

Gosh! Dash Is Mad

The queen sits
and looks at fresh
mail. Gosh, the
Wind Princess is
set to visit at
sunup! Kit and the
gang clap and grin.

The lot rush to
mop and dust. Kit
grabs a big brush
and dashes up the
steps. Scrub and
sweep! The top
must look posh.

Kit grabs at
Dash, but Dash
shifts and tugs
back. He is mad,
mad, mad! Gosh,
Dash shuns the
job!

Dash shoots up
in a flash, and
Kit hangs on!
He zooms past
the pots. Stop,
Dash! Stop!

Dash rushes
up in the
wind, but Kit
grips on and
tugs. Crash!
Kit and Dash
drop and land.

Gosh, look at
Dash! Muck and
ash stick in the
broom. A bug
hangs on a web
on the handle. Kit
is sad for him.

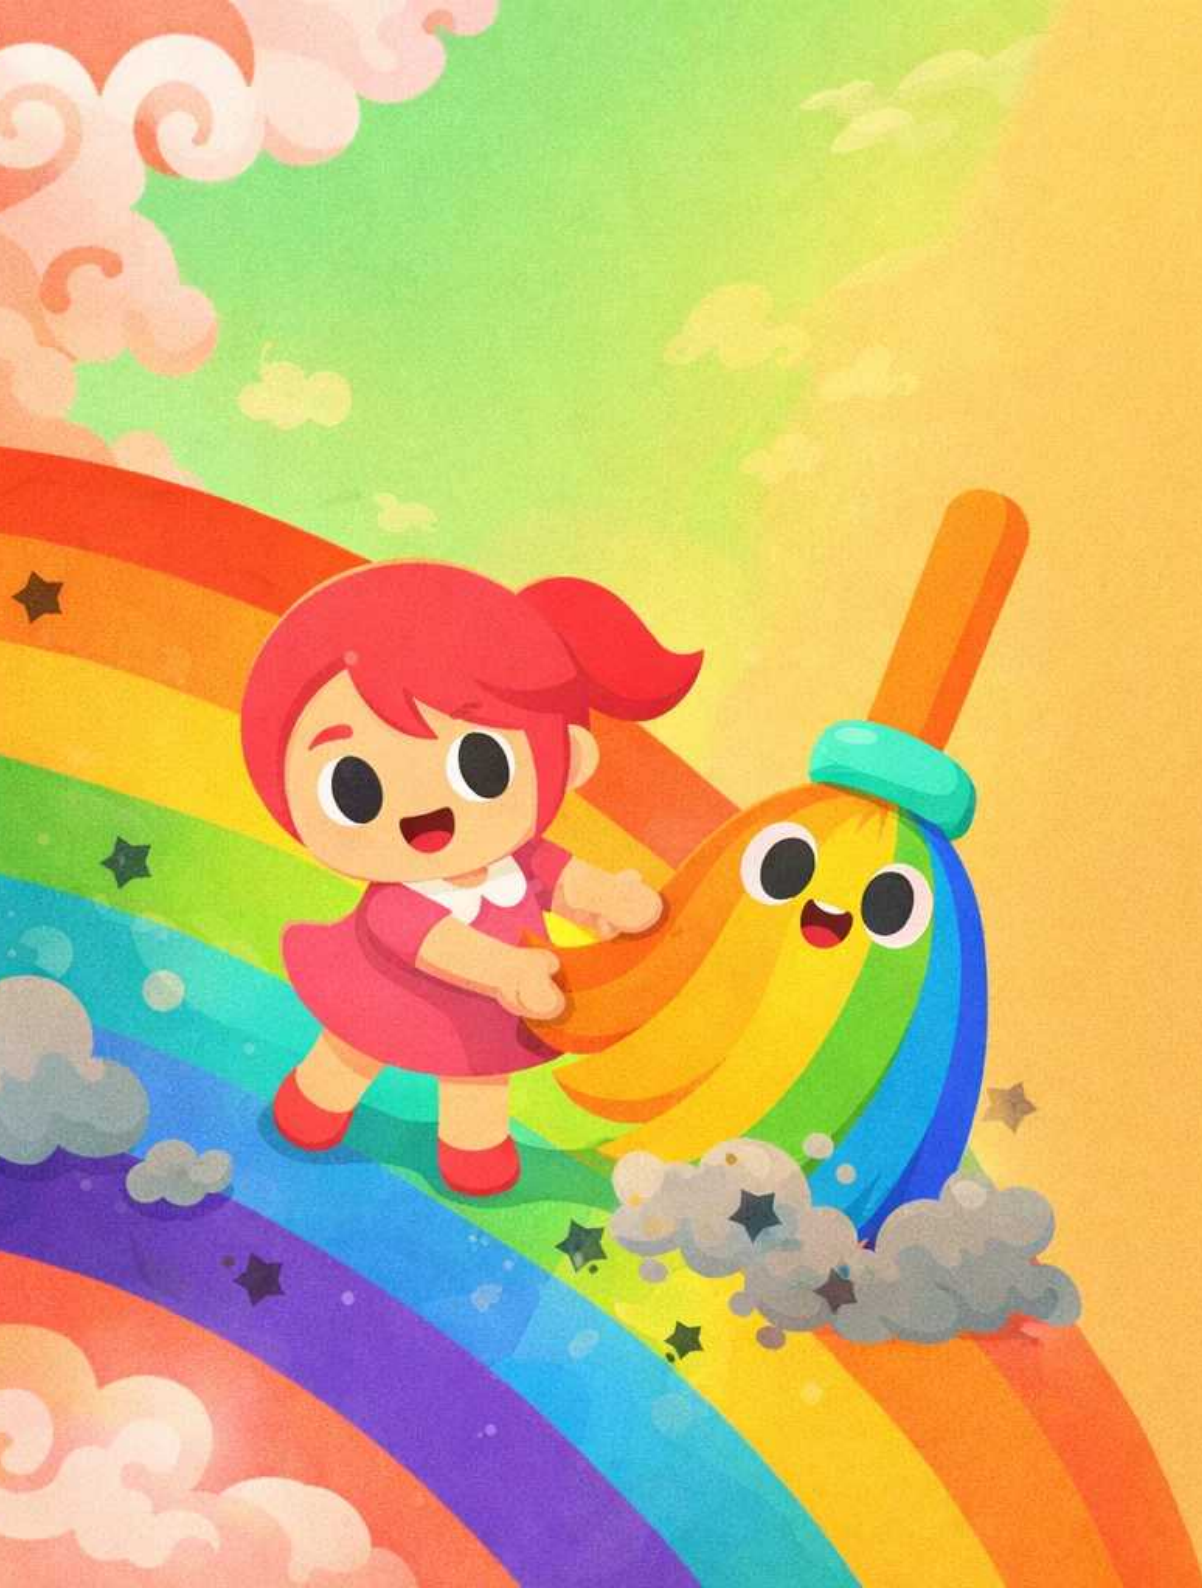

Kit sets Dash in
the tub and
scrubs him.
Splash, splash!
Soft pink suds
float up, and Dash
begins to grin.

Next Kit grabs a tool and brushes him. Swish, swish, swish! The stripes look fresh, and Dash grins a big grin.

Kit and Dash
zoom up to the
big band and
sweep up the
muck and ash.
The stripes flash!

The band is fresh
and the land
looks good. Hush!
The Wind Princess
floats in on the
wind, and Kit
claps and grins.

The queen stands
up on the top and
greet the
princess.

Kit looks up and
grins. The band
has such a sheen!

The princess
claps for the lot.
The band flashes
up top. Kit rubs
Dash and sets
him on the shelf,
and Dash winks.

Gosh! Dash Is Mad

Kate has one big job before sunrise: clean the whole tower, top to bottom, before the Wind Princess arrives. There's just one broom left to grab, and it is not happy about it. Can Kate calm it down in time? Written for Jolly Phonics classrooms (Group 6: sh /sh/), this book practices words like 'dash', 'gosh', 'splash', 'brush', 'crash'.

Phonics Focus: <sh>

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
