I Chase Dad!

Dad rides off on his big bike. **The** girl sits with her small bike on **the** path. 'I will get **there,** Dad,' she says.

She

thinks

this is

fast.

Here I am in a car. **There** is a big bus. Can I sit in **that** bus?

Here I am in **the** bus. **There** is a big digger. Can I sit in **that** digger?

Here I am in the digger. There is a jet ski.

Here I am on **the** jet ski. **There** is a boat.

I am on **the** boat. It is fast! **There** is a big ship.

I find Dad on **the** ship. **There** he is! **This** trip is **the** best.

I went here and **there** on cars, boats and more! **That** is a lot. But I did get to Dad!

TH

I Chase Dad!

Dad pedals off to work, and tonight feels a MILLION hours away - so how will one determined girl catch up? Hop on a wobbly scooter, zoom past a shiny car, rumble in a big green bus, lurch across a field in a digger, and SPLASH through the waves on a speedboat. Each ride is faster than the last, but can she really chase Dad all the way across the ocean? This decodable reader practices the 'th' sound in words like 'that,' 'the,' 'there,' and 'thinks.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
