

Look! Too Slim to Fit?

The pals
stand in the
sun. Pam
looks sad. She
is big and
plump.

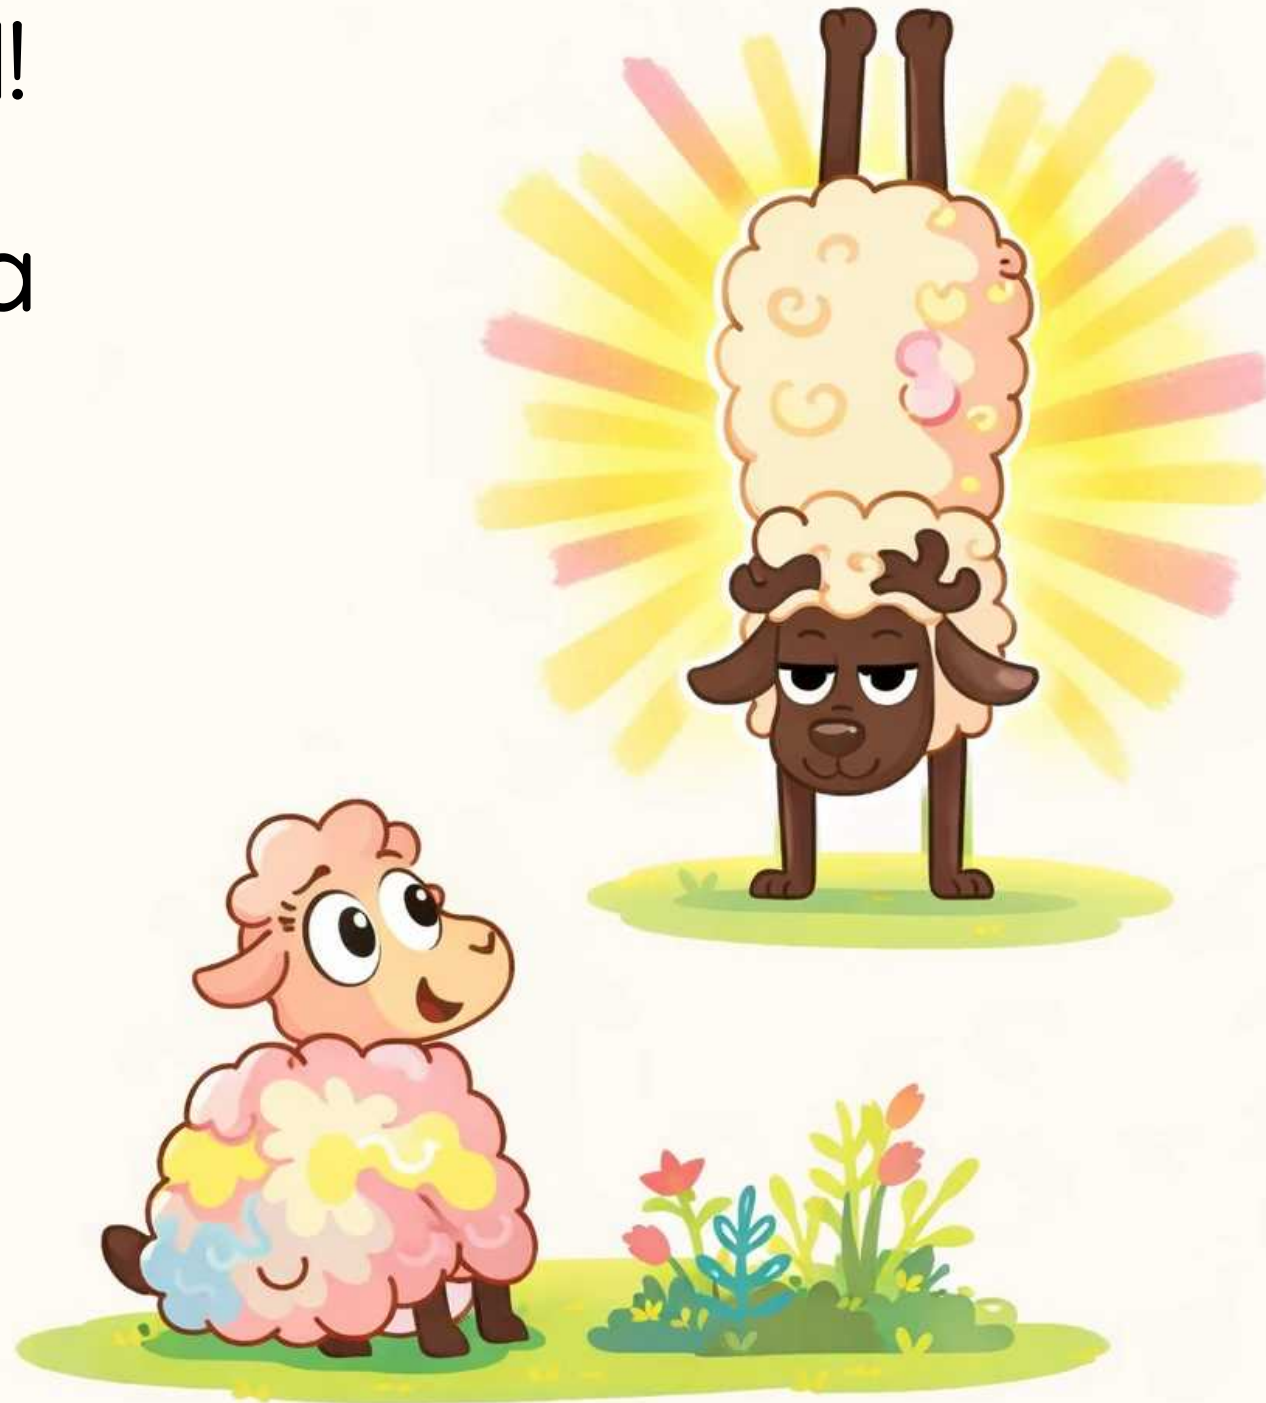

Oops! Pam is stuck in the gate. The pals bump and tug at Pam, but she can not fit.

Look at the pal!
She can bend a
lot.

Pam looks up.
Can a bend
plan help?

Pam bends and
twists on the
mat.

The pal looks
on. Good job,
Pam!

The sun is
hot at noon.

Pam bends
and twists on
the mat a lot.

