

Panha in Thick Smog

Quin stands on the road and
looks up. The smog is thick
and dim.

Dad is sad. Sun
can not get in
the thick smog.

But Quin has a
plan. She has a
quest!

Quin treks up
to the top.

The smog
gets thin.

Sun peeks in!

Quin grins
and grins.

Quin is in the
shop. She **squats**
to grab a cog.

She fits the cog
in the wood and
grins.

The plane
zips up, but
it hits a tree.

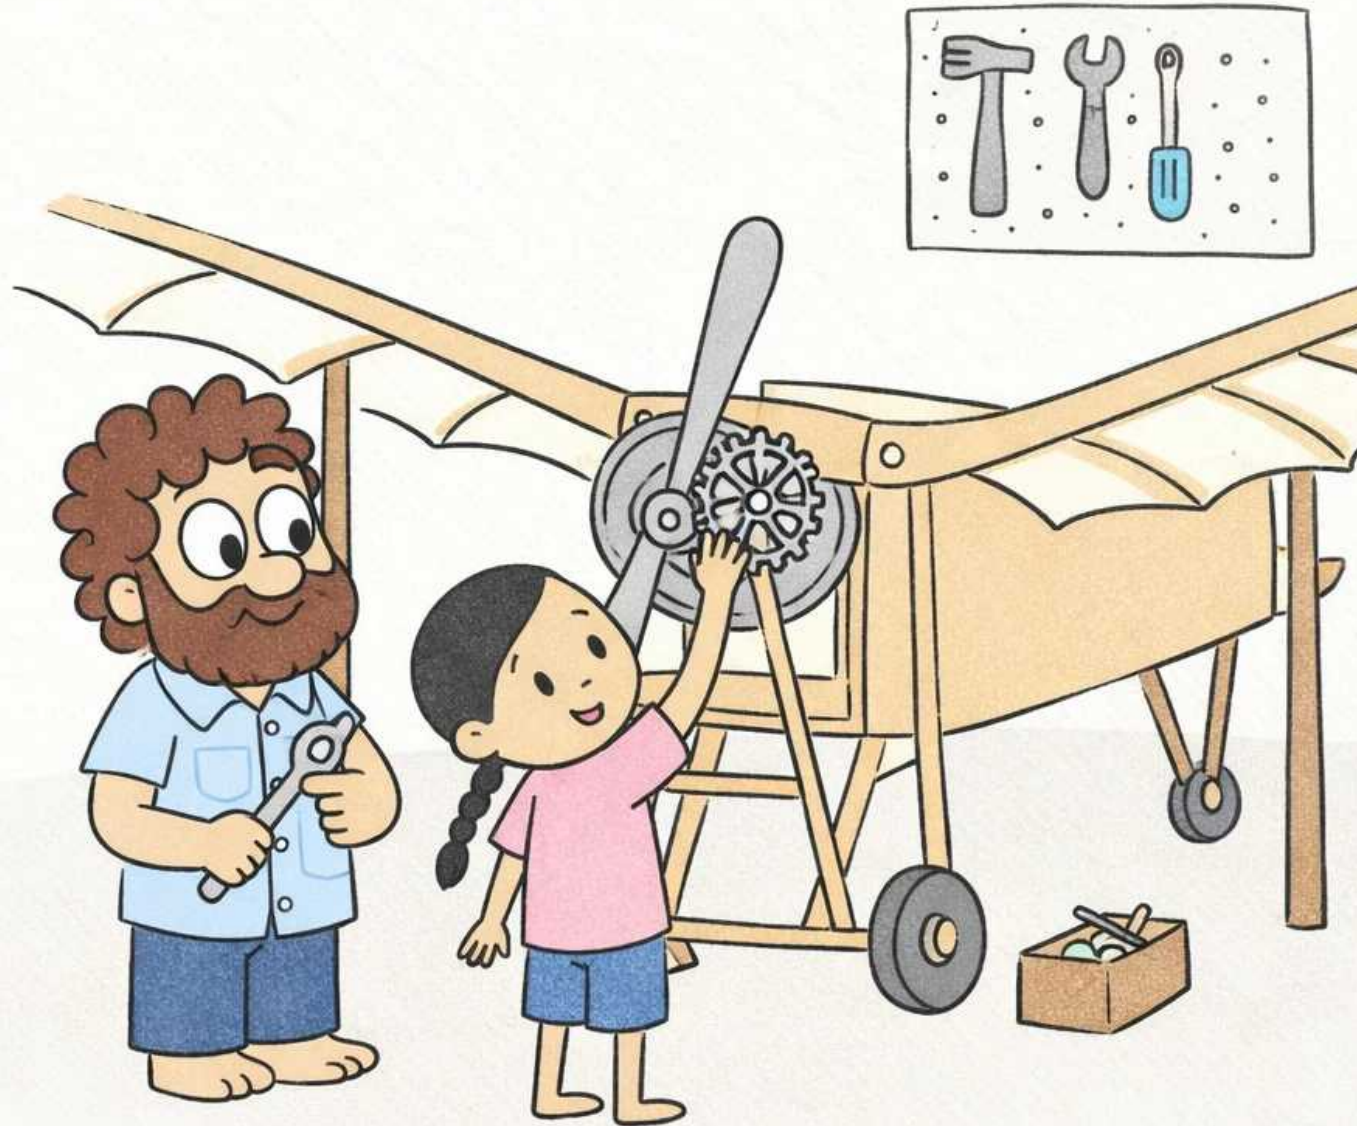

Squash!

Quin is
stuck, but
she can get
back.

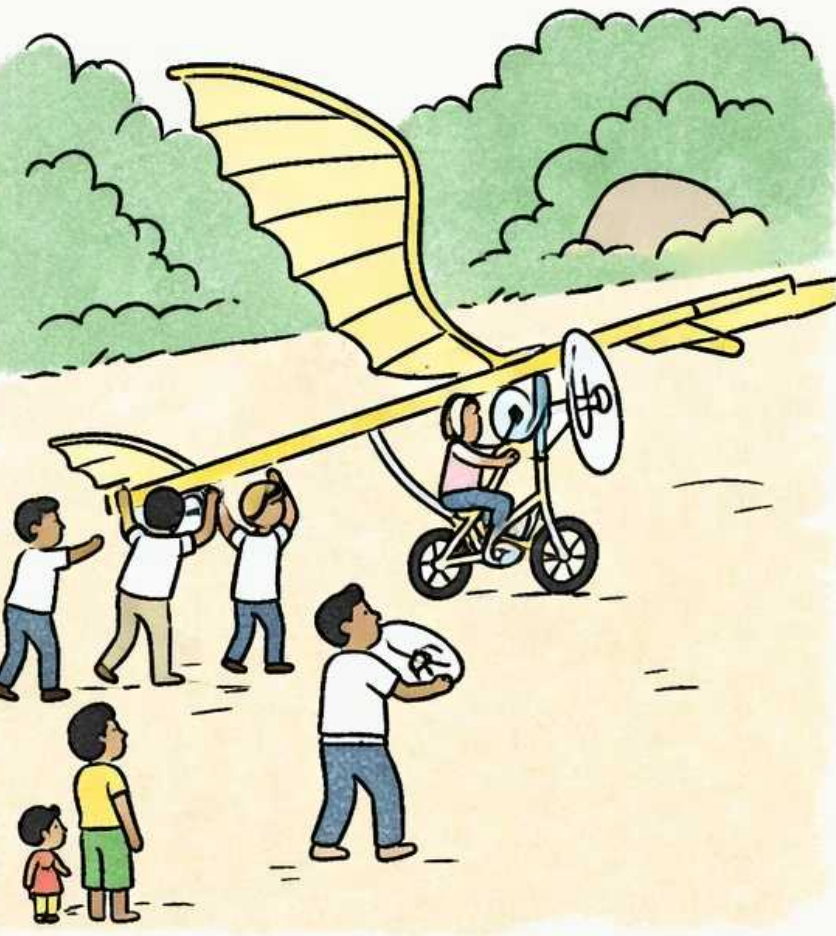

Dad helps Quin
mend the plane.

