

An Unofficial Minecraft Series

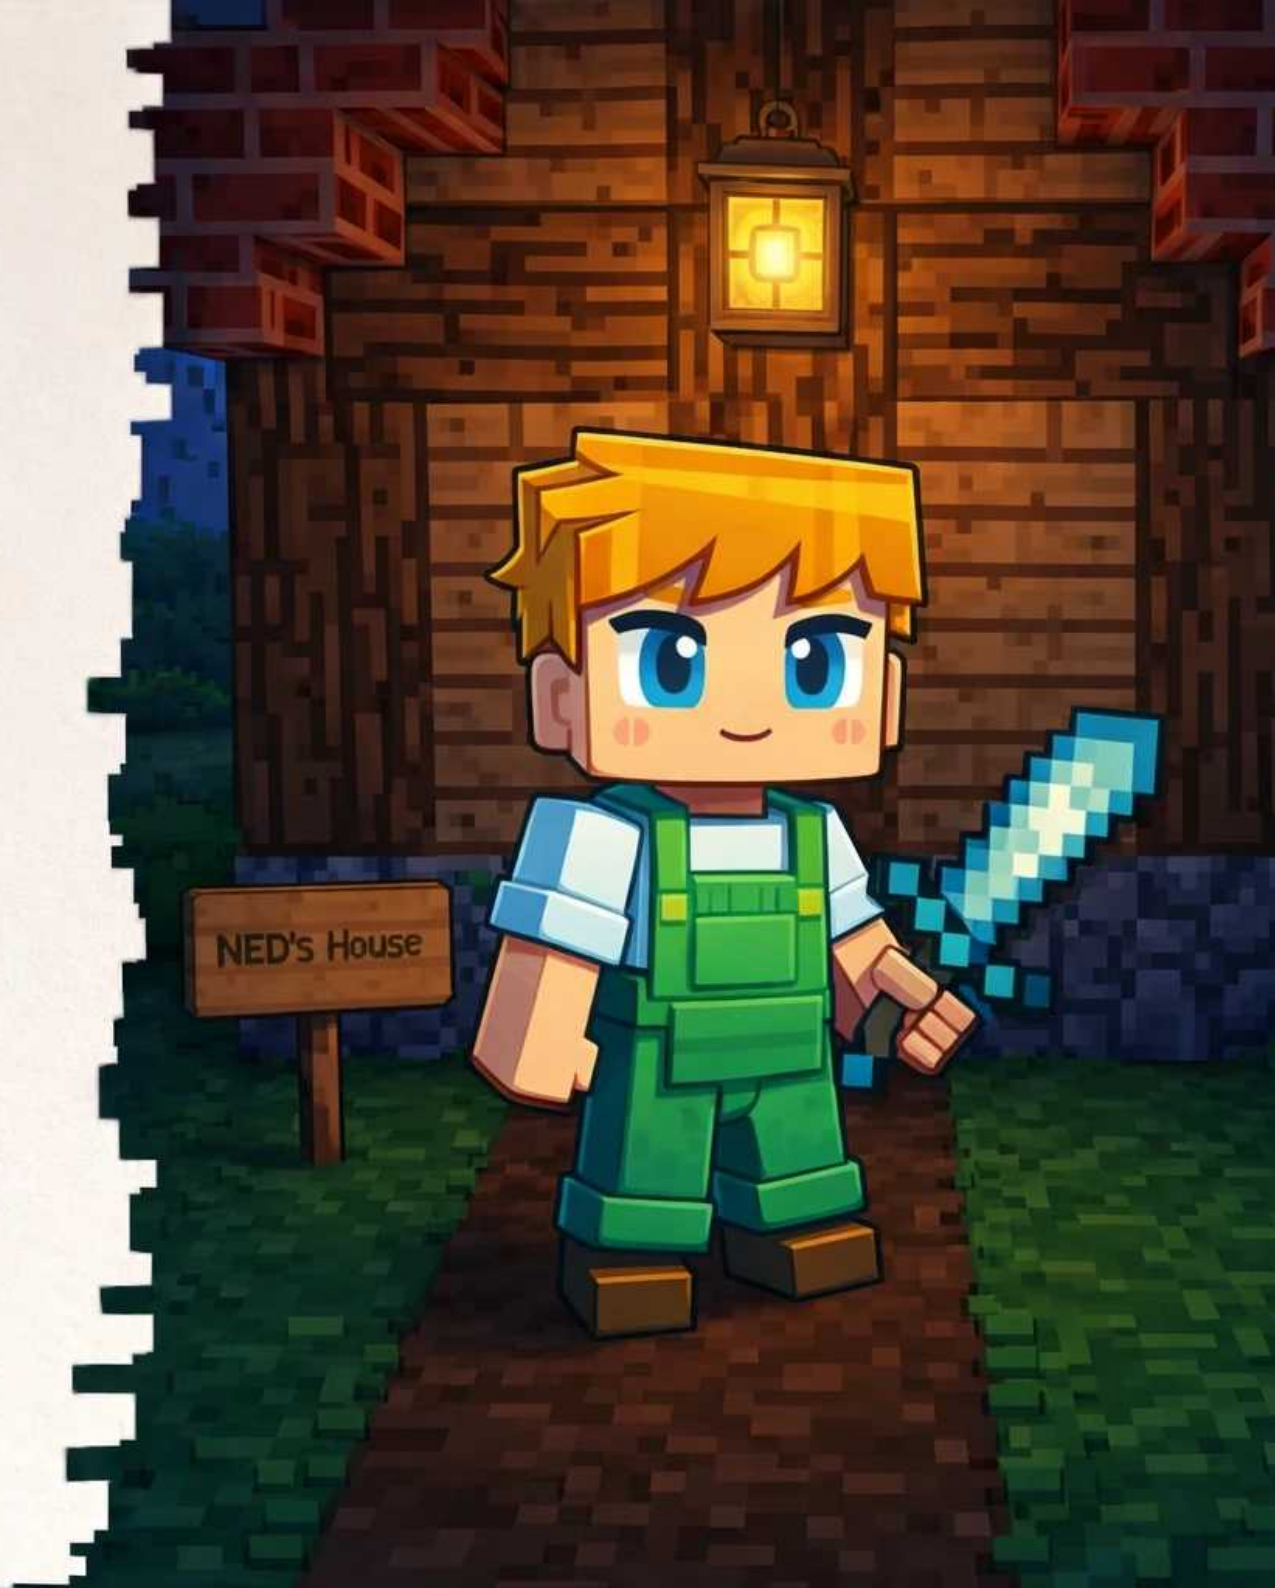

Ned
and the
MAGIC BOOK

Ned Beats the Beasts!

Ned has a fine
home. At dusk,
monsters step
from the shade.

'Not tonight!' Ned
yells, and he
grips his blade.

Zombie grunts
and steps up
the path to
Ned. Zombie
is big, but Ned
is brave.

Ned swings his
blade, and
Zombie pops in
a puff!

'I win!' Ned yells
with a big smile.

Ned picks up
a lump of
flesh. In back
of him,
Skeleton hides
in the shade.

Thwack! A shaft
zips past Ned
and hits the
grass.

'That was close!'
he yells, and he
runs to hide.

Ned hides in
back of a wide
trunk. Click,
click! Skeleton
looks side to
side.

Ned jumps up
and strikes
with his
blade. Bash!
Bones drop
on the grass.

Ned grins and
lifts up a
bone. But look!
A mob of
monsters is in
back of him.

'Time to run!'
Ned yells. He
runs fast, and
the mob of
monsters
chases him.

Ned runs to
his home, but
Spider is there.
'No!' Ned yells,
and Spider
gazes at him.

Ned strides up
and strikes
with his blade.
Pop! Then he
zips in his
safe home.

Ned is safe in his home. He picks up a stone that shines, and he grins. 'Same time at dusk, monsters!'

Ned Beats the Beasts!

Ned has a fine home, but at dusk, monsters step from the shade. Tonight Ned grips his blade and decides he is done hiding. As zombies, a skeleton, and worse creep closer, can a brave boy really fight them all off before he makes it home safe? Created to align with the UFLI Foundations scope and sequence (Lesson 59: VCe Review 2 (all)), this book practices words like 'blade', 'home', 'hide', 'safe', 'shade'.

Phonics Focus: VCe Review 2 (all)

blade, bone, brave, chase, close, fine, gaze, gripe, hide, home, safe, same, shade, shine, side, smile, stone, stride, strike, time, wide

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
