Stop
That
Chirp!

Chirp! Chirp!

Pup wants to take a nap.

But it is loud here.

Chirp! Chirp!

Pup wants to

find the **chirps.**

He walks in

some grass.

Chirp! Chirp!

Pup finds Trunk

in the grass!

But he does

not **chirp.**

Chirp! Chirp!

Pup finds Spike in this **patch.**

But he does not **chirp.**

Chirp! Chirp!

Pup finds birds
on this **branch.**

But they do
not **chirp.**

Chirp! Chirp! Four little crickets chat on the **branch.** Pup whispers, 'You?' Pup curls up and naps, so rest well, Pup.

CH

Stop That Chirp!

Poor Pup just wants a nap, but something in the garden keeps going CHIRP! CHIRP! Who could be making all that noise? Is it Trunk the elephant, with his big floppy trumpet? Is it prickly Spike, or the colorful toucans high up in the tree? Pup sniffs and searches every bush to track down the mystery chirper - but will he ever get his quiet little snooze? This decodable reader practices the 'ch' sound in words like 'chirp,' 'chirps,' 'branch,' and 'patch.'

Reading Skills: <ch>

branch, chirp, chirps, patch

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
