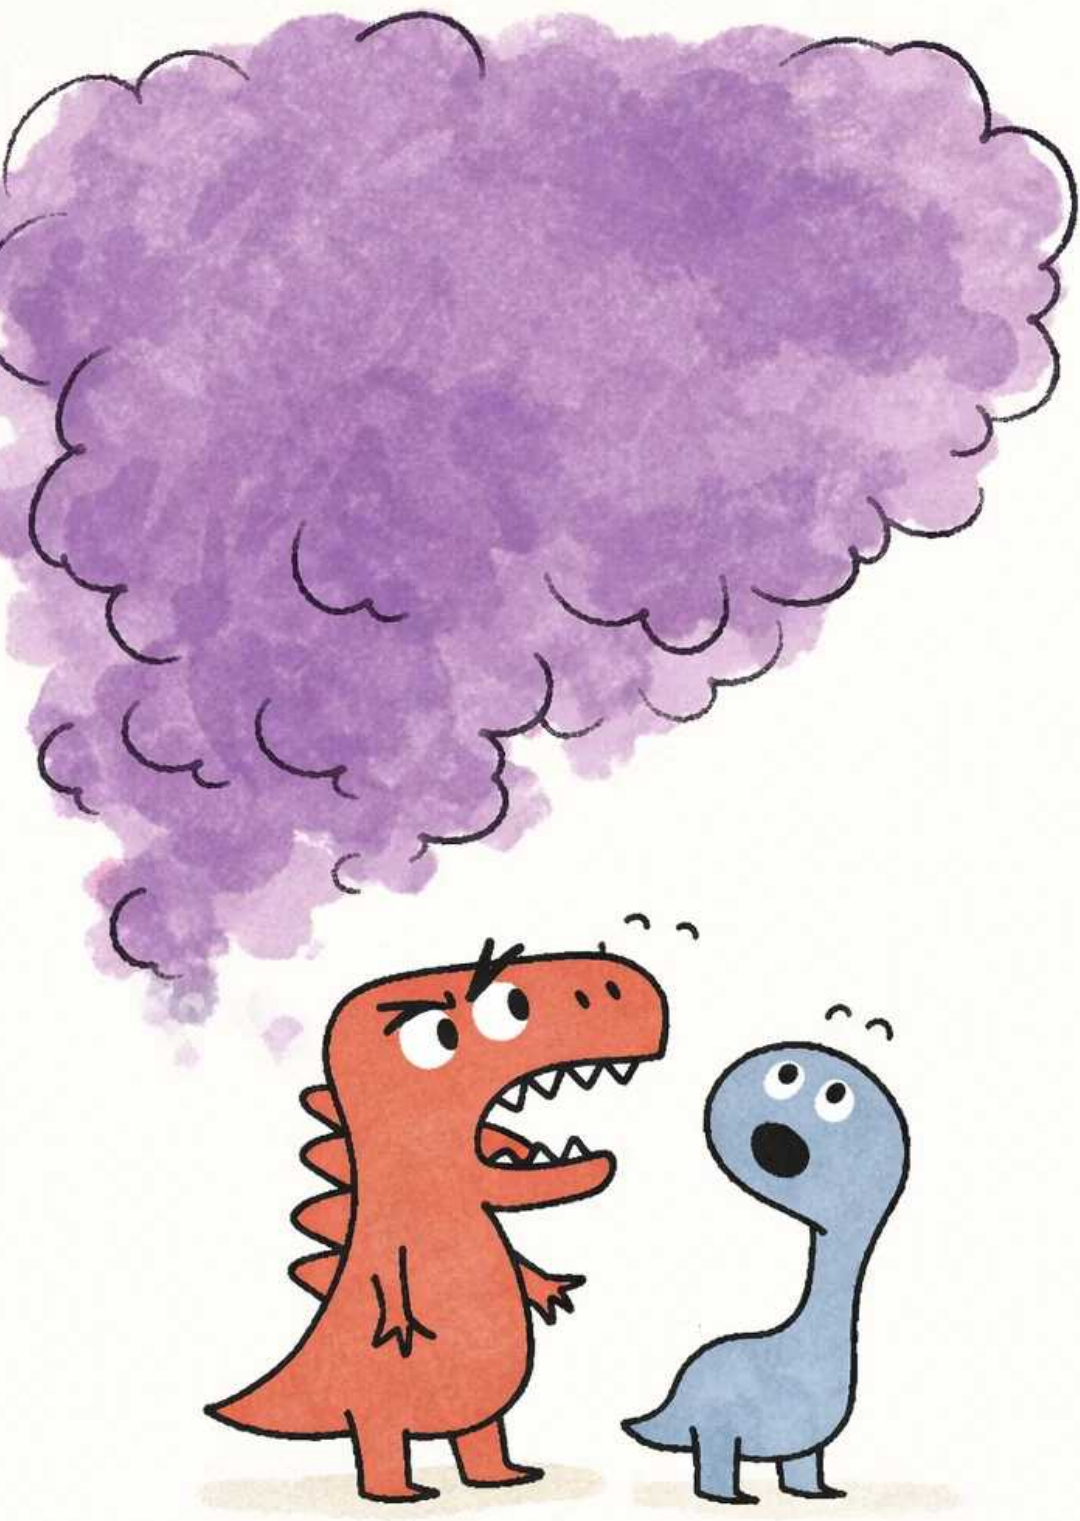

Splat! The two blobs
smash, and a big
burst is over them.
Rex and Sunny look
up. 'We can make a
fresh mix!' yells
Sunny. Rex smirks. 'I
am smart,' he says.

'My turn,' says
Zen. He sends a
blob far up into
the sky. Rex
jumps up to catch
it. 'Look sharp,
Rex!' calls Zen.

Splat! A big purple
burst is over
them.

'Purple!' yells Rex.
Zen looks up. 'It is
a perfect purple,'
says Zen.

'My turn!' yells
Sunny. She tugs
Zen by the arm.

Two blobs swirl up
over them. Zen
looks up. 'This will
be so pretty,' says
Zen.

Splash! A big fresh burst is all over them. 'It is like sun and water!' yells Sunny. Zen smiles. Then Rex gets a wild look.

'What if we mix all three?' asks Rex.

'No, no!' yells Zen.

'Never mix all three!

That is the rule!

But Rex grins. Sunny grins. They lift their tubes up. Then Zen lifts up a tube as well.

Bang! The blobs
smash in the sky. A
storm of color bursts
over all the homes.

The three stand and
look up. 'It is the
best thing ever,'
says Zen.

Rex stomps and
dances in the paint.
Splat, splat! Paint drips
from Sunny.

'Shall we do this **after**
supper?' asks Sunny.
'Yes!' yells Rex.

Zen smiles. 'I will bring
more paint.'

Red, Sun, and Sky!

Rex, Sunny, and Zen swoop down to paint the dull, gray homes below, but their leader warns of one strict rule: never mix all three colors at once. As they splash and mix pairs to make new colors, Rex starts to wonder what would happen if they broke the rule anyway. What happens when three dinosaurs get too curious for their own good?
