

Will Bess Fit?

Bess is a
big, plump
sheep. She
stops on the
hill and huffs.

Wham,
Bess is
stuck in
the gate!

Look at
that pal flip
up! She is
a whiz at it.

Bess bends
and flexes
on the mat.

Whump, she
flops!

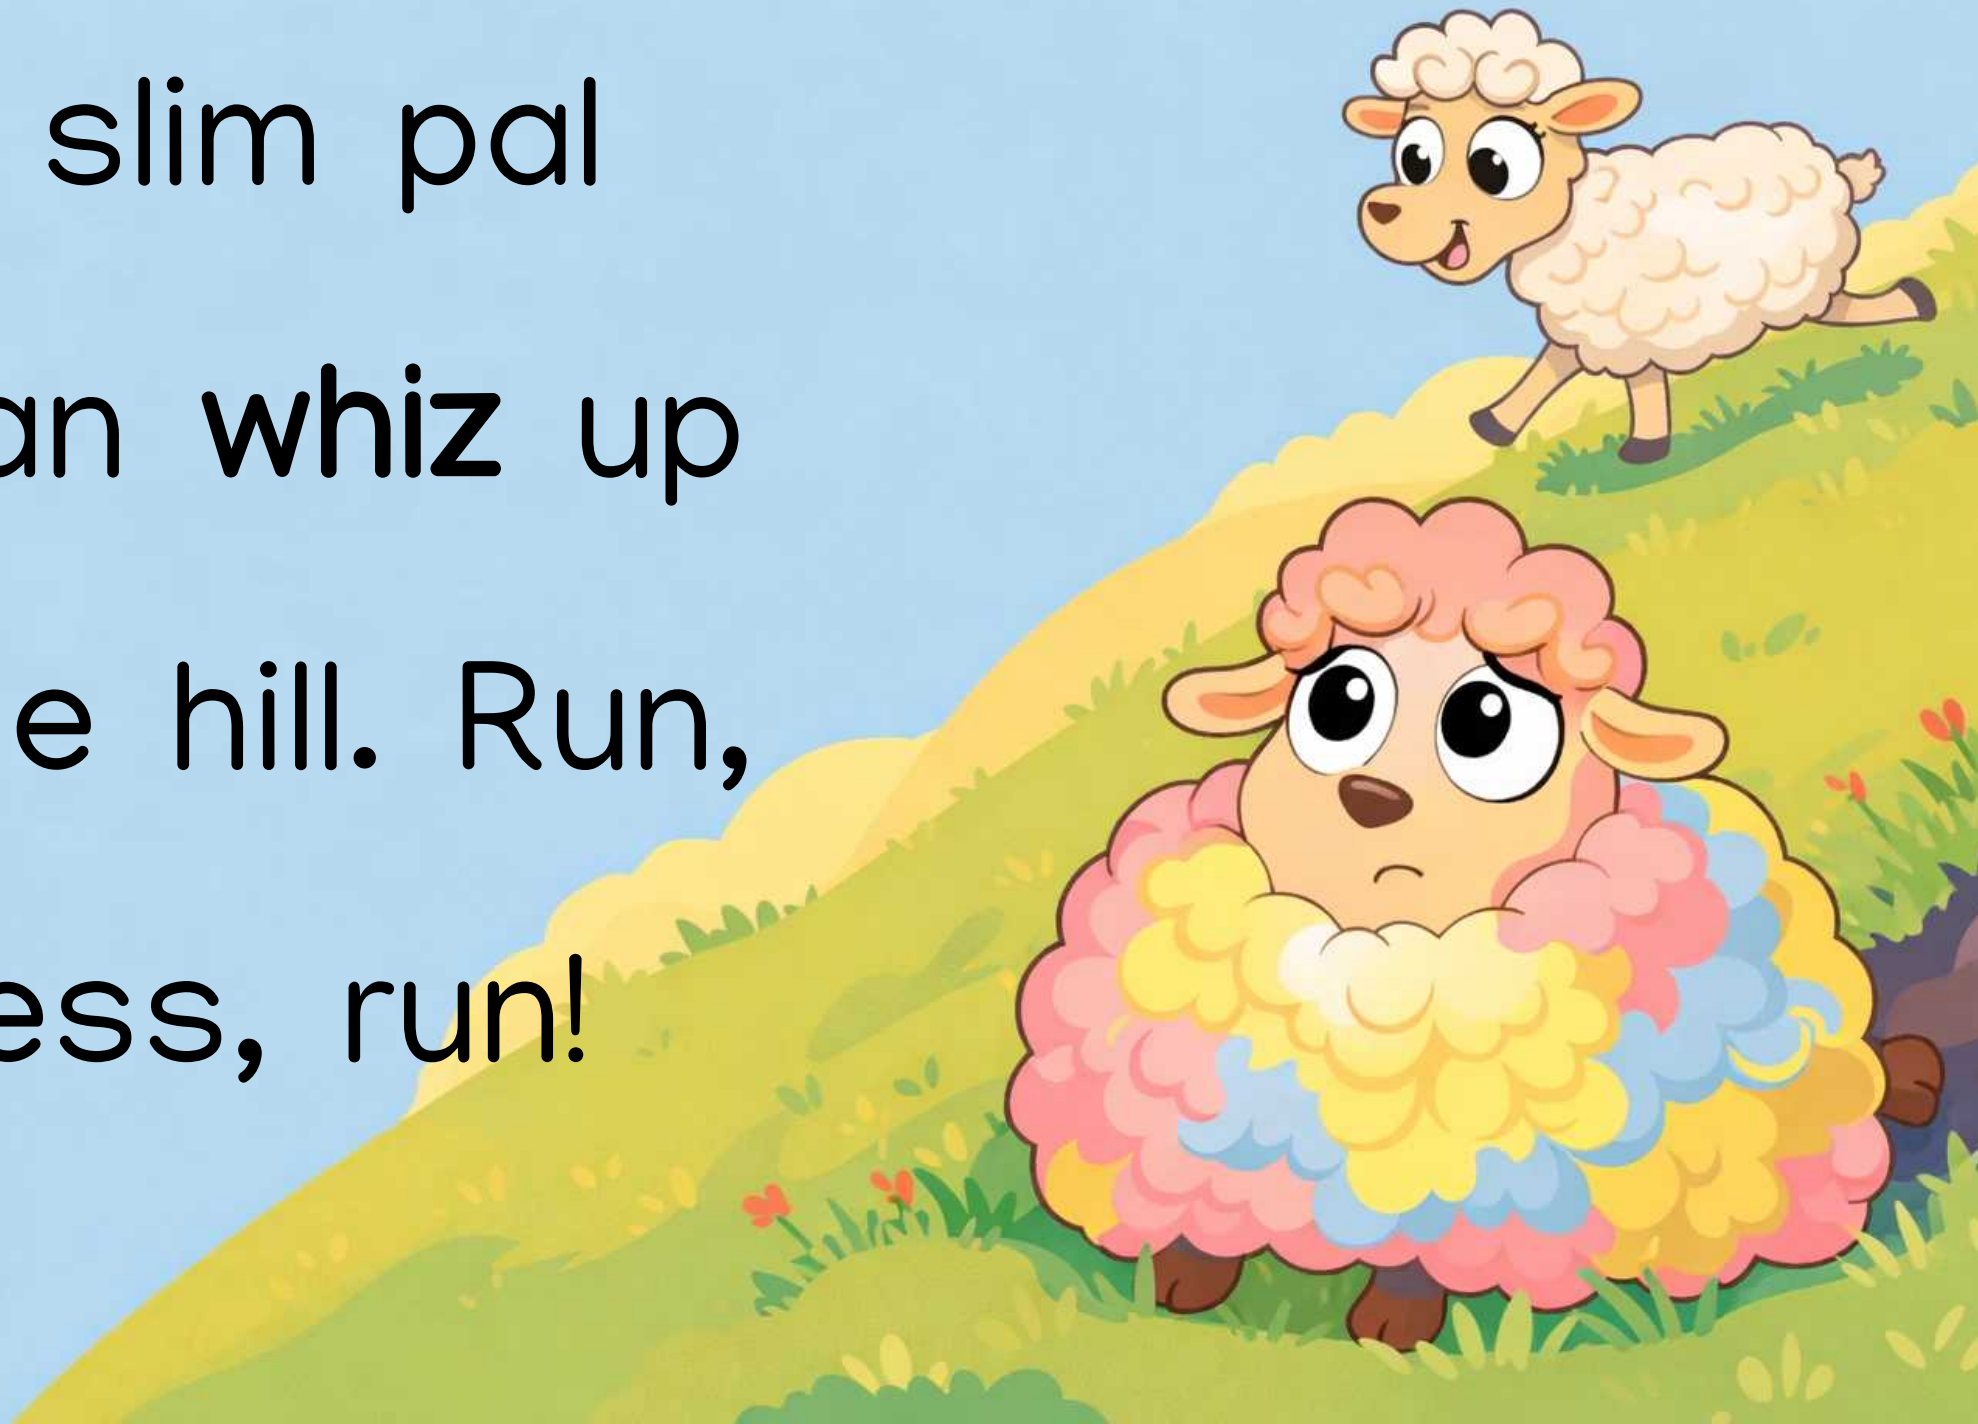

It is so hot,
but Bess
bends on and
on. Whish,
whish, flex!

Bess huffs when she
sees she is still big.

A slim pal
can whiz up
the hill. Run,
Bess, run!

Bess runs
and runs. She
pants, and
the legs go
whap, whap!

Bess sips
at the pond.
A pal in red
fins whisks
past.

Whomp!

Bess jumps
in with a
big splash.

Bess has
fun when the
sun dips.
But she is
still big.

Then,
wham! Bess
has a big,
big plan.

Bess whisks
up the kit
and the bag.
This will fix
that gate!

Whump!

Bess flops
in the bed
and rests.

The flock
asks and
asks. Which
plan did help
Bess?

Bess did not
get slim. But
look. The gate
is big! Bess
can whiz in!

Will Bess Fit?

Bess is a big, plump sheep who gets stuck tight in the farm gate on the way home. Friends offer yoga, running, and swimming to help her fit, but nothing seems to shrink her down. Will Bess ever make it through that narrow gate? Created to align with the UFLI Foundations scope and sequence (Lesson 50: wh /w/, ph /f/), this book practices words like 'wham', 'whump', 'which', 'whisks'.

Phonics Focus: wh /w/, ph /f/

wham, whap, when, which, whish, whisks, whiz, whomp, whump

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
