

# Get the **Buzz, Pals!**

Jazz is  
stiff. But  
Jazz has  
a big plan.

Jazz can  
spot the pals  
in the grass.  
He must land  
fast!

Jazz yells  
and yells.  
The pals  
fuss and  
huff.

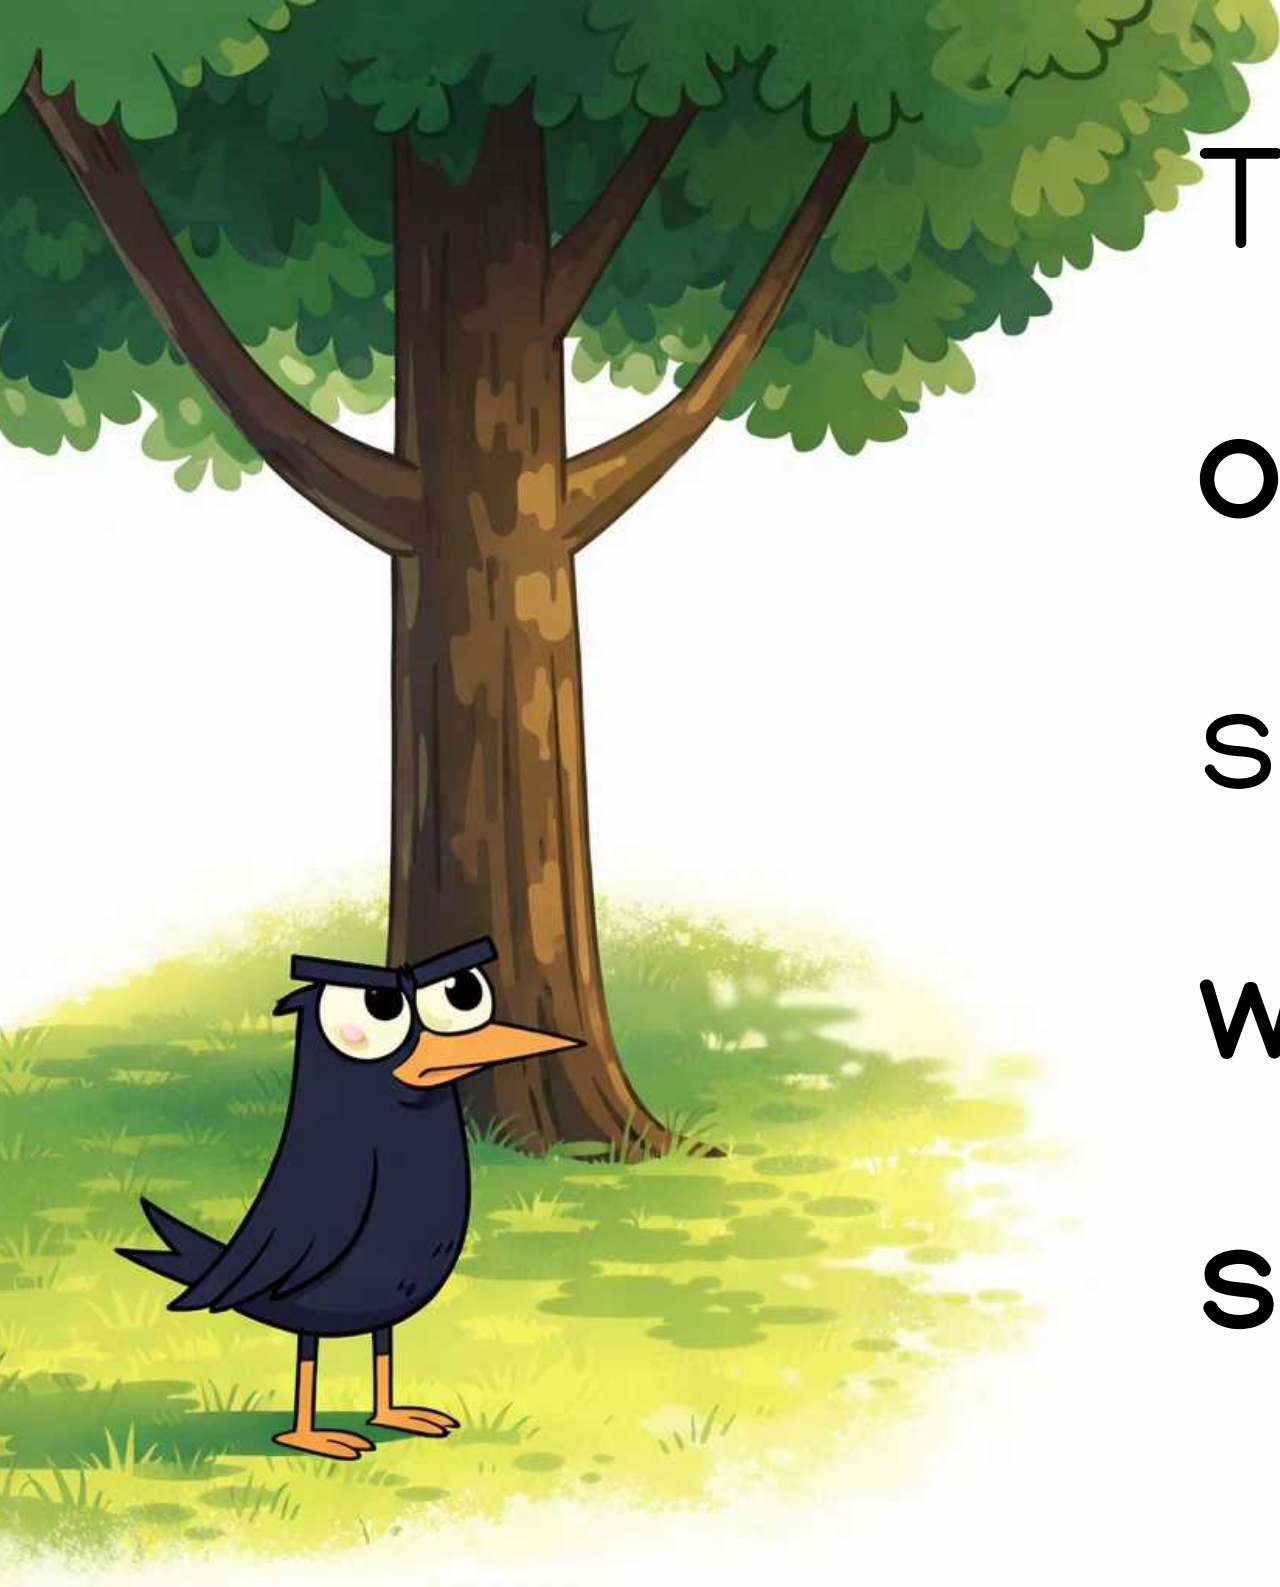

Jazz is up  
on a stem.

Jazz yells  
on and on.

The pals  
run off  
fast, but  
Jazz yells  
on.

The pals are  
off. Jazz is  
sad, but he  
will drill his  
skill.

Jazz can hop  
from stem  
to stem. Still  
not the best  
spot!

Jazz can  
see a  
stand in  
the grass!

Jazz has a  
swell plan.

The pals  
can jam on  
the stand!

Jazz sets up the  
stand as the pals  
look on.

Rooster is up next. He  
is singing, and it is bliss!

Next Lizard is up, singing a  
jam. Rabbit can't stand still!

Rabbit can  
tap the  
drum fast.  
What skill  
Rabbit has!

Jazz is in the lit spot,  
singing his best. The  
pals clap and yell!

The pals  
are a band,  
and Jazz  
can do a jig.  
What bliss!

## Get the Buzz, Pals!

Jazz has a big plan: wow some new pals with his singing voice! But when he belts it out, the rabbit, rooster, and lizard bolt the other way. Heartbroken but determined, Jazz vows to drill his skill until nobody can resist. What will it take to get his pals back on stage? Created to align with the UFLI Foundations scope and sequence (Lesson 42: FLSZ Spelling Rule (ff, ll, ss, zz)), this book practices words like 'stiff', 'yells', 'skill', 'bliss', 'swell'.

**Phonics Focus:** FLSZ Spelling Rule (ff/ll/ss/zz)

bliss, drill, fuss, grass, huff, jazz, off, skill, stiff, still, swell, will, yell, yells

### Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at [www.bookbotkids.com](http://www.bookbotkids.com).