The wings are
big and strong.

Quin and Dad
are a fix-it
squad!

A big squad is on the
road. Dad has a hat, and
Quin grabs it. She won't
quit!

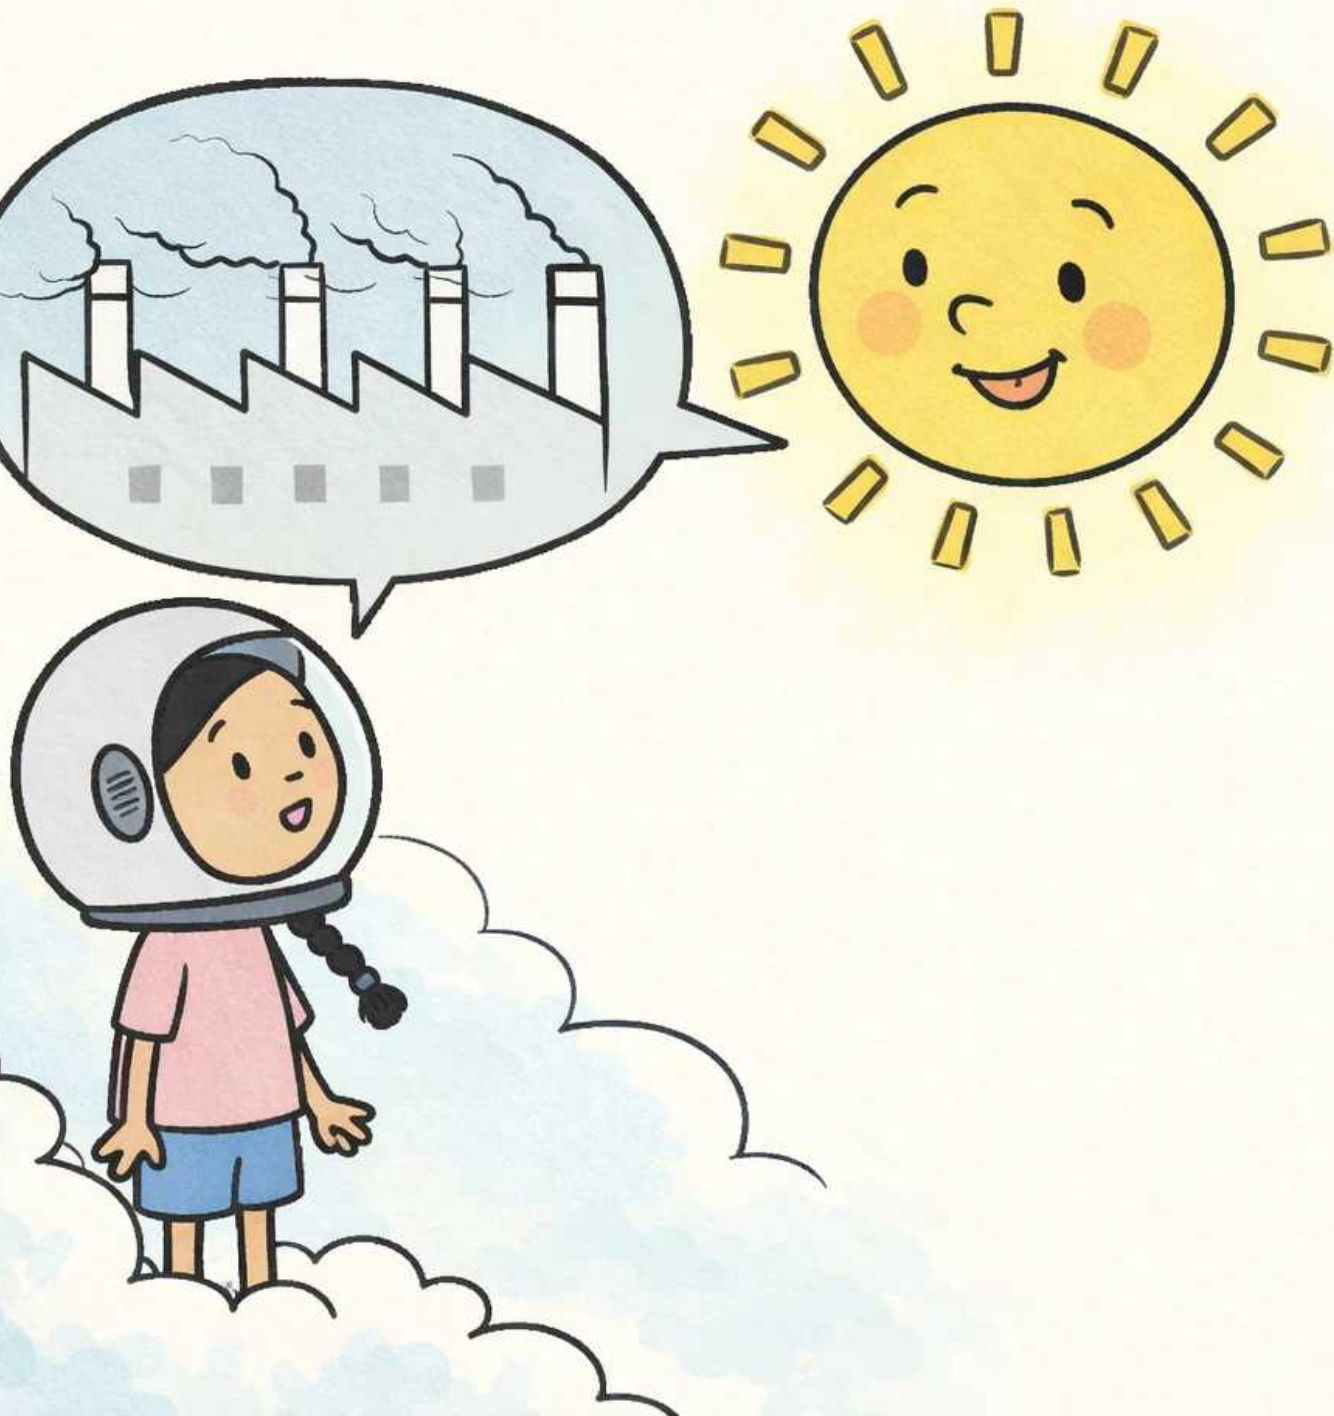

The plane lifts up!

Zoom, zoom!

Dad and the
squad look up
and clap. Quin
zips up in the
smog.

Up top is Sun!
Sun is glad to
see Quin.

But the smog
is bad. Quin
must fix it. A
quest!

Quin zips back
and asks all to
help.

The squad digs
at the wet bank,
squelch! The
smog gets thin.

Sun is back!

The land looks
quaint.

