

HOT or NOT

An Unofficial
Minecraft Book

Steve, is
the cod
hot?

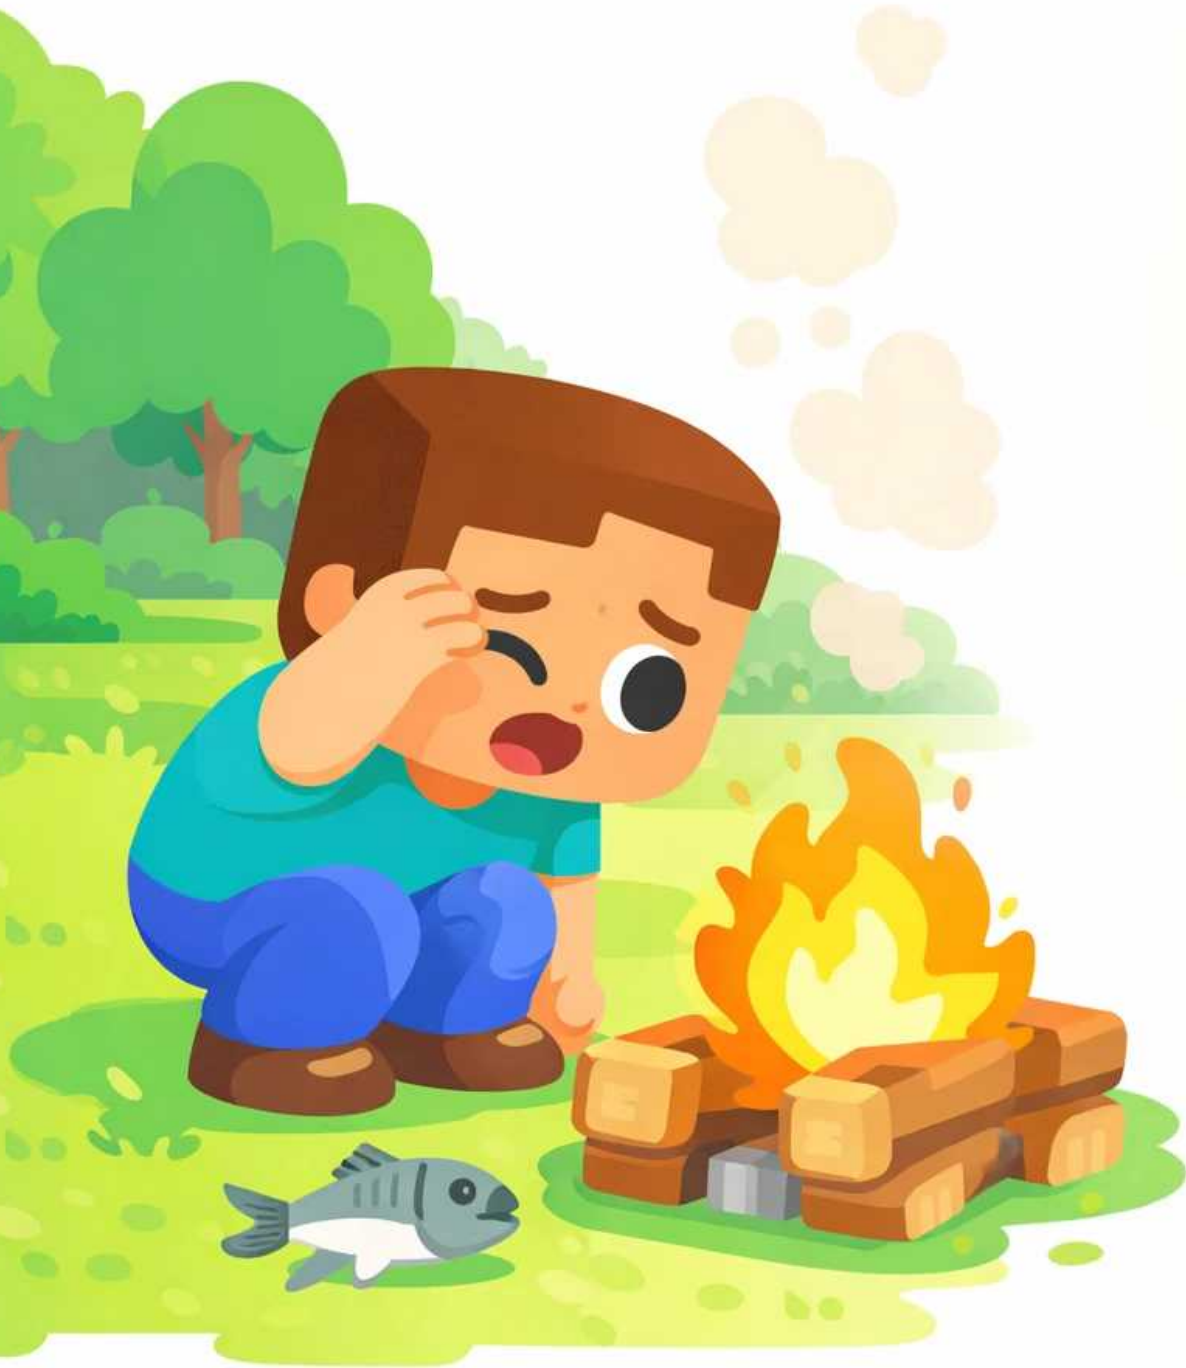

It is not.

Steve lit a
log.