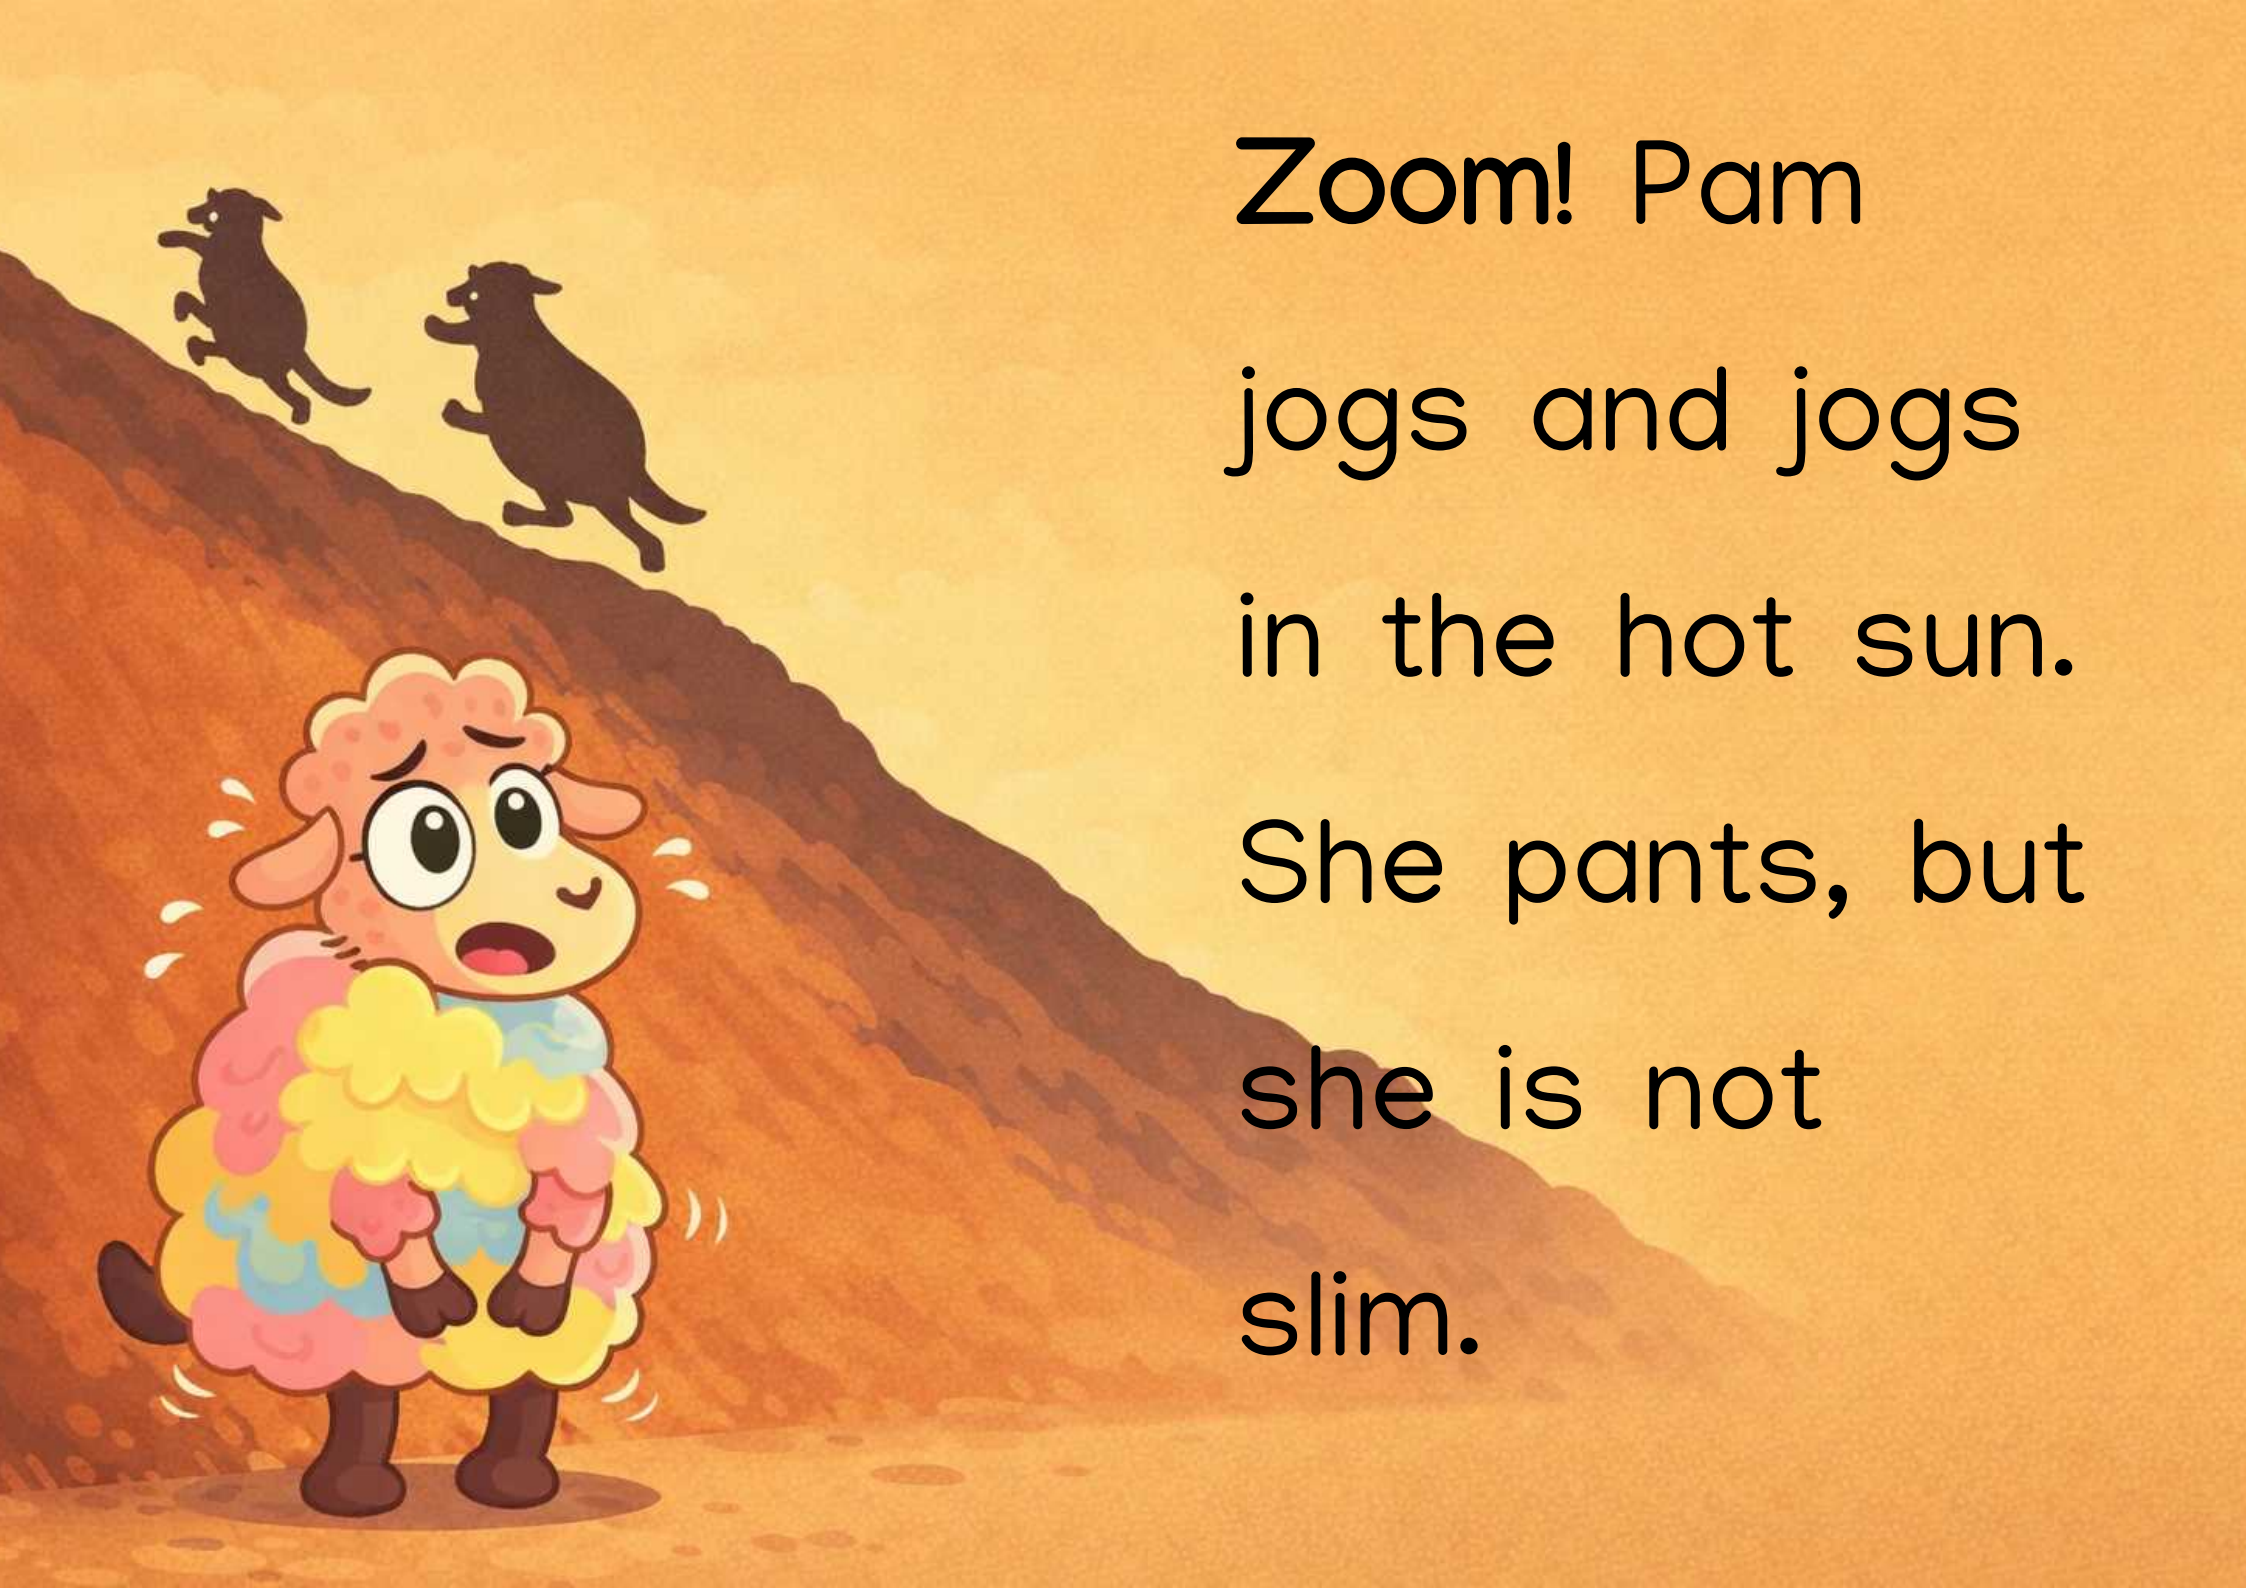

Pam bends a lot, but she is not slim. She droops and looks sad.

A slim pal jogs
up to Pam.

Can Pam get
slim if she jogs
a lot? Pam
looks glum.

Zoom! Pam
jogs and jogs
in the hot sun.
She pants, but
she is not
slim.

Pam stops at
the pond to sip.

Look! A pal
swims and
kicks in the
cool pond.

Pam scoots
and dips into
the pond. She
must swim a
lot and get
slim.

Pam swims
and floats in
the cool pond.
It is fun, but
she is not
slim.

Pam hops from
the pond and
looks up at the
gate. Ooh! She
grins. She has
a good plan.

Look! Tools in
a big red bag.

Pam has wood
to cut and
nails to bang.

Pam sleeps on
the soft bed
at last.

The pals sleep
too. She is in
a good mood.

The pals look
and look at Pam.

Did she get in?

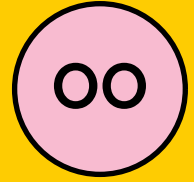

Pam just sits
and grins.

Look at the
gate! It is big
and good.

Pam took the
tools, and the
gate fits Pam!

Look! Too Slim to Fit?

Pam is big and plump, and she's stuck fast in the farm's new narrow gate while her pals push and tug. One friend swears by yoga, another by jogging, another by swimming, but nothing seems to make Pam any slimmer. Could there be a completely different way to get her home? Written for Jolly Phonics classrooms (Group 5: oo as in moon & oo as in book), this book practices words like 'look', 'good', 'droops', 'scoots', 'tools'.

Phonics Focus: <oo>

cool, droops, good, look, looks, mood, noon, ooh, oops, scoots, too, took, tools, wood, zoom

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
