

Ned Must Fetch Sand!

Ned has a hut.
It is a bit drab.

He chats to
The Book, and
it has a plan.

Ned is on the track to fetch mud. He has a tool in hand.

The Book floats on and on.

A big blue
patch is in the
sand.

Chop, chop!

Ned digs at it
fast.

Pop, pop! Wee
blue drops pop
up from the mud.

Ned scoops up
a big bunch and
packs them in.

Ned sets a
drop at the hot
box.

He checks it,
and it is a red
brick!

Look! A sketch
is in the book.

It is a pot.

Ned grins. Such
a top plan!

Ned sets a pot
at the hut. But
it is not much.
He needs
flowers. A big
bunch!

Look at the
flowers! Ned is
glad. A hum!
But Ned
snatches a
big bunch.

The bees are mad! He runs fast, but the bees are at his back to catch him.

Slam! Ned is in
the hut, and
he latches it.

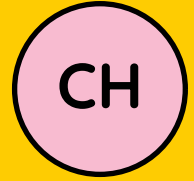

A wee bee
sits and
peeps in.

Next, Ned creeps
to a spot and
picks blue flowers
and red buds. He
packs the pots,
and the hut looks
topnotch!

Look at the hut
and the pots! It
is not a bit drab.
Ned is a champ,
and next he
plans a big, big
hut!

Ned Must Fetch Sand!

Ned's shed looks dull, plain, and in serious need of a makeover, but The Book has a mysterious plan that starts with a trip to the beach. Blue clay, a hot furnace, and a bunch of homemade bricks later, Ned's ready to build flower pots, but will he actually be able to snatch enough flowers without the bees noticing? Written for Jolly Phonics classrooms (Group 6: ch /ch/), this book practices words like 'chop', 'fetch', 'patch', 'snatches', and 'topnotch'.

Phonics Focus: <ch>

bunch, catch, champ, chats, checks, chop, fetch, latches, much, patch, sketch, snatches, such, topnotch

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