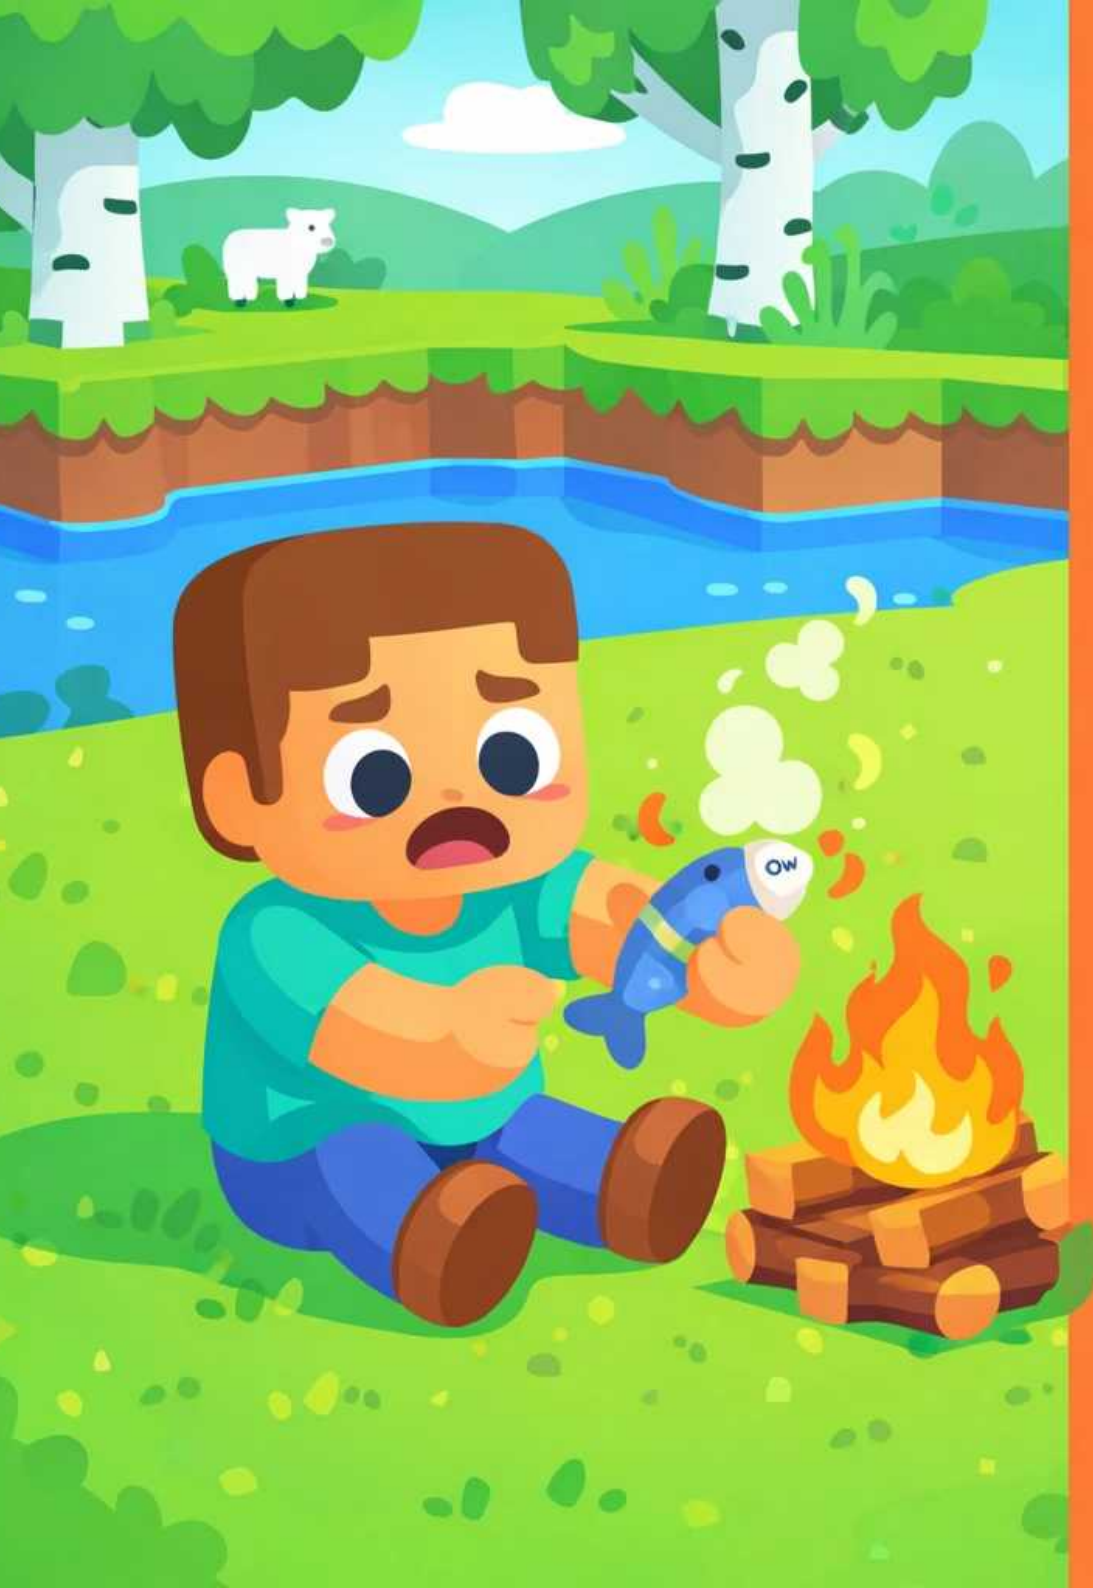

The log is
hot.

Let the cod
get hot.

The cod is
hot!

