

AN UNOFFICIAL MINECRAFT SERIES

DR. CAN DO

Not
Done
Yet!

Dr. Can Do
has a thick,
soft wool rug.
He has a big
plan: a snug
rug for all!

Dr. Can Do is at
the pen. Look
at all the sheep!
That black chap
is squished in
with the rest.

The sheep stand
in a snug shed
with lamps. The
rig hums and
gets the wool.
What a big
stack!

Jill has a chat
with Dr. Can
Do. Set up a
shop, Jill says.
He thinks it is
a grand plan!

Bang, bang,
bang! Dr. Can
Do sets up his
shop on this
lot. He is not
done yet!

Shepherd has a
job at the shop!
Jill hands him a
pack of wool.
Shepherd hands
Jill a rock, and
Dr. Can Do grins.

Dr. Can Do
checks on the
shop. Shepherd
stacks pack on
pack. Dr. Can Do
has no task left,
but not for long!

Dr. Can Do is back
on his soft rug,
and he thinks of
his next big plan.
Jill calls from the
path, Rest! He just
grins. Not done
yet!

Not Done Yet!

Dr. Can Do can't stop fixing things. Chilly floors, drafty windows, plain old walls: he's got a plan for every one of them. But when he spots a squished black sheep at the village farm and imagines turning its wool into a shop, what will he build first? Created to align with the UFLI Foundations scope and sequence (Lesson 53: Digraphs Review 2 (incl. CCCVC)), this book practices words like 'shop', 'bang', 'stack', 'chat', 'sheep'.

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
