

Sick Villagers!

An Unofficial Minecraft Book

The villagers
are stuck in a
cave. It is so
wet! Help,
help! They yell
and yell.

A Zombie! It
grabs them.

Smack!

Their skin
goes green.

A Zombie steps
in the sun. It gets
hot, so hot! The
Zombie Villagers
are stuck back in
the dim cave.
Such bad luck!

Narrator has a plan. He sets a mix on the stand. Fizz, fizz, fizz! The mix is thick and green.

Narrator creeps
in the cave. He
has glass in
hand. Smash!
Splash! The
mix is on them.

The villagers
are back! They
grin and grin.
They stack up
a big stash for
Narrator. Such
luck!

Sick Villagers!

Two villagers wander into a cave and get stuck, water rising around their knees. Something moves in the dark, and a zombie lunges out, grabbing one of them. Their skin turns green, their eyes go hollow, and they aren't themselves anymore. Can anyone save them before it's too late? Created to align with the UFLI Foundations scope and sequence (Lesson 49: Digraphs Review 1), this book practices words like 'stuck', 'smash', 'splash', 'thick', 'luck'.

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