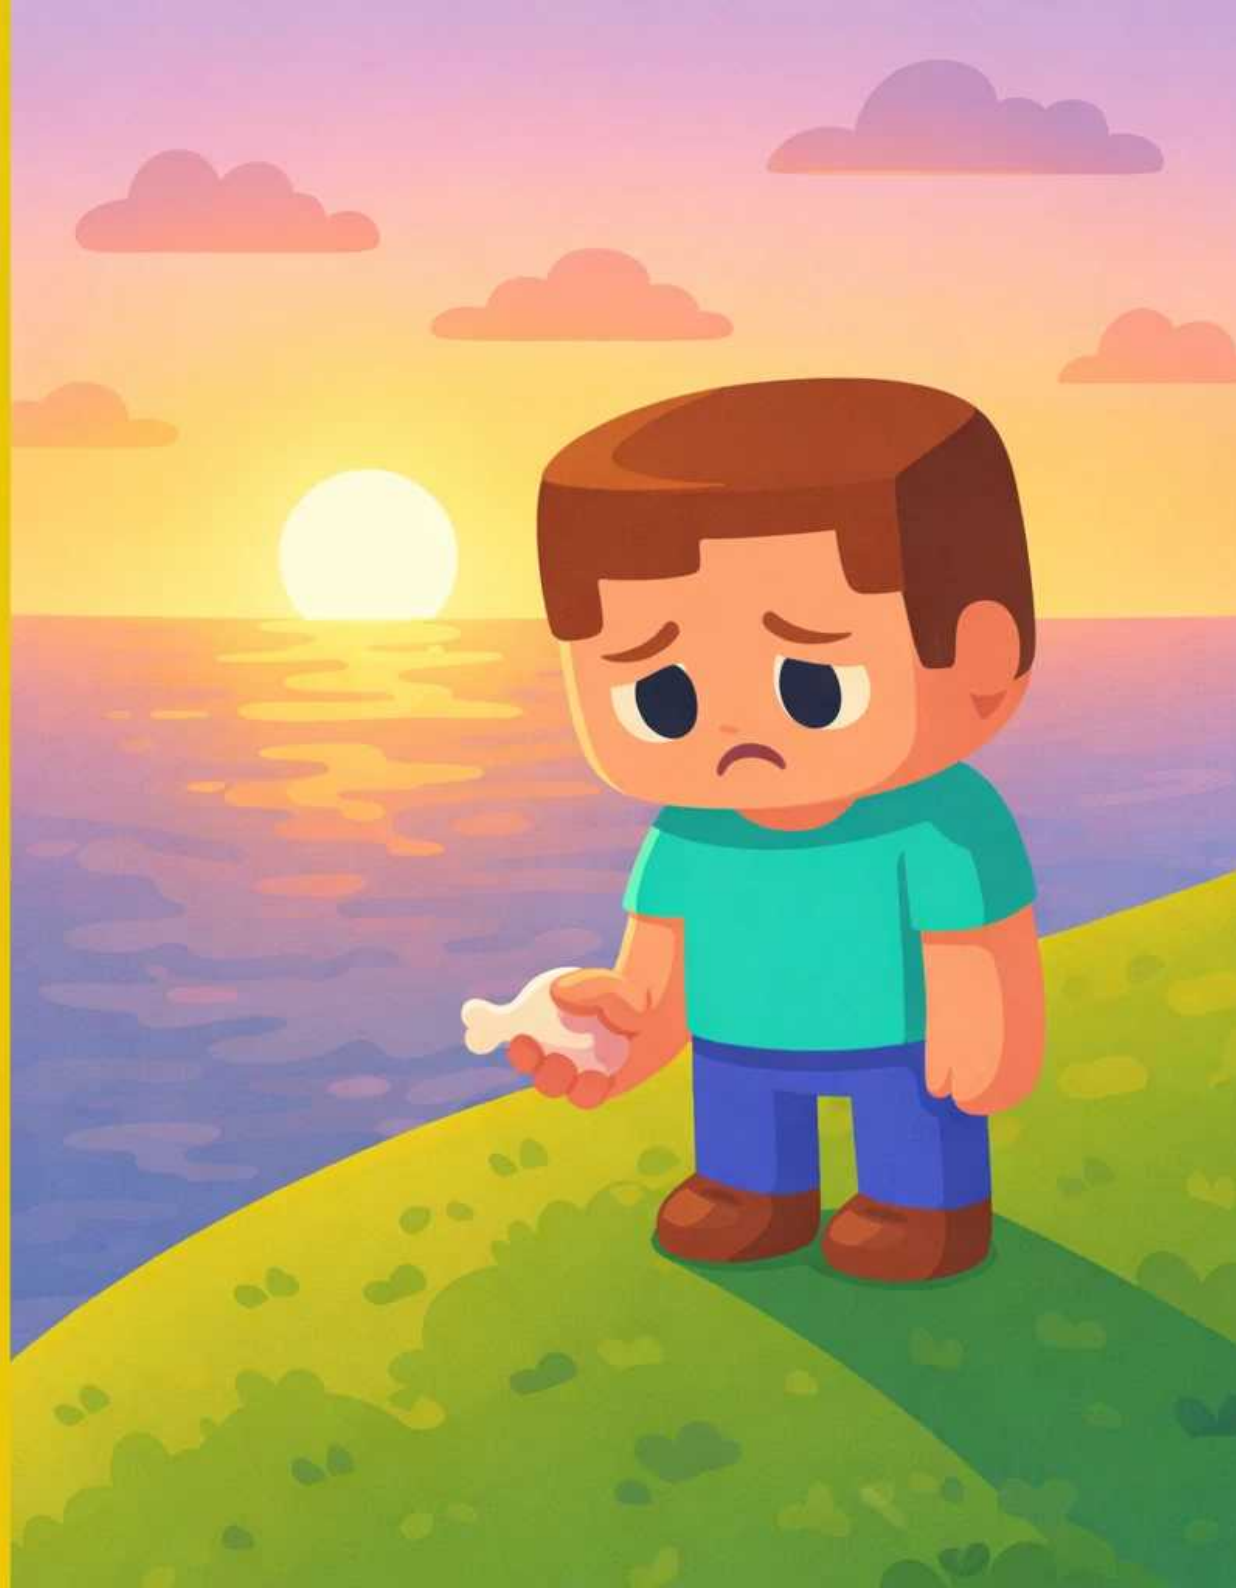

Steve got a
hen.

No log.

Steve is
sad.

Steve ran.

Is it hot?

It is hot!

A tad too

hot.

Hot or not?

Steve has pulled a big fat cod from the sea, and he is SURE he knows how to cook it. But can a brilliant fisherman really be a brilliant fire-maker too? Will the cod turn out crispy and delicious, or will Steve end up hopping around with burnt fingers? And what happens the next day when his stomach growls for chicken? A playful decodable reader practicing VC/CVC short vowels in words like 'cod,' 'hot,' 'let,' and 'lit.'

Reading Skills:

VC

CVC

cod, get, has, hen, hot, is, it, let, lit, log, not, ran, sad, tad

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
