

Leopard Catch

Leopard has
a big catch.

He grabs

Anansi.

Bam!

'I shall munch
Anansi at
sun-set,' Leopard
tells him. He sets
Anansi in his
den.

Anansi wants to run, but Leopard
sits and blocks the arch.

Anansi checks
the den. He
finds a batch
of pods and
sniffs it.

'Leopard, a
dull bug is
bad,' Anansi
tells him. 'Add
Leopard for a
rich lunch.'

Anansi chats on and on.

'Nyame has a bunch of
Leopard at his den,' he
tells him.

'Anansi, this
is such a
trick,' Leopard
tells him. But
Anansi just
sits.

Leopard puts
old silk on
the gap. Then
he runs off
to fetch salt.

Anansi hides it in a notch, then
spins a fresh web on the gap.

Leopard
finds no
path. He
runs back to
snatch
Anansi.

Leopard is a
catch in the web!
He gets stuck
fast! 'Add web
next time!'
Anansi calls
back.

Anansi sits and has a hot
brunch with it. Yum!

Leopard Catch

Anansi the spider is in real trouble. Leopard has finally caught the trickster and plans to eat him at sundown, locking him in a stone den with no way out. But could a bundle of pods and a clever tale about seasoning be enough to fool a hungry hunter? What plan is spinning in Anansi's quick little mind? This Bookbot level practices the 'ch' sound in words like 'catch', 'lunch', 'rich', 'munch', and 'snatch'.

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
