

Mango Picking Morning

A fat mango
hangs on the
big tree.

I long to get it,
and Dog sits
and wags.

I bring a big sack, and Gus clings to
a mango. Sam sings a mango song.

Sam swings up
the tree to grab
a mango.

Gran is waiting at
the basket. 'Don't
drop it, Sam!'

Gran cuts up the
mango.

We sing a mango
song as we
snack. Sam sucks
a big sweet bit.

The gang can
help us pick.

A pal is
greeting us,
and Gran is
glad.

I am up the
tree, loading a
basket. The
cord brings it
to the land, and
the pal grabs it.

Dad is
transporting the
crop to the
stand.

A man picks the
best mango and
grins. Not a dent!

The boat is
floating, and
boats bump us.

Sam stands up,
and the boat
rocks. 'Don't drop
it, Sam!'

We got the lot!
We rest up in
the big tree.
Gus is sleeping,
but Dog wags
at us and grins.

Mango Picking Morning

A fat mango hangs low on the big tree, and a girl longs to reach it before the birds do. With a sack on her back and a friend racing ahead, she climbs, picks, and loads basket after basket while Gran waits below with one rule: don't drop it. But when the harvest heads for the market and then out onto the floating boats, can the whole crew keep every single mango safe? Written for Jolly Phonics classrooms (Group 5: ng /ng/), this book practices words like 'hangs', 'bring', 'sings', 'waiting', 'floating'.

Phonics Focus: <ng>

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
