

Get It in the Net!

This is the
squad. Bob,
Zip, Hal, Hap
and Dog pack
in on the
grass.

Zip is quick
with the
ball. Dog
runs fast at
the back.

Bob has a
slick trick.

Flick, flick!

Bob spins off
with the ball.

Smack! I kick
the ball fast. It
hits the back
of the net.

What a kick, Ha! The
ball is up, up, up.

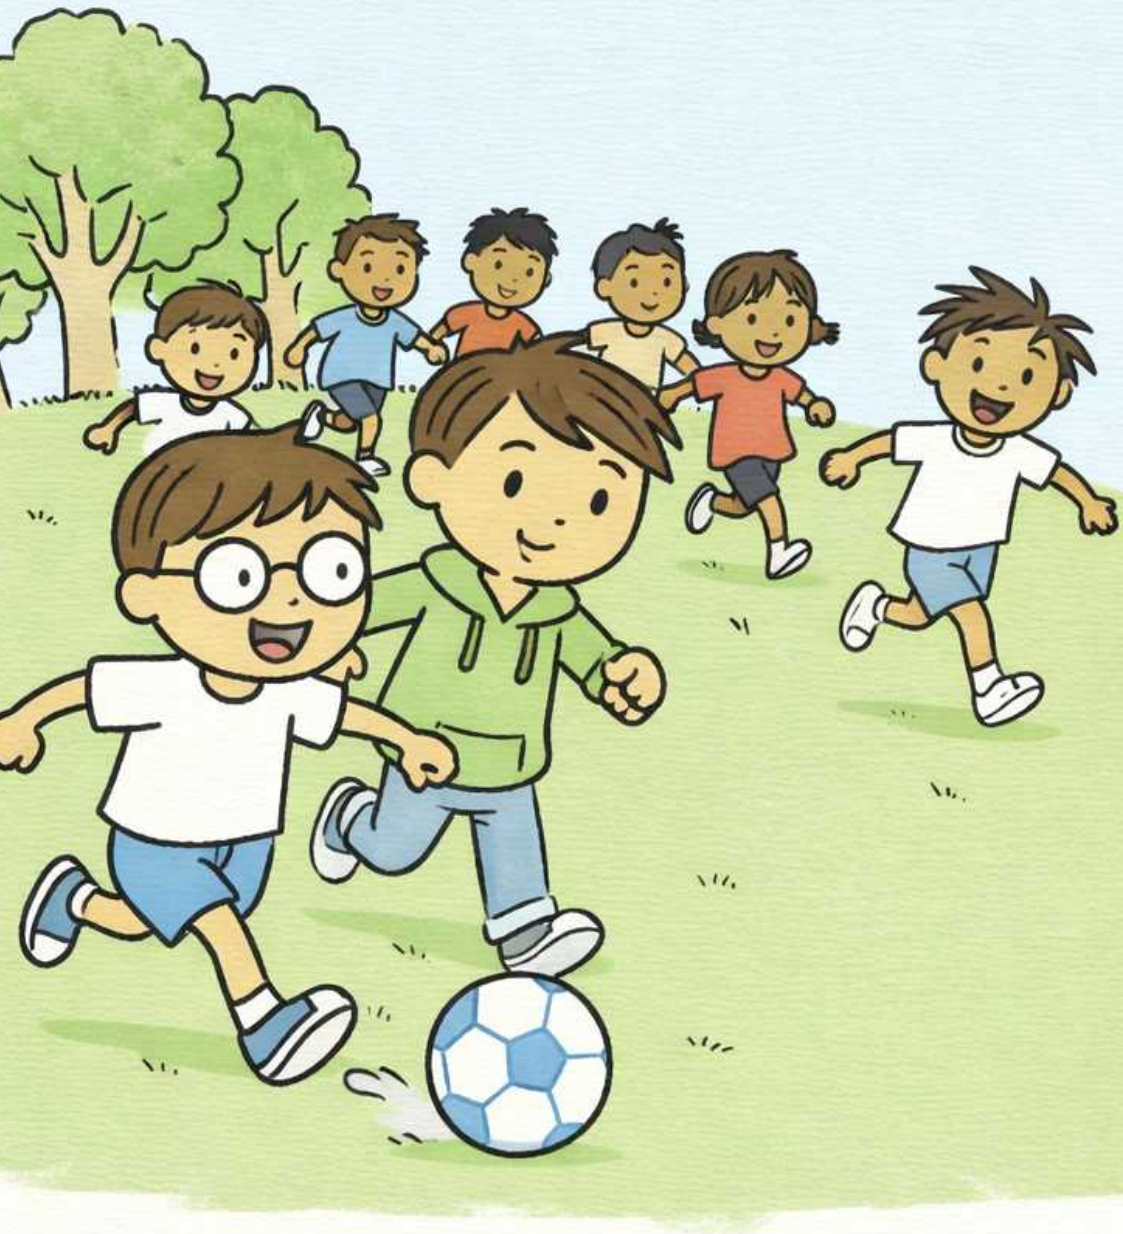

Bonk! Hap
jumps up and
smacks the
ball back. Hap
has a quick
trick.

The squad
runs on the
grass. A bus
stops at the
back. Big kids
get off.

The big kids
are quick and
block us.

What can the
squad do?

Bob flicks the
ball to Zip. Zip
sends it to Hap.
Bonk! Hap taps it
back to me. I
kick it in the net!

What a kick!
The squad
jumps up
and yells.
Go, squad,
go!

Get It in the Net!

Bob, Zip, Hal, Hap, and their dog make up the squad, and Bob has just declared zero chance of losing before the big championship match. But when the other team's bus pulls up and out steps the biggest, most serious-looking squad they've ever seen, can this ragtag group of friends and one very loud dog find a way to work together and get it in the net? Created to align with the UFLI Foundations scope and sequence (Lesson 44: ck /k/), this book practices words like 'quick', 'trick', 'flick', 'block', 'pack'.

Phonics Focus: ck /k/

back, block, flick, flicks, kick, pack, quick, slick, smack, smacks, trick

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
