

Pup Must Hunt For It

Pup sits by a
plant in the
sun. He must
nap. Chirp!
Chirp! The din
zaps the nap!

Pup hunts for it
and zigzags in
the plants.

He peeks and
peeks, but he
can not spot it.

Zip! Pup spots
a big pal in
the plants.

Can it chirp? It
can not chirp
a bit.

Pup peeks from a plant and spots
a pet. **Jeez!** It is not the pet.

Pup zips up a
tree and grips
it.

He peeks at the
pals in the tree,
but not a peep!

Chirp! Chirp! It is
bugs up in the
tree!

The bugs stop,
and Pup naps at
dusk. **Zen** at last.

Pup Must Hunt For It

Pup just wants one tiny nap, but a mysterious chirp keeps interrupting his snooze. He sniffs, zigzags through the bushes, and zips up a tree, checking every pal he finds, but none of them seems to be the noisy culprit. Could a grumpy pal, a quiet friend, or even a row of birds be the chirper Pup is hunting for? Written for Jolly Phonics classrooms (Group 5: z /z/), this book practices words like 'zigzags', 'zips', 'zen', 'jeez', 'for'.

Phonics Focus: <z>

for, jeez, zaps, zen, zigzags, zip, zips

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
