

Lost in the Dim Woods

Skel and Bones
trot on the
track.

The sun is up,
and the mood
is good.

Boom, boom! A big storm hits. Bones stands at a log in the mud, and he is upset.

Crack! Bones
panics and runs.

Skel stands in
the wet wind,
but Bones is
lost in the
gloom.

Skel looks and
looks in the rain.

He seeks
Bones, but he
can not see
him.

Zom cooks hot
food.

Skel is too sad
to sip it, and
he sits and
sobs.

Zom grabs his
coat to seek
Bones. Skel
rests in the
snug room.

Bones is lost
in the dim
woods. He
looks up and
sees wolves in
the gloom.

Bones runs fast
in the woods.

He hunts, and
soon he is as
swift as the
pack.

His red rag
snags on a
twig and drops.

Bones looks
back, but he
zooms on.

Zom meets
Bones in the
woods. But Bones
is mad, and Zom
steps back.

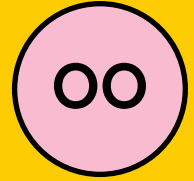

Skel waits at a
big tree in the
woods, and
Bones peeks at
him. He sees his
best pal, and he
is sad.

Bones and Skel
trot back on the
track. Zom hands
Bones a gift, and
Bones wags and
licks him. It is
good to be back.

Lost in the Dim Woods

Skel taught Bones everything about the wild, but nothing prepared the dog for the storm that split them apart. Terrified, Bones bolts into the dark forest alone, with wolves watching from the trees. Will he find his way home before the woods swallow him for good? Written for Jolly Phonics classrooms (Group 5: oo as in moon & oo as in book), this book practices words like 'looks', 'woods', 'gloom', 'soon', 'zooms'.

Phonics Focus: <oo>

boom, cooks, food, gloom, good, looks, mood, room, soon, too, woods, zooms

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
