

Pang's Big Clash

Pang grips his
stick on the
deck.

Gosh, the big
concert is
soon!

The gang sings,
but it is a big
mishap.

Pang taps his
stick and rushes
to help.

A bug sings,
but the song is
just a hush.

Pang peeps in
and wishes for
a big song.

The gang
rushes to the
deck. Bugs flap
and land, and
Pang stands
at the top.

The gang sings,
and the song is
big and fresh.

Pang grins. It is
a hit!

Pang is in bed,
but he can not
nap.

Hush, hush. He
grips his stick
and blinks.

Bugs rush in
to get a
spot.

It is the big
dry concert!

Pang lifts his
stick, and the
gang sings.
The song
gushes, big
and long.

Drip, drop! Rain
splashes the
deck.

The gang
gasps. It is
such a shock!

Bugs dash and
flap in the rain.

Pang lifts up on
his wings and
shushes the
gang. Hush!

Pang flicks his
stick. Sing,
gang, sing!

Rain splashes,
but the gang
sings on and on.

The rain ends.
The string is lit,
and it flashes.
The gang claps
for Pang, and he
grins a big grin.

Pang's Big Clash

Pang the cicada is about to conduct the biggest concert of the year, but rehearsals keep going wrong. Voices mix up, wings flap in every direction, and one shy cicada is too scared to sing loud enough for the whole forest to hear. Can Pang calm the chaos and bring his choir together in time? Written for Jolly Phonics classrooms (Group 6: sh /sh/), this book practices words like 'hush', 'rushes', 'dash', 'gosh', 'wishes'.

Phonics Focus: <sh>

dash, flashes, fresh, gosh, gushes, hush, mishap, rush, rushes, shock, shushes, splashes, wishes

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
