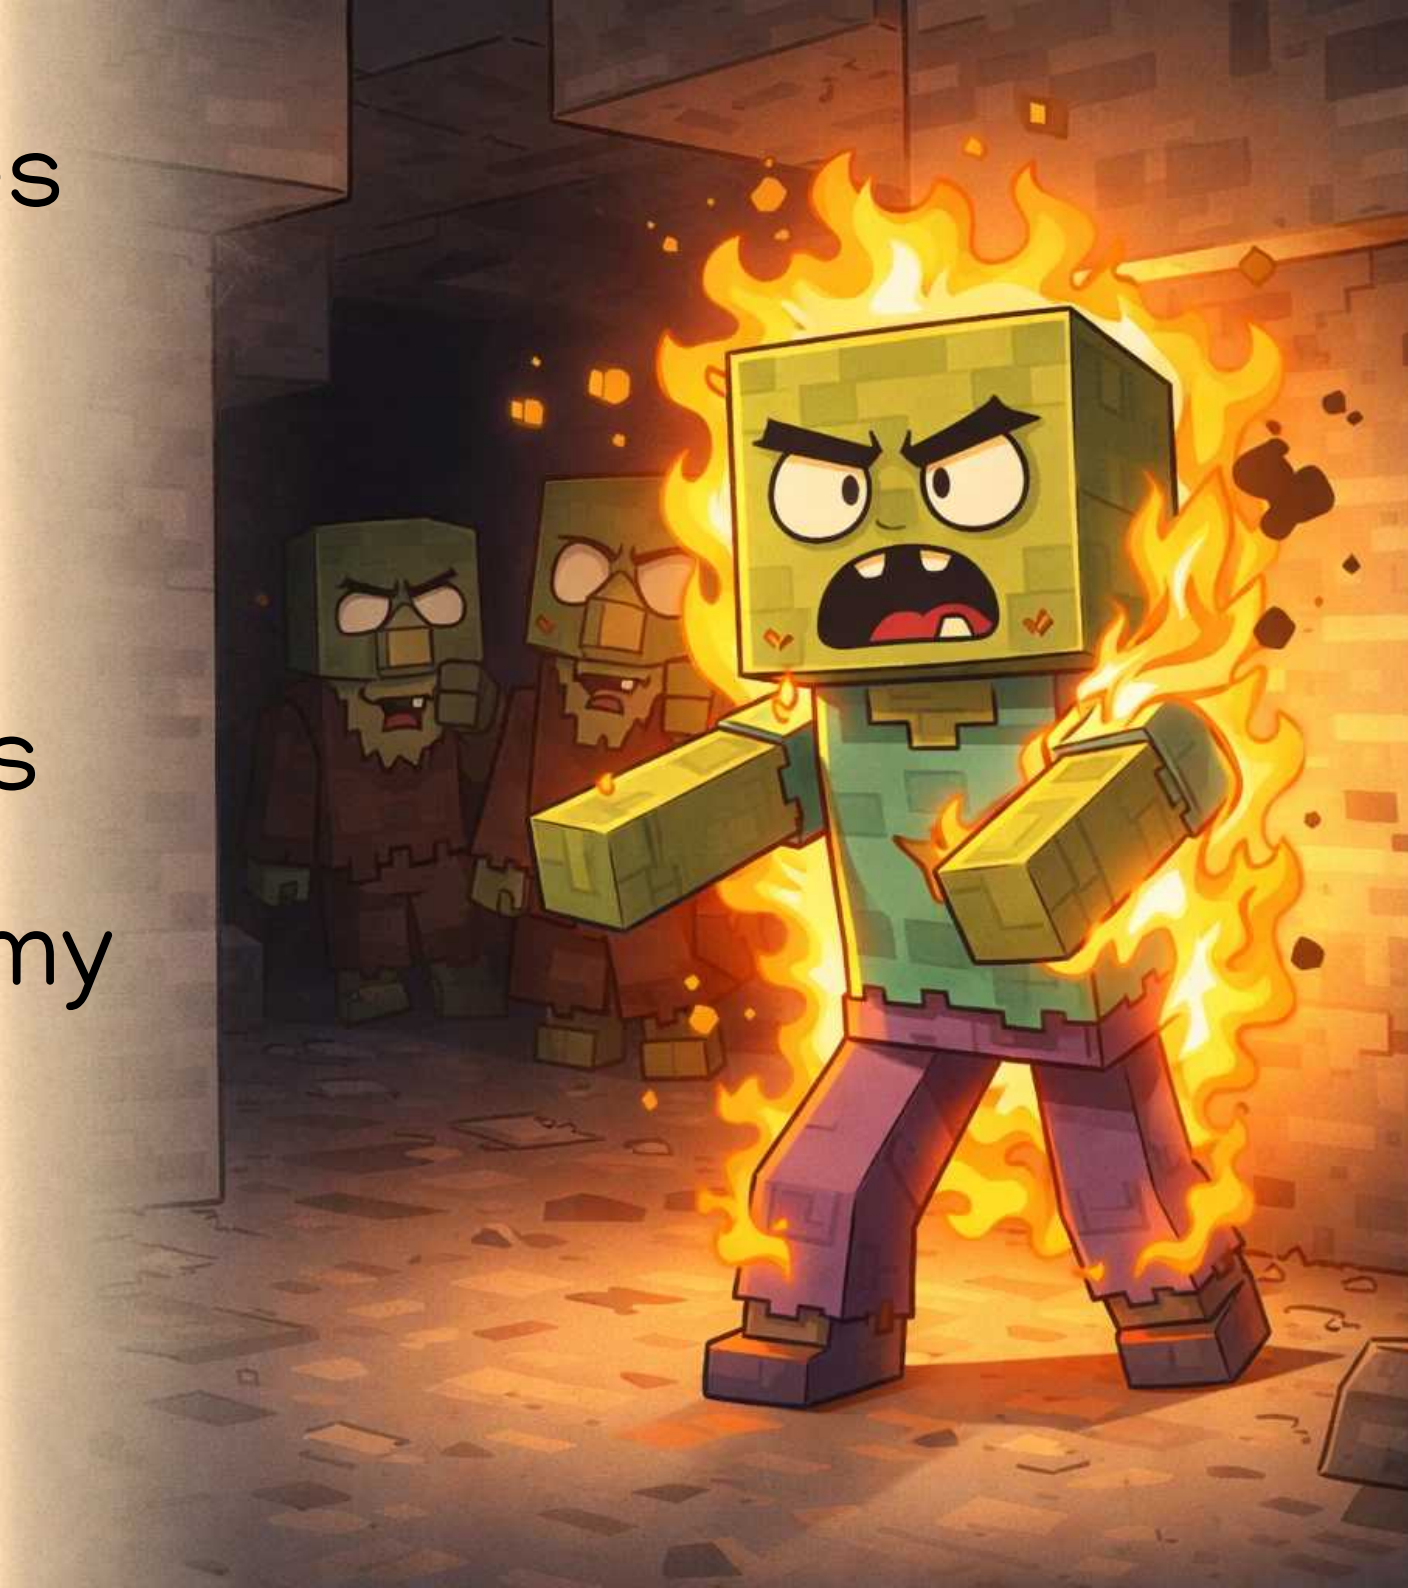
Quick! Save Them!

Villagers got **stuck** in a dark cave. They shout for help and try to be brave.

A zombie grabs them by the **neck.** It bites and leaves them in a **wreck!**

The sun comes up, and a zombie gets **struck.** It burns up **quick,** but my villagers stay **stuck!**



I brew a cure and **stack** it **quick,** so this mix will do the trick! The fizz smells just like old muck, but I will check and hope for luck!

I go in close and **chuck** it **quick.** It **smacks** them hard. The cure will **stick!**

They give me good trades. A **stack.** They **pack** my **sack** and wave me **back.**

Quick! Save Them!

Two wandering villagers have drifted into a dark cave - and something green and groaning is waiting inside! Can a brave hero brew the perfect potion in time? Will one quick throw be enough to save the day, or is it already too late for these poor villagers? Sneak into the shadows and find out! This decodable reader practices the ck phonogram in words like 'neck,' 'quick,' 'struck,' 'stuck,' and 'wreck.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