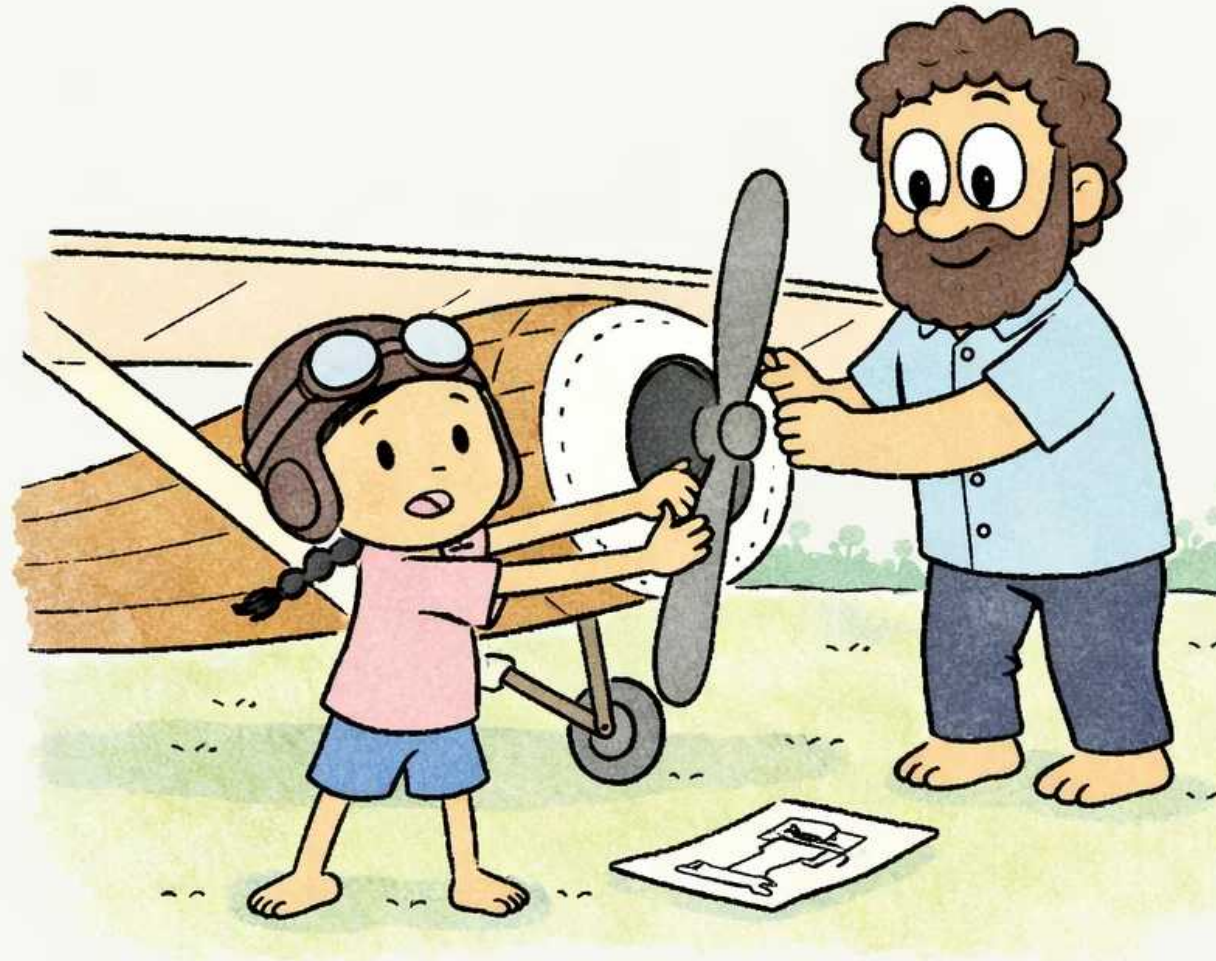

All run to the
sand and jump
in. Dad grins at
Quin.

The next quest!

Quin grips the
plane, and Dad
grins.

She won't quit.
She must bring
Sun to all!

Panha in Thick Smog

Panha hates the gray, smoggy sky over her town, and Dad tells her it wasn't always this way. When she spots real sunlight peeking through at the top of a hill, she rushes to build a plane to chase it, but can a wobbly homemade plane really carry her back to the sun? Written for Jolly Phonics classrooms (Group 7: qu /kw/), this book practices words like 'quest', 'squad', 'quit', 'squelch', 'quaint'.

Phonics Focus: <qu>

quaint, quest, quit, squad, squash, squats, squelch

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
