

Skel and the Chase

An Unofficial Minecraft Book

Skel digs
and digs. He
has a big
list and must
do it all.

The sun dips
at dusk. Skel
can sit and
rest, but
rest is dull.

Jack tells
Skel to stop
and nap. Skel
stalls and
grins. No nap!

It is dim, but
Skel is off on
a hunt. Small
Bones trots
and wags.

Skel and
Bones hunt
up the hill.
Skel is on a
roll, no rest
at all.

Skel has it all
at last. His
legs sag and
his skull lolls.

Skel looks up
at a big, tall
phantom. Skel
did not nap,
and it can tell.

Run, run!

Phantoms flap
in a squall as
Skel and Bones
sprint to the
hut.

Bam! Zom and Jack zap the phantoms and the phantoms fall. Skel gets in the hut.

Skel flops on
his bed, snug
and glad.
Rest is not
dull at all.

Skel and the Chase

Skel has a list of chores longer than his arm, and by nightfall he'd rather chase treasure than rest. He and Bones sneak out for one small adventure under the stars, sure a quick hunt won't hurt. But something with glowing eyes is watching tired adventurers who won't sleep, and Skel's eyelids are already drooping. Will he make it home before it catches him? Created to align with the UFLI Foundations scope and sequence (Lesson 43: -all, -oll, -ull), this book practices words like 'small', 'roll', 'fall', 'tall', 'skull'.

Phonics Focus: -all, -oll, -ull

all, dull, fall, lolls, roll, skull, small, squall, stalls, tall

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
