

Go Home, Animals!

An Unofficial Minecraft Book

Bam! Bam! Bam!

Skel sits up in
bed. It is dark.

Thump, thump,
thump! What is
that?

In the morning, Skel stomps to the farm. Llamas! They stomp and hop in the yard. 'Go home!' yells Skel. The llamas do not stop. They just stomp more.

Skel lifts an arm.

'March off my
farm!' he yells.

The llamas ignore
Skel. One llama
munches on the
crops.

The next morning is bad. **More** llamas! They fill the **yard** and the path.

Skel **starts** to add them up. He stops at **forty**.

'Zom! The llamas
munch on the
crops,' says Skel.
'They munch on the
garden!' Zom is
with the pigs. 'Let
it rest until lunch,'
says Zom.

Skel goes back to the farm. Part of the crop is gone. Munch, munch, munch. 'That is a lot of llamas,' says Skel.

Zom has a plan. He gets cords for the llamas and starts to march. The llamas march behind him in a line! 'That is so smart!' says Skel.

The farm is still.
Skel stands on
the shore of the
pond.

No stomps. No
munching. 'It can't
last,' says Skel.

The llamas come back. All of them, and **more!** They **charge** into the **yard**. They honk and stomp. They can not **forget** this **farm**.

Skel marches in
with arms up. 'Go!
Go! Go!' he yells.

The llamas spit at
Skel. Lime, sticky,
stinky spit! Skel
slips and sits in the
gunk.

Zom gapes at Skel.
Skel is a mess of
lime spit! Zom
starts to grin. 'Do
not grin at me,'
says Skel. He is
sore and sad. 'Come
inside,' says Zom.

Inside, Zom dabs the gunk off Skel. He has a mix in a **jar**.

'We can't chase them off,' says Zom. 'So what do we do?' asks Skel.

Zom grins. 'The llamas can help us on the **farm!**'

Skel grins. 'That is a **smart** plan.'

Go Home, Animals!

Skel wakes to thumping music outside his window, and it's not an earthquake or thunder, it's llamas dancing across the farm. More arrive every morning, filling the yard and garden and munching through the crops, and shooing them off never works for long. Will Skel find a way to stop the llamas from taking over for good? Created to align with the UFLI Foundations scope and sequence (Lesson 79: ar /ar/ & or, ore /or/ Review), this book practices words like 'farm', 'yard', 'morning', 'garden', 'forget'.
