

Sam Pushes On

A big elephant
sits and does
not get out.

Sam toils and
toils. Push
harder, Sam!

The red hen
pecks in the
moist soil.

Sam peeps out
at it and grins.

The big fan spins
and spins.

Sam sends soap
orbs from the wand,
and the orbs coil
round the room.

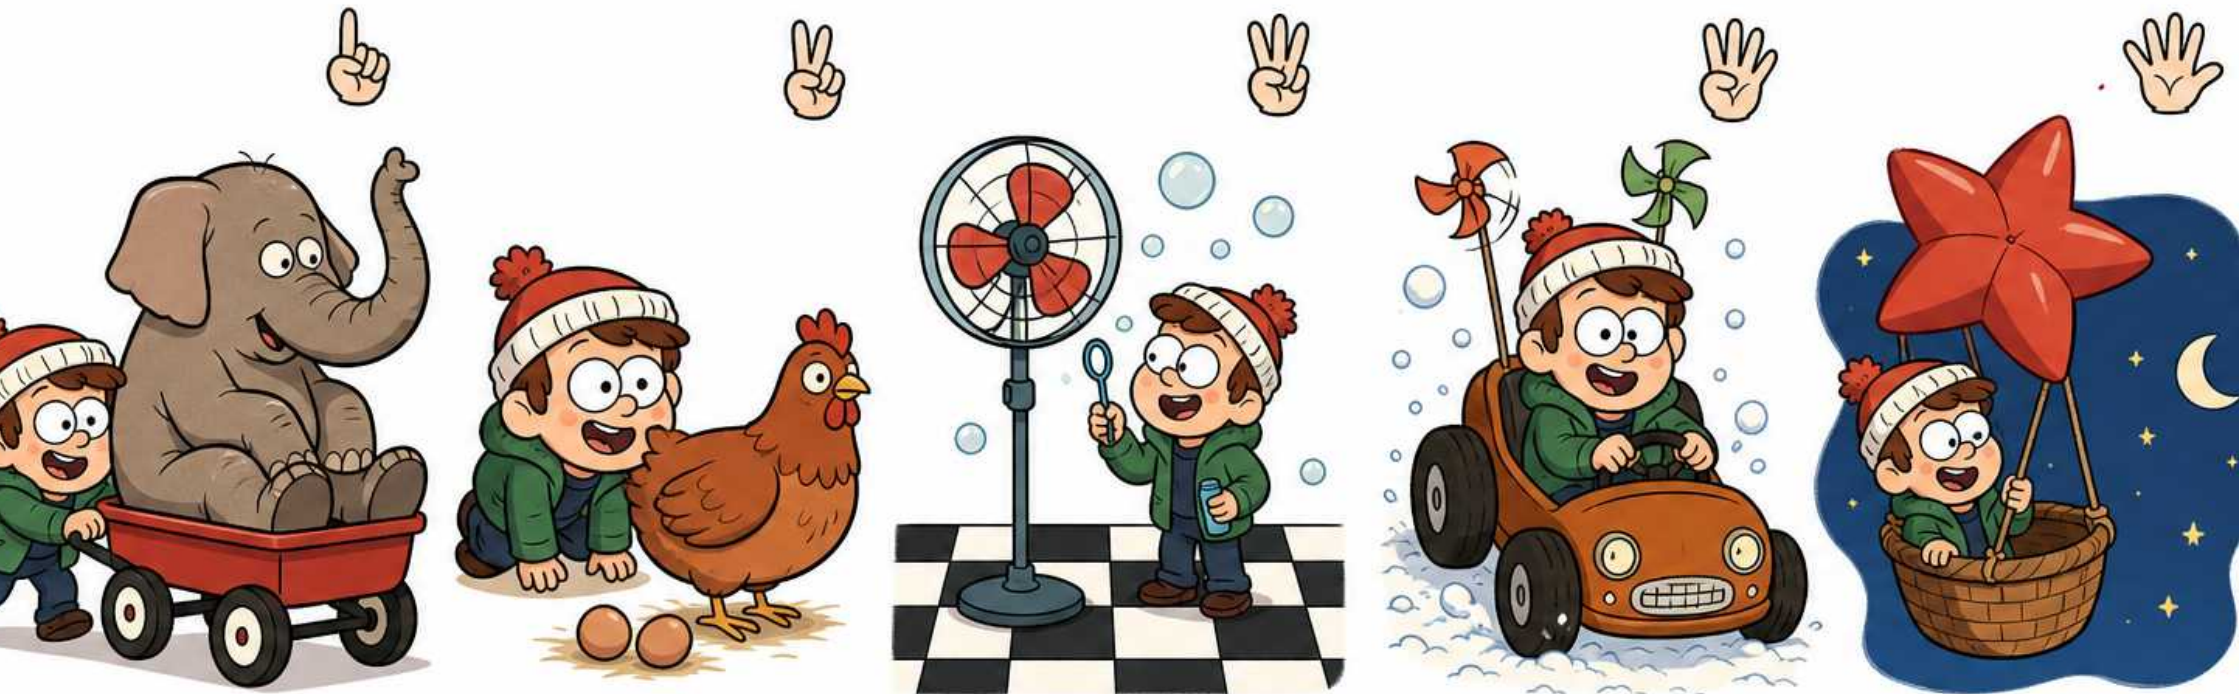

Sam hops in the
rig and zips out.
It runs on oil and
it is swift! He
grins and zooms
on and on.

A big red gas
bag hoists Sam
up and up. It
has five points!
He points at the
moon and grins.

Look at all the fun! Sam
points at it all and counts.
Then he sets out for the rest.

A big ant stomps
on the rocks. It
has six legs!

Sam joins it and
sits on top. Best
fun!

Sam and a pal
look at the big
grid. The pal
points at the
seven on the
grid and grips
both gas bags.

A big bug sits
on the thick web.
It has eight legs!

Sam looks up
and does not
recoil.

A grand wing
thing sits on the
bricks.

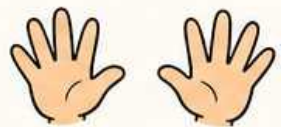

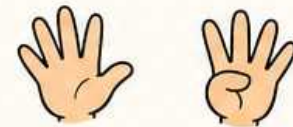

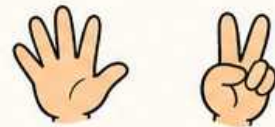

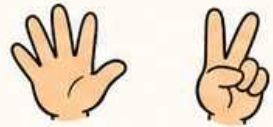

Its coat has nine
tints, and Sam
points up at it.

Sam hoists
both hands
up and grins.

Ten! He can
count to ten.

Sam **points** at all the fun and grins.
But the big elephant just sits, and
Sam runs back to it. Push harder, Sam!

Sam Pushes On

Sam is stuck. A big elephant sits in a little cart and just will not move, no matter how hard he pushes. Along the way, a red hen scratches near the coop, and Sam finds a way to keep himself busy and cheerful while he waits for a better idea. Will he ever get that elephant moving? Written for Jolly Phonics classrooms (Group 7: oi /oi/), this book practices words like 'toils', 'moist', 'soil', 'joins', 'recoil'.

Phonics Focus: <oi>

coil, hoists, joins, moist, oil, points, recoil, soil, toils

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
