Lost in the Sad Mist

When the rain starts falling on a sunny day, Tan knows something is wrong. Can you hear the sad song drifting down with every raindrop? Who could be so heartbroken that even the clouds begin to cry? Bee, Bird, and Rabbit set off on a brave little journey to follow the music and find the one who needs them most - but will they be in time to help? This decodable reader practices VCC/CVCC words such as 'wept,' 'wind,' 'mist,' 'held,' and 'fast.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
